cuffs right then.

One would think J'ville was under martial law as sentinals are all over town.

I expressed two alligators to the childrun at home & at sisters, have they received them yet.

I certainly wish you all could be here even if ~~it~~ ~~is~~ ~~is~~ we are in camp, because we are having such a fine time time, no one has been sent to the hospital from our company, and I think there are only ten from our regt.

With love to all & trusting you may write soon I am your aft. son. Walter
