Dear Congressman Moakley,

We would like to have a meeting with you in Boston to continue with the efforts which we started in Washington. The need for a permanent solution is strong in light of the recent Phase II decision of Judge Garrity.

We also wish to make known our gratitude for your courtesy and support and particularly your strong anti-busing stand. Your aid with the House Majority Leader is deeply appreciated. The need for constructive opposition on this issue has never been greater and we thank you for your part in it.

We look forward to meeting with you soon.

Very truly yours,

Marianne Procida
