"A MAN WHO WAS MORE TO THE STUDENTS OF OUR
CLASS THAN AN ADMINISTRATOR, A MAN WHO WAS
OUR FRIEND"

THE OFFICERS AND STUDENTS OF THE
CLASS OF 1971

... and special thanks to the Class of 1971. We have made an effort to illustrate every senior in this edition of the Beacon, if not in actuality, at least in spirit. We have also endeavored to capture the atmosphere of the year. This yearbook is, at best, how we saw the year. It may not be the impression you had, but it can serve to refresh your personal memories in the years to come.

The 1971 Beacon would not have been possible without a dedicated staff. The excellent photography is largely the work of Dave Rohde and Fred Rupp. The business management was handled by Jay Horowitz. Thanks should also be given to Venture Editor, Robert Jahn, and Journal Editor, Edward Wickham, for their technical and artistic assistance.

Best of luck to all,

Norman E. Thidemann, Editor
1971 Beacon

The relative quiet of the 1970 - 1971 year as contrasted with the turmoil of last spring has been to me a source of both gratitude and concern. Gratitude for the return to a semblance of normalcy, if that can be defined, and concern, lest the lessons learned will not be incorporated into the accumulated knowledge which, after all, is the essence of an educational experience.

The traditions of a University are built on the individual contributions which remain after a class departs to pursue its varied courses in life. We have been enriched greatly by the Class of 1971. The maturity, judgment and concern which characterized its members will be forever a part of the vitality which is so necessary for our existence.

It is my sincere wish that each class member will achieve his or her goal, and also, that this achievement may be accompanied by the happiness of personal fulfillment.

On May 5, 1971, thousands of citizens, throughout the country, participated in an act of mass civil disobedience against the Federal Government. The purpose of this act was to halt the normal activities of the Federal Government for the day in protest of the Vietnam War.

In Boston, protestors marched to the JFK Building in the Government Center and attempted to shut the building down by blocking all entrances to the building bodily.

Spain, 1939 (Or Appomattox)

What images of a lost cause
once time and the raw,
violated earth have overgrown:
A bent man paused by a well
in a hill village
eyes gleaming the niggardly hills
of where a band of men lie
ragged, heaving each
in his own long droning afternoon
caps and aside under a shattered tree.

They bear their own peculiar shapes and marks
the soldiers,
some without legs or eyes
the lucky ones,
some possess indelible data:
that a rotting dog and a rotting man smell the same
that many deaths are fewer than one
that a hungry man dies harder.
Most bear the silences, the
bitter widening circles of erased monuments.

They with their possibilities decay
the zealots,
the bodies lolling beneath the stricken summer tree
ossify into chilled stone and bronze.
The steaming days darken,
decline to neatly creased maps
to strange flags under a fastening glass
to a bent man aiming a water-bucket,
to fields roped off prudent and forever
littered with rusting shells,
unburst.

This club attempts to acquaint all Suffolk Univ. Afro-American students with each other and with the community, to achieve the following ends:

1. To help alleviate common and individual problems.
2. To increase the level of awareness of the entire Suffolk community to the struggle of the Black man.

Activities of the past year to implement these ends included a lecture by Dr. Nathan Wright Jr., Malcolm X Memorial Day, Afro-American Week, Black History Month display, and the formation of a permanent Afro-American newsletter (Afro-Drumbeat) and Emergency Fund.

ALPHA PHI OMEGA

Alpha Phi Omega is a unique campus-centered National Service Fraternity for college and university men. It was founded in 1925 at Lafayette College, Easton, Pennsylvania. More than 400 active chapters, including Omicron Eta of Suffolk University, are now in operation. Alpha Phi Omega is the largest fraternity in the United States and is represented by other chapters throughout the world. Alpha Phi Omega men engage in four fields of service: service to the student body and faculty; service to youth and community; service to members of the fraternity; and service to the nation as participating citizens. The men of Alpha Phi Omega recognize their responsibility to their fellows and always endeavor to remember that they "don't live in a world all their own."

DELTA ALPHA PI

At the close of each term, the Deans and the Faculties of the Colleges select high standing Juniors or Seniors for membership in Delta Alpha Pi. Election is an academic honor and recognizes truly superior achievement by an undergraduate enrolled in any bachelor's degree program. A student may receive this honor, represented by the Delta Alpha Pi key, at the end of his Junior Year or upon completing the first half of his Senior Year.

DRAMA CLUB

The Drama Club gives the student a chance to participate in the various functions within the University. Theater and dramatic workshop, such as makeup, stage setting, and acting will give the student much useful experience. Students will find that through this activity fundamental and practical experience is gained in the field of drama. All students who are interested are asked to join this activity.

GAMMA SIGMA SIGMA

Gamma Sigma Sigma is alive and well and active at Suffolk University. During the year, the Beta Eta Chapter has been busy with continual and new service projects.

Since September, the Beta Eta girls have been helping with such school activities as: registration, Beethoven Week, Judge Fenton's Party, graduation and others, such as: Christmas packages for Vietnam, the Blood Bank and becoming chorus girls in a play with the Drama Club.

The Chapter is now participating in a project associated with the Veterans' Hospital. Every Tuesday night for two hours, the girls play cards, talk about our wonderful professors or dance. The Beta Eta Chapter is confident of the success of the project. They were also looking into helping underprivileged children which is Gamma Sigma Sigma's national project. Meanwhile, the chapter sponsored the 7th Annual Mother-Daughter Banquet held at Anthony's Pier Four on April 18, 1971.

Looking to the light side, the Beta Eta Chapter had a contest: Mr. Legs of Suffolk. The winner was announced on April Fool's Day.

This year, Gamma Sigma Sigma will be taken over by the young sisters. We would like to thank Linda Edel, former president, and Harriette Albert, unsung hero of 1970-1971, for their outstanding help to the Chapter. Also, the Sisters of Beta Eta would like to convey our best wishes in their teaching careers. Kids you'd better beware!

HUMANITIES CLUB

The Humanities Club is a unique organization in that it provides both social and cultural activities. The Club attempts to stimulate and encourage a better appreciation of the arts by presenting well-rounded programs that meet the interests of all. The club provides an outlet for the expression of ideas and talents, while the students share their abilities with the University Community so that art may be enjoyed.

The Humanities Club has sponsored lectures, discussions, exhibits, concerts and museum tours which have added an understanding of the arts here at Suffolk.

MODERN LANGUAGE CLUB

Dani Roubicek, Carolyn Kruzuski, Joanne Jackson, Christine Curtain, Claire Maher, Patsy McDonald, Donna Strano, Nancy Bek, Ingrid Bonnatti, Peter Brown.

The Modern Language Club seeks to provide opportunity for a widening of intercultural understanding, and a deepening of those cultural areas that are common to peoples of different languages. Activities of the club include guest speakers, films with critiques, cooperative projects with language clubs of other institutions, field trips to nearby community points of linguistic and cultural interest, and diverse language activities.

The Fraternity's purposes are threefold: 1. Brotherhood, 2. Promotion of the communicative arts, and 3. The college.

PHILOSOPHY CLUB

The Philosophy Club at Suffolk University seeks to provide an opportunity for students to take part in discussions covering a diverse range of subjects. In the past year the Philosophy Club has devoted meetings to topics as varied as a student discussion of sex and the young adult, oriental religious philosophy, a workshop for exercises in creativity, and a guest lecturer speaking on the subject of dissent and punishment in modern society.

As can be readily seen, the Philosophy Club attempts to provide events and subject matter broad enough in scope to be suitable to the interests and taste of the Suffolk student.

Some men have never learned how to make decisions. By avoiding them, letting life situations meander past them, and surviving, they thought they had made decisions. They had not.
