First, I have enormous respect for
Judge Nichols' opinion, who has ~~been~~ consistently
presided over the Junta case from
day one.

However, his sentencing of those
responsible for the brutal murder of 6 priest

Notwithstanding the apparently severe actions
gone to Col. Bando & Lt Col. Galt Ortega, the
remaining men depicted in the Junta case
will essentially walk free. I am ^{deeply} disappointed.

Questions

- Who is Capt. ? Is he credible - ? [scribble] of Carlos Lewis?
- Did ~~Mack~~ Capt. say what he wanted Spinoza to do w/ informant?
- did Mulgray ask Capt whether he would tell story to Judge or Gutierrez Castro?
- Ask - tell Gutierrez Castro - su of Capt will talk.
- talk directly w/ Espinoza privately.

If it results in a delay - so be it -
If this comes out later it will be embarrassing.

Did Bustillo call Espinoza?
Was it part of a meeting?
Time of order?

a system that is in desperate need of reform — I think
you would have to say that this treaty respects the
