Dear Congressman Moakley:

It gives me great pleasure to provide you with *Dateline: Brockton*, a brand new compilation of interesting facts, trivia, and developments regarding the City of Champions.

I've also enclosed a copy of the Brockton Enterprise article unveiling the new brochure.

Please enjoy the enclosed material; I'm sure you will find it most informative. Please direct any comments or questions you may have regarding this information to either Mary Waldron or Arthur Markos, Economic Development Director.

Once again, thank you for your attention; it is greatly appreciated.

Sincerely,
