"**G**OD offers to every mind its choice between truth and repose. Take which you please,—you can never have both. Between these, as a pendulum, man oscillates. He in whom the love of repose predominates will accept the first creed, the first philosophy, the first political party he meets,—most likely his father's. He gets rest, commodity, and reputation; but he shuts the door to truth. He in whom the love of truth predominates will keep himself aloof from all moorings, and afloat. He will abstain from dogmatism, and recognize all the opposite negations, between which, as walls, his being is swung. He submits to the inconvenience of suspense and imperfect opinion, but he is a candidate for truth, as the other is not, and respects the highest law of his being."

—RALPH WALDO EMERSON.

ADULT EDUCATION ACTIVITIES

OUR ADULT EDUCATION ACTIVITIES will, of course, continue again this season.

Our Little Theatre with its workshop, The Barn, at 36 Joy Street, will present dramatic productions and Studio plays. The Forum Players, through the medium of the theatre, are attempting to carry on the purposes of the Sunday evening Forum meetings. Members of the Forum and their friends, who want to participate in acting, directing, playwriting or scenic designing or who wish to learn these things, are welcome to join.

The Dance Group, under the direction of Hans Wiener, will start October 13th at the Hotel Brunswick.

A Discussion Group in Individual Psychology, under Dr. Alexandra Adler, will begin on October 28th. This group will discuss problems arising out of your daily experiences. There will also be a private Clinic by appointment only.

We shall also have **Classes in English, German and Russian** beginning in October. If you are interested in joining, please register at once.

Our Youth Forum which was inaugurated last year will open its second season in November. We will send you more particulars later. A very active committee of young people is busy now planning the program.

The Ford Hall Forum Town Meetings will begin the first Sunday afternoon in November.

We are also planning, for this year, to revive the Ford Hall Forum magazine. More particulars later.
