Congressman Joseph Moakley
166 Main Street
Brockton, MA 02401

Dear Congressman Moakley:

As you are aware, the House/Senate Majority Conferees on the reconciliation/tax bill have agreed to language which would give the \$3 billion for welfare-to-work assistance to governors rather than mayors.

I am writing to urge you to contact the Conferees and support providing the \$3 billion to local governments through the Department of Labor, not to the states in the form of block grants.

Thank you in advance for your assistance.

Sincerely,

John T. Yunits Jr.
John T. Yunits, Jr.
Mayor

*P.S.
Thank you again
for all you have done.
