Dear Joe:-

In God's name - cant you do something about this insane forced thrusting innocent kids to the Crime Triangle of Roxbury?

Joe, Dear - Im now 73 yrs old, and its come to a point where Im afraid to even go up the store - with all the COPS + violence

You cant blame these parents I wouldnt send a mongrel dog into Roxbury -- never mind innocent kids

Cant you talk to Brooks + Kennedy + Taps O'Neil

Cant you use your influence to do whatever it takes to get this horse shit LAW off the books

Fag Garrity should be lynched

Joe Im damn mad. I have to live here - I dont want my house bombed or set fire to which is what coming - if this law isnt changed.

God bless you Joe
Please do something
