

## An Open Letter To The Residents Of The Ninth Congressional District

Dear Friends and Neighbors:

We have been extremely fortunate to have as our Congressional Representative for the past 47 years, the Honorable John W. McCormack. He has represented our District with honor and distinction. We salute him as he retires from public service.

At this most critical period in the history of our City and our Nation, we are once again extremely fortunate to have as a candidate to succeed John McCormack, our friend and neighbor, Louise Day Hicks.

Louise has demonstrated time and again her deep concern for the people of our City — their wishes — their safety — their future. Clearly, she has demonstrated time and again the ability and loyalty to champion the cause of our senior citizens, our school children, our workmen, women, and their families.

Her extraordinary courage has gained her the respect and admiration of people from Massachusetts to California.

We are sincerely convinced that Louise Day Hicks merits the enthusiastic support of all of us who live in the Ninth Congressional District. Therefore, we respectfully urge you to demonstrate your loyalty to and support of Louise by voting for her on Primary election day, Tuesday, September 19th.

Sincerely,  
Concerned Citizens Committee  
Ninth Congressional District
