William G. Walker
United States Ambassador
U.S. Embassy
San Salvador, El Salvador

Dear Bill:

I recently met with Ms. Jody Williams, Director of the Children's Project for Medical Aid for El Salvador, to discuss recent allegations by the First Brigade against her organization. I am very much concerned about the nature of these allegations and the potential dangers it might bring to Ms. Williams and others in her organization. Obviously, I do not know all the facts and have not been made aware of any basis for these charges. But, I am very worried about Ms. William's well-being.

I would be grateful if you -- or the appropriate person at the Embassy -- could look into this matter. Perhaps you could meet with her and offer her some good advice.

Thank you for your time and good work.

Sincerely,

John Joseph Moakley
