President's Letter to the Class of 2001

It is with pride, confidence and just a touch of sadness that I bid farewell to the Class of 2001.

We have watched and guided you as you discovered the freedom and responsibility of finding an academic path and fulfilling its requirements. You have blossomed under our tutelage, mastering difficult material and becoming assured in intellectual debate. And now that your intellect has ripened, we must let you go on to the next exciting steps in life's journey.

As you graduate from Suffolk University you take your place among more than 37,000 active university alumni known for their leadership in every walk of life: business, education, law, public service, the sciences and the arts. We will watch with pride to see the new leaders who will emerge from your midst, knowing that we have taught you practical lessons that will help you succeed in the workplace and build a gratifying career.

But just as college was much more than books and term papers, career is only a part of what makes for a rich life. We certainly hope your learning experience at Suffolk University has awakened a deeper wisdom that will serve you in every aspect of your life: That you will never stop learning, because every new idea you encounter will excite and occupy your mind; that you will never be bored, because, even in a vacuum, a learned man or woman has ideas to ponder; and that you will be a giving person -- to your family, friends, community and world -- because you have learned that caring for one another benefits all.

Just as we expect you to carry on your personal growth, Suffolk University continually seeks new ways to enhance its educational mission. During your time here, the university has expended educational opportunities through satellite programs in Massachusetts and overseas. A visit to our newest campus in the west African nation of Senegal offers the opportunity to meet a growing company of bright and highly committed students. Here in Boston you have had the opportunity to mingle with students from many nations as we have become more of a global community. And with the law school's move to the technologically innovative Sargent Hall, we have been able to expend and improve educational and social facilities for our undergraduate and graduate students. All these steps taken for today's and tomorrow's students were made possible by the close and enduring bond with our alumni that has helped steer our course to the future.

Allow me to make one more request of you as you graduate: Please stay connected with Suffolk University. As a community of scholars, we care about students and their success. Just as our alumni worked with you and your colleagues through internships and mentoring arrangements, you now have an opportunity to contribute to Suffolk students who follow in your footsteps. You can help strengthen your university through gifts of time, talent, counsel, expertise and financial resources. Our goal is to continue to provide access and excellence in education, and your support is essential to that mission. You are now a part of our future and we ask that you help us.

Congratulations and sincere best wishes!

Letter from the Editors, Ishakia Andrews and Brandy Lungelow

The Beacon Yearbook is a life long memory of the events and experiences of our lives at Suffolk University, which is why organizing this yearbook required time, devotion and hard work. We set out to structure a book with memories that are representative of Suffolk University as a whole, in particular its senior class with all of its ingenuity and diversity. Therefore, we worked longer hours to

represent the cultural and social atmosphere within the Suffolk community.

Although the yearbook took much of our time, the Beacon Yearbook would not have been completed without the aid of several people. The process was successful with the help of Lydia Sadusingh and Michelle Browning from the Student Activities Office. They were supportive to the yearbook staff and answered any questions we had regarding our book of memories. In addition, Steve Forslund of FinePoint Photographics attended events and took many of the pictures in the yearbook. He attempted to make everyone smile, and made the book as well as the senior class look great. Lastly but hardly least, John Carrier Suffolk's Yearbook Specialist from the Herff Jones Company has been working with Suffolk University students for years to create an unforgettable yearbook just as our experiences have been here - unforgettable.

Finally, life at Suffolk University has been a lifetime experience and the Beacon Yearbook is designed to capture those wondrous moments that we'll someday look back upon as history. It is history in the making; the history of the Senior Class of 2001 includes features of the past as well as the present. It is a path to the future, that is a new world; for now it is time for the students to become adults and go above and beyond the Suffolk campus. The faces of the people of the following pages are the faces and voices of the new world in the first year of the new millenium.

**CONGRATULATIONS CLASS OF 2001 -
You Are The New Millenium!**

A WHOLE NEW WORLD

When we take the time to look back and reflect, the world we know has grown just as we have during our undergraduate career. Once we walk, run, dance or sashay across the stage on graduation day, we fully begin to realize how much the world has evolved into something new and different. Even though we sometimes worry about what the world has to offer, Suffolk University has prepared us to take on the challenge of a new and exciting adventure. "A Whole New World" represents what we all will experience upon graduation from Suffolk University. The diploma represents what you have and will continue to accomplish-success. An image of the world appears to emerge from the end of your diploma symbolizing your future - a world with many challenges and possibilities.

Now as you prepare to embark upon a whole new world take the time to flip through the pages of this yearbook and remember the world you once entered when it was new to you just a few years ago. Finally, it is an entirely new world with a diploma in your hand.

OUR GREATEST WEALTH

WE ARE BORN WITH TWO EYES IN FRONT BECAUSE WE MUST NOT ALWAYS LOOK BEHIND, BUT SEE WHAT LIES AHEAD BEYOND OURSELVES.

WE ARE BORN TO HAVE TWO EARS- ONE LEFT, ONE RIGHT SO WE CAN HEAR BOTH SIDES, COLLECT BOTH THE COMPLIMENTS AND CRITICISMS, TO SEE WHICH ARE RIGHT.

WE ARE BORN WITH A BRAIN CONCEALED IN A SKULL THEN NO MATTER HOW POOR WE ARE, WE ARE STILL RICH, FOR NO ONE CAN STEAL WHAT OUR BRAINS CONTAINS, PACKING IN MORE JEWELS AND RINGS THAN YOU CAN THINK.

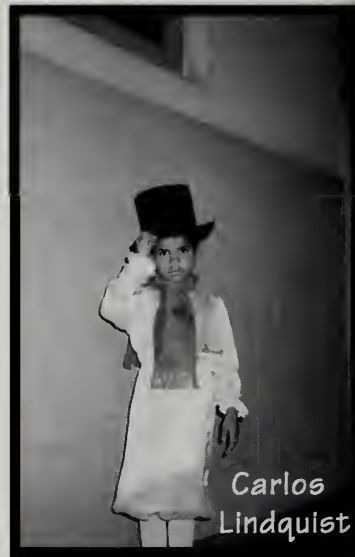

WE ARE BORN WITH TWO EYES, TWO EARS, BUT ONE MOUTH FOR THE MOUTH IS A SHARP WEAPON, IT CAN HURT, FLIRT, AND KILL. REMEMBER OUR MOTTO: TALK LESS, LISTEN AND SEE MORE.

WE ARE BORN WITH ONLY ONE HEART, DEEP IN OUR RIBS IT REMINDS US TO APPRECIATE AND GIVE LOVE FROM DEEP WITHIN.

A Child Learns

If a child lives with criticism,
 he learns to condemn.
 If a child lives with hostility,
 he learns to fight.
 If a child lives with ridicule,
 he learns to be shy.
 If a child lives with shame,
 he learns to feel guilty.
 If a child lives with tolerance,
 he learns to be patient.
 If a child lives with encouragement,
 he learns confidence.
 If a child lives with praise,
 he learns to appreciate.
 If a child lives with fairness,
 he learns justice.
 If a child lives with security,
 he learns to have faith.
 If a child lives with approval,
 he learns to like himself.
 If a child lives with acceptance, and
 friendship,
 he learns to find love in the world.

STUDENT LIFE

FALL ACTIVITIES FAIR

Throughout the year, many different events take place that give Suffolk University's students, faculty and staff the opportunity to participate in them.

Looking back, it all began with the Fall Activities Fair. The Fall Activities Fair is one of Suffolk's traditions, which takes place in the beginning of the academic year. The fair gave new and returning students the occasion to look into the many clubs and organizations, in addition to what they have to offer.

FALL ACTIVITIES FAIR

International Thanksgiving Dinner

In mid-November, Program Council sponsored a huge dinner. The International Thanksgiving Day Dinner is an opportunity for the Suffolk community to come together and enjoy a big meal provided by the University.

FALL FEST

Fall Fest is Suffolk University's annual variety show. Students and faculty alike step into the spotlight and show the true spirit of Suffolk through song and dance. Each year the Fall Fest performances kick off the University's family weekend bringing together students, their families, faculty and administration.

Performing Arts

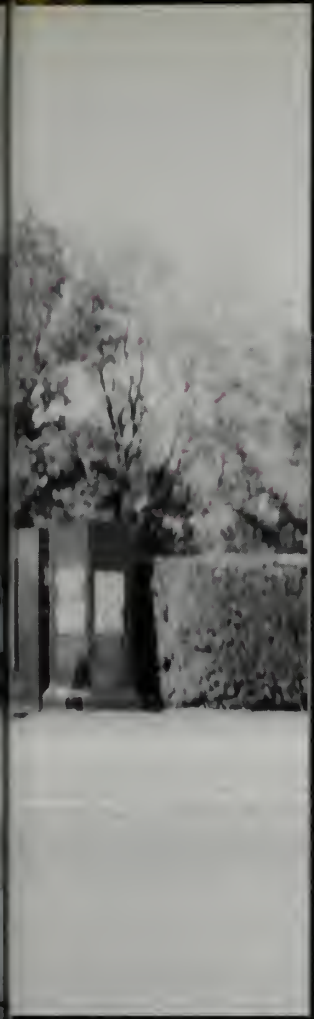

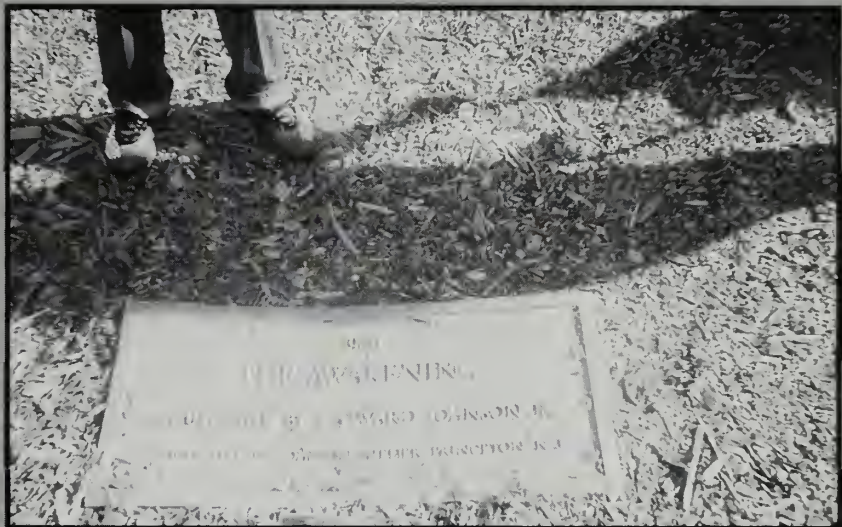

The Student Performing Arts Program at Suffolk University works to create, support, and increase student arts programs on campus. The program targets students who would like to participate in extracurricular activities in balance with their academic studies. The activities involve singing, dancing, acting, comedy or simply being a member of the audience. The program includes the Children's Theatre Troupe, Acting Out, Seriously Bent, Common Grounds, the annual Fall Fest show and much more!

Washington D.C. Trip

In October of 2000, BSU organized a trip to Washington, D.C. in order to give the students of Suffolk University a chance to experience homecoming at a historically Black college as well as learn about our nation's capital and all it has to offer.

Fall Leadership Retreat

On October 13th & 14th, the Student Government Association and the Office of Student Activities coordinated the annual Fall Student Leaders Retreat, which had its largest attendance according to recent history. Approximately fifty of Suffolk's students took a trip to Camp Bournedale in Bourne, MA. The annual retreat provides involved students with an opportunity to interact with each other, set long-term goals, and fine-tune their group skills.

Holiday Tree Lighting

This 20th annual holiday celebration took place December 6. Suffolk University breaks into the holiday spirit with the lighting of its own holiday tree. Presentations about Kwanzaa, Hanukkah, and Christmas are shared by the Suffolk community at the Alumni Park.

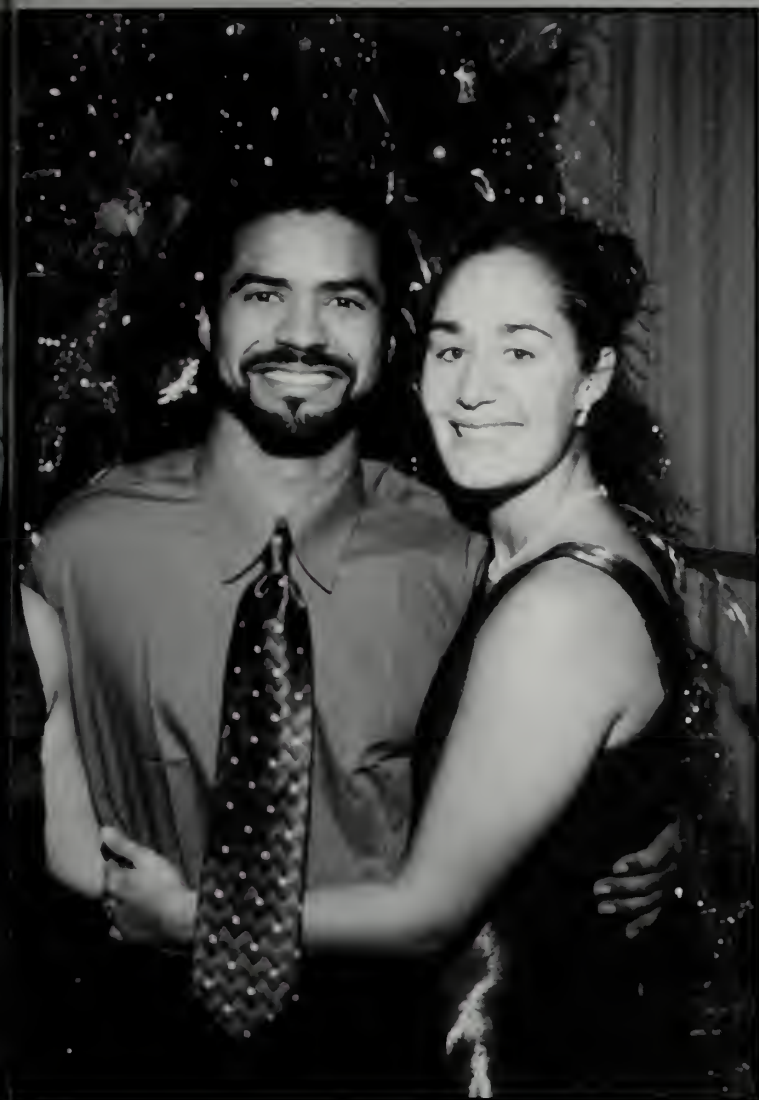

Holiday Ball

On December 8, the Swiss Hotel welcomed Suffolk students for the annual formal dinner dance, sponsored by Program Council. This year, Program Council also provided holiday wine glasses for each student to remember this great time shared on this night. The Holiday Ball is an opportunity for students to come together before winter break.

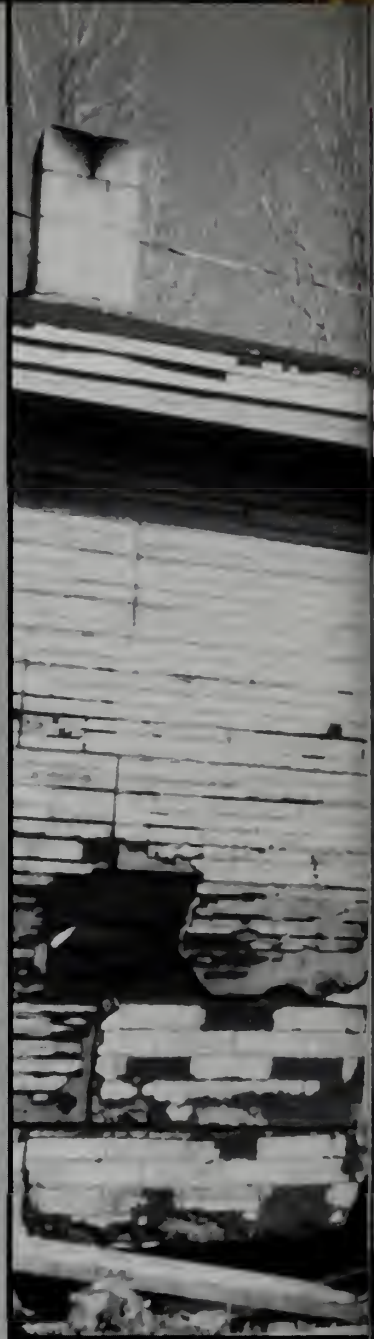

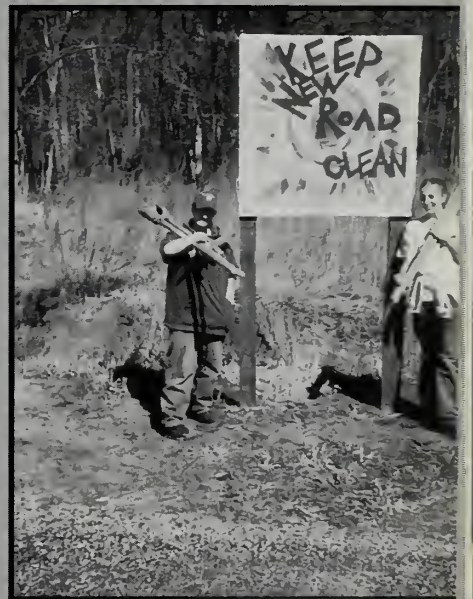

Holiday Ball

Alternative Spring Break

This year, students engaged in the Alternative Spring Break trip to Exmore, Virginia. They devoted their time to the community by cleaning up lots, fixing up houses and picking up trash. Suffolk University continues to contribute to the growth and renovation of the New Road Community. The students came back full of renewed energy and the New Road Community is grateful!

Unity Week

This annual spring event brings together all areas of the Suffolk University community to understand and celebrate the rich diversity among us. The usual week long event extended to nearly two weeks, when clubs and organizations appeared in great numbers with events. This years Unity Week show, taking place in the month of March, included the international luncheon, lectures in classes, speakers, a variety show and dance lessons.

Service Day

The Fourth Annual "Got Service?" Service Day took place on April 6th, 2001. Since 1998, the S.O.U.L.S. Community Center has coordinated an annual Day of Service. This annual event has brought together an average of 100 participants who completed over 300 hours of community service in sites such as, Aids Action, Jumpstart Boston, and Paulist Center.

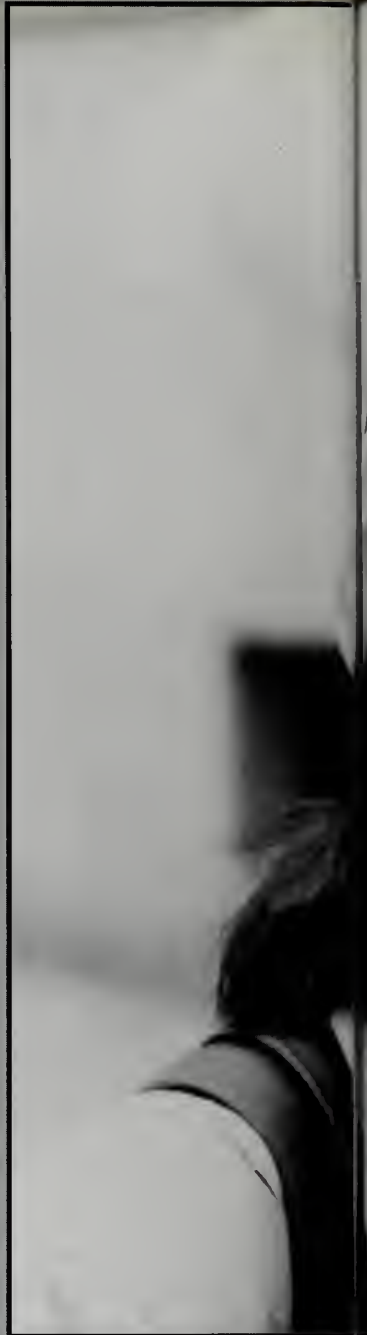

Temple Street Fair

On April 19th, the annual Temple Street Fair took place. The annual fair is a sidewalk fair held up and down Temple Street. It is a Suffolk tradition to celebrate the upcoming spring season. The main events of the Temple Street Fair 2001 involved balloon hats, the money machine, food, prizes, and games such as "Dunk an SGA member."

Temple Street Fair

LEADERSHIP BANQUET

The Leadership Banquet 2001 took place on April 23rd in the John F. Kennedy building on the City View Side floor. The building allowed Suffolk students and parents to take a view of the city. The event is designed to recognize students, organizations, faculty, and advisors, whose hard work and dedication contributed to the success of Suffolk's activities program throughout the year. During the banquet, an outstanding student from the freshman, sophomore, junior and senior was recognized. Awards were also given to the outstanding male and female athletes, faculty, staff members, and club of the year.

LEADERSHIP BANQUET

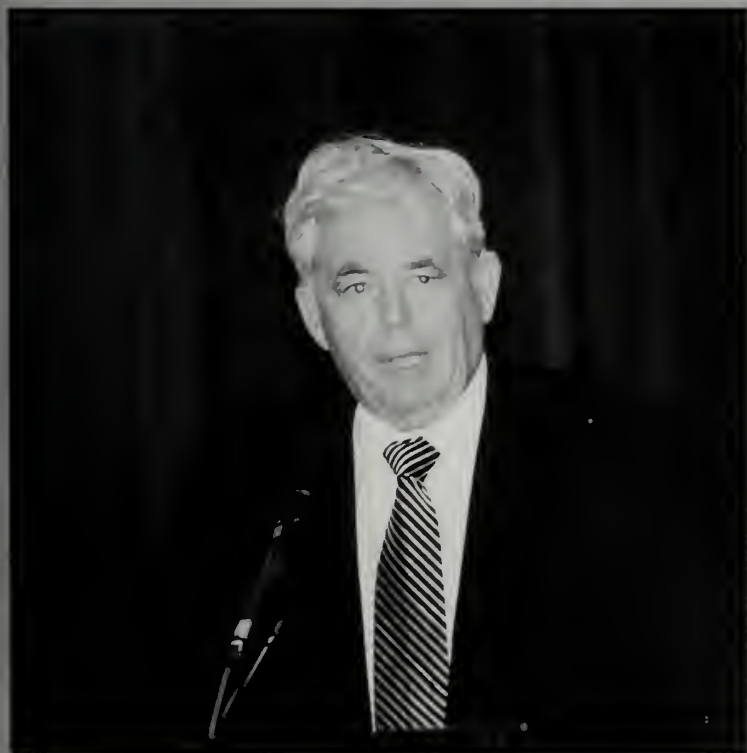

Recognition Day

On April 24, members of the Suffolk community gathered in the C. Walsh Theatre to recognize the academic and co-curricular achievements of the university's full-time undergraduate students. During the ceremony, students received awards and scholarships for their remarkable contributions in the classroom, athletics, as well as in a variety of clubs and community service organizations.

Recognition Day

Spring Ball

The Spring Ball 2001 was held at the Harborside Hyatt Hotel along Boston's beautiful waterfront. The Ball provided the opportunity for students to enjoy a night on the town with their fellow friends, as well as to relieve tension before final exams. Program Council, who sponsored the event, provided a wine glass as a memento for the event. The Spring Ball will be remembered by everyone, especially seniors celebrating the completion of their undergraduate studies.

LAST WORDS

Mike Anastasia,

Good luck to all the friends I have made in my four years at Suffolk.

Ishakia Andrews,

Goodbye Suffolk University especially the Sawyer Library where I spent a good portion of my college experience. I'll miss my closest friends Loyde-Kiwee, Brandy- I am a DVA, Tina- VTP, (in no particular order) everyone in BSU, CEN and AAA-we had some good times in the office this year. To Professor Bellinger, thanks for making me spread my wings and fly. I landed in Ghana and learned about myself thanks! Gary A. Wallace thanks to you I found work and my career path. To Carl Parks, thanks for saving my butt- Northeastern School of Law thanks you too! I want to thank my parents for letting me be me and explore instead of pushing me into the things they wanted me to be. If it weren't for them I may be a non-eating disorder fashion supermodel or a Soul Train dancer. Thanks to my nanny and aunt Felicia for always supporting my spiritually, emotionally and financially. And thats it... Opps! Brandy, thanks for loving me and tolerating me the yearbook is tough stuff and I may be lazy or in NY at times but I still got your back Jessie!

Brandy Barney,

Good luck & congratulations to my fellow classmates of 2001. This is the end of the beginning and I thank you all for sharing in the memories I've made the past four years. Thank you especially to those who endured me morning, noon and night: Caroline, Nikki, Kath, Casey, Georgia, Kathleen and Holly.

Emily Borsody,

Mom, without you I would be nothing. Thank you for your constant love and support. I couldn't have asked for a better role model. I love you.

Erika Calderon,

Thanks to mom and dad for always being there to help me make the right decisions. Thank you to all the people that have made a signifiant impact on my life- Cheverus, ACHS and of course Nanas! I love you all! EC 2001

Kaliyan Chap,

To my father: The daughter offers the father her life as a vessel for carrying forth her father's dream! Best of Luck to the Senior Graduate Class of 2001!

Sharon Chu,

To my family: thank you for the support especially to my mom and my sister. I LOVE YOU BOTH!! To my friends: "Pax Vobiscum." - "Peace be with you." "Vale."

Pietro Cicolini,

Never forget how much you have. Never doubt ability to make changes. We as a people and as a collective give the government the right to govern us. If we choose not to consent our government's rule, it can be taken down and replaced with a better one. Democracy is nothing without the freedom to revolt. Stay out of the rut... Never settle... Always strive for greener pastures.

Eliany Colon,

Thank you mami and papi for all your love and support. I love you. Lots of love to Alexie, all my friends and family.

Abena "Abbey" Cook,

I can do all things through Christ Jesus which strengthens me. Philippians 4:13 Do not let anything bring you down, because help is coming - it is right over the hill.

Anna Coviello,

I love you mama, papa, Maria and Antonietta. Letizia, you are my cumara. JENX JAL. PX 143. Special thank you to Robert and family. I made it! 2001!

Denise Cranmore,

The longer I live the more I realize the impact of attitude on life. Attitude to me is more important than facts. It is more important than the past, education, money, circumstances, failures, successes, and

LAST WORDS

what other people think, say or do. It is more important than appearance, giftedness or skill. It will make or break a company, a home or church. The remarkable thing is we have a choice everyday regarding the attitude we will embrace for that day. We cannot change our past. We cannot change the inevitable. The only thing we can do is play on a string we have and that is our attitude. Life is 10% what happens to me and 90% how I react to it depending on my attitude.

Josiah Curry,

Life is short, remember death.
Pray the Rosary. Thou hast
blessed me much.

Brandy Lungelow,

"I came, I saw, I conquered."
First and foremost, I wouldn't be
who I am today if it wasn't for my
mother. Mom, there truly is no
other like you. I love you and
thank you. I also want to thank the
rest of my family. Branden and
Teila, you know I am here for you.
Allen thanks for being a father to
me. Past and present friends,
thanks for your support. Nia,
college wouldn't have been the same
if you were not here. CeSea,
Yolanda and everyone who helped
make this year better for the
BSU or CSX, I wish you the
best. I give special thanks to a
great professor; she knows who she
is - the voice of all women - the
illustrious Prof. Dushku. I would
like to thank the staff of Financial
Aid; David and Daji,

I miss you. Chris, you have
always been a great help. Your
time and effort is much
appreciated. I love you all.
Last but not least, Mark I am
going to see you soon. Thanks
for your support and keep up the
good work.

You must always believe in
yourself; because if you don't
no one else will! Think for
yourself and keep your head
high in the sky! God bless
Suffolk University!

Lueteshia Raymond,

Thanks to my mother who didn't
tell me how to live, she lived and
let me watch her do it. Good luck
to Class of 2001! Thanks to
everyone who supported me
throughout these years: JG, MJ,
CR, CS, DS, XB, YH, JN,
MMJ, JG, HR, JH, SA, CJ
and RH!

CeSea Saunders,

Be yourself no matter who you
are. Big up to DC, Trinidad
and Tara, Carly, Nikki,
David, Mo, and the others
holding it down. Peace my
Class of 2001, Brandy,
Yolanda, Stevenson and Craig.
I leave my pretty face to those
who don't have one and my
personality to those who need it.

Wael Omar Sayedalalil,

I know I depart these years in
my life a totally different
person than when I first
arrived. The most important

thing I've learned is to believe in
yourself no matter what the
situation. Faith will really bring
you a long way. Success is all
about mind over matter, so focus
on your goals, and keep your head
up high, even if things don't turn
out like you thought they would.
There is always something to
gain. Love each other, love the
life you've been given and most of
all, love God.

Sean Spencer,

See ya!

Anita Javares,

With rightly arranged smiles
on my face thinking of my
challenging years at Suffolk
University, it makes me feel
wise and wonderful. Now I am
moving forward in life with my
success standing with courage
and strength toward a bright
future.

Michael J. Truesdale,

Anything you want in life,
you can have, just don't be
afraid to work hard to get
them. There is nothing sadder
in life than wasted talent.

Diane Wise,

With love, thanks and
appreciation to Paul, Keith,
Lorna, mom, dad and God.

Janel Yu,

Without the support from my
family and friends I would not
be here today. I just to say
"Thank You!"

The Road Not Taken

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that, the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.
