

June 5

Mike:

I will be out this morning -- but wanted to let you know about something ASAP. Moakley wants to go to El Salvador. Bill Walker called him again urging that he come down -- basically to let the military know that this case is still important in the U.S. Also, the UCA has invited Moakley to speak before their students and faculty (Moakley wants to do that as well). He also wants to meet with about 1000 other people....

He wants to go on Friday, June 28 and return on Tuesday morning July 2. Moakley would give his speech Monday evening.

He has asked that aside from him -- that Bill Woodward and I go -- and he also wants you to go, if you can. He wants no other members or staff.

He also wants a small plane to take him there and back (I'm not sure how we do this?).

In any event, I will call you this afternoon to figure out how we proceed.

Thanks -- and hopefully this is finale.

Jim McG.
