South Boston Information Center News

By Dan Yotts

A terrible, terrible thing happened to us on our way to fight the fight against Forced Busing! We worked someone out when he or she hard, supported, voted and is in trouble. I can remember Elvira Palladino to her when my wife and five the Boston School Committee other women got pinched lee and she let us down and for praying.

still does. She caused a split If there's anything wrong and a lot of hard feelings in with Mike it's that he the fight against Forced doesn't have a press agent Busing because she played and he's not running around politics with Kerrigan, patting himself on the back.. Terney and O'Neil.

Why? Because someone Ray?? Plenty and I will hope we learned a lesson later..All Good, naturally. because there's a lot of hot summer in lots of ways. jockeying for position going I already gave Palladino a on out there in the political knock so I guess I'll give her arena. Nomination papers sponsor a rap also..Kerrigan, what the hell's he have been circulated and by rigan, what the hell's he this printing we should running for now, clerk of the know who the nominees are.. court or something?? School time is that the bottom line in thing is the Forced Busing Game...By now we You know that's where I should know who is out think we're missing the there busting their hump in boat. We should get more making the motions. We all office instead of the same know who should go...Kennedy, Moakley, Tip O'Neil, Drinan, Harrington, yes, all those fakers.

I am not here to win friends just to call them the way they are. Times are being held for the Polls to raise funds. Monday night Robert (Peaches) Flynn had a time with a very good showing. He's taking on (Curley? Then I'd have my Moakley. Bob Dinsmore is Italian Irish wife join the having his time, July 16, at I.A. and the Daughters of the Lith Club.

He's taking on the Biggest Faker of all, Teddy Bare Kennedy..I suppose in the future we'll be seeing times for Louise, Billy, Mike and Ray..Like I say we all should know that bottom line..Forced Busing...I think anybody has an opponent except Billy so once again people are going to take sides and make enemies etc, etc.., etc.. So get ready.

I only wish some of the political fighters out there would fight that hard against Forced Busing. But that's too much to ask because there are no rewards like patronage jobs, bee hoo boo ba. No, just a lot of hard work so not too many people join the fight. Did you know that Mike Flaherty represented over

pollution. So you see Forced Busing is the Issue. We've got to reward our friends and let the others know that we can remove them if they play games.. And there a lot of people out there playing games.

My first of many questions is, "Has anybody seen Joe Moakley"? He's probably relaxing sipping his favorite drink, Scotch and water, while sucking on a cigar at the exclusive private Georgetown dinner club called the Pisces club which he joined with Senator Brooke..Yeh..they all rub elbows.

As a matter of fact, the last time I saw Moakley was in (City Hall plaza: he was standing with Brooke, Kennedy, Dukakis, Elma Lewis, Sen. Bill Owens, White, Paul Parks and all the rest of those fakers who faked a "peace march." Yes, hypocrites, so don't forget them. Every single one. Stick it to em.

If a guy like Peaches Flynn wants to go after Moakley we should get behind him as individuals..I predict that Flynn will take Wards 6 & 17 but he's got to do a lot of work in the West End, North End, J. P. West Roxbury, Needham, Dedham, Dover, Westwood, Norwood, Walpole and Canton.

I'd give Moakley the South End, Roxbury, Mission Hill, Mattapan and North Dorchester. The rest could go either way. I understand there's even a few new names in the local reps. fight. Let's wait and see who they are and then evaluate what they've done in the Forced Busing Fight. Personally I can't understand why one real Anti-Fuser takes on another Anti-Buser. I could see it if he was a light-weight. Talking about light-weights, there are a few heavy-weights out there and good luck to them. They know who they are and I only wish there were more of them.

Speaking for myself I think what's happening is the only answer. Keep the Justice Dept. and all the other thoney agencies on

their toes. Keep them guessing. Some of the bastards would try and hang their own grandmother. Mind you now I'm not expounding any form of Violence, or destruction to private or community property, because we Anti-Busers abhor violence and for the most part preach peace and turn the cheek. And by all means Silence is Golden.. Silence is Golden, Silence is Golden..There's only two words that describe why a person gets into trouble. Stupidity, and (carelessness..Don't be neither..And in closing I ask "What Have you done this week to FIGHT FORCED BUSING.

The winner of the Elvis Presley tickets was: Alice Kelly..She was thrilled..We didn't sell very many chances..perhaps because the concert took place in Rhode Island..The Flag Afghan will be drawn for the 4th of July..It is a beautiful crocheted Afghan. Drop in some night and take a chance..you don't have a few more days.. Don't forget the summer hours at the (center are from 7 p.m. till 11 p.m.
