President's Message

David J. Sargent

Congratulations to the Class of 1998! As you graduate from Suffolk University you join more than 37,000 active university alumni who are distinguishing themselves in business, education, law, public service, the sciences and the arts. Tremendous challenges and opportunity await you in all of these professional areas, and we at Suffolk have done everything in our power to help you seize these new opportunities. We are proud of your accomplishments and honored to have played such a personal role in guiding you in your progress. It is with utmost confidence in your abilities that we send you forth to excel in your chosen fields.

Your time here at Suffolk has coincided with some very important milestones for the university. You helped us celebrate our 90th anniversary in 1996-97, and this year has marked the 60th anniversary of the Frank Sawyer School of Management. A new residence hall opened on Tremont Street, and its success has us planning another. The New England School of Art & Design merged with Suffolk, bringing new color and artistic dimension to the University. And last summer we broke ground for the new law school building, which will be equipped with technologically innovative educational tools that will set the standard for all law school facilities that follow. As we have taken all these steps for today's and tomorrow's students, one message rings clear; we are not alone; the close and permanent bond with our alumni has helped steer our course to the future.

As my parting words to you, I ask you to stay connected to Suffolk University. We are a community of people who care about students and their successes. I encourage you to contribute to the education of future Suffolk students by helping to strengthen your university. Come follow in the footsteps of all the alumni who have enhanced your student experience through gifts of time, talent, counsel, expertise and financial resources. Our goal is to continue to provide access and excellence in education, and you can help us to achieve that end. You are a part of our past, but also of our future. Please use some of what you have gained from your time here to help us continue to strengthen this great institution.

Congratulations and sincere best wishes!

Spring Break In Spain

From March 6-16, a group of 35 students and faculty from Suffolk visited Madrid and Barcelona during spring break. The group went on study excursions to the Monastery of Montserrat, the historical cities of Avila and Toledo, and visited the Picasso Museum in Barcelona and El Prado, as well as the Reina Sofia Museums in Madrid.

Spain '98 was sponsored by Dean Michael Ronayne and the Department of Humanities and Modern Languages. The group was lead by Spanish professor Alberto Mendez and Charles Giuliano, from NESAD. Spanish Assistants Raul Gonzalez and Maria Ortega acted as interpreters for the group.

MOVE IN DAY

Just before the semester began, 426 students moved into the Suffolk University Residence Hall. Student leaders were a great help in the process as many new students moved in just about everything they owned! The weather was better than last year (hurricane!), which went a long way in trying to make the transition as smooth as possible.

GEORGE'S ISLAND

Just a few minutes is all it takes to find yourself on a peaceful and relaxing island of your own. George's Island is one of the many harbor islands that provide a great day trip. You can visit historical sites, such as the civil war forts, or just take a walk on the beaches. Here's a look at some of the fun that Suffolk students experienced during their trip to George's Island. The trip was sponsored by the Arts and Humanities Club.

HALLOWEEN PARTY

October 31, 1997
The Program Council Party Committee transformed Sawyer Cafeteria into a graveyard complete with tombstones, spiderwebs, and a coffin (full of ice and soda!) Two hundred Suffolk students and guests dressed up and danced the night away. Best Costume went to Lee Steneken and Dan Mahoney as "keg and a cup." The lucky winners received a Quebec Ski Trip Package.

ACTIVITIES FAIR

The Annual Activities Fair was held during the first week of classes, traditionally known as Welcome Week. Kaplan/WBCN Study Break greeted students as they entered the Sawyer Lobby where vendors displayed their goods and services. Students received ski passes, gift certificates and movie posters, as well as many other items. The Sawyer Cafeteria was a bevy of activities with informational tables representing the 40+ student clubs and organizations on campus. Program Council sponsored fun photos and hair braiding, as Trivia Man, Morgan White, astounded audiences with his knowledge of television and music. The fair was an introduction to the many activities in which students could be involved in.

FAMILY WEEKEND

Family Weekend 1997 began on Friday, October 24 with stellar performances during the annual Fall Fest Variety Show. On Saturday morning parents attended workshops focusing on Career/Co-op Services, Study Abroad opportunities, and Financial Aid. The afternoon began with the Activities Expo, in which student leaders displayed the work of their clubs and organizations. Following later on in the afternoon was the Parents' Council Meeting and Residence Hall reception. The highlight of the day was an evening of entertainment at The 600 Club which overlooks Fenway Park. Families had a relaxing dinner just before the doors opened to the casino, where they enjoyed black jack, roulette, and slot machines. Ending the night was a musical performance by Shug Daddy, a jazz trio comprised of students. The Academic Convocation was at the Great Hall at Fanueil Hall on Sunday morning. Families were greeted by bagpipes and a welcome from President Sargent and members of the Suffolk community. It was the perfect end to an eventful weekend.

AT FALL FEST

As part of the many events that happened during family weekend, students, faculty and friends started it off with the Fall Fest Variety Show. The talent show featured a variety of performances which gave individuals a chance to express their talents, as they provided parents with a fun and exciting evening to start off their weekend.

ITALY IN A POSTCARD

On October 23, the Arts & Humanities Club brought a corner of Italy to the Fenton Lounge. A wide variety of Italian products gave the students and faculty a taste of Italy, while the display of beautiful color pictures and artwork enhanced the experience.

HOLIDAY TREE LIGHTING

December 3, 1997
"As the days grow longer, the need for light intensifies..." the celebration of light was the focus for the annual Holiday Tree Lighting, sponsored by Program Council. Presentations about Kwanzaa, Hanukkah, and Christmas were shared with the audience that gathered at Alumni Park. A dessert reception in the Fenton Lounge followed the event.

HOLIDAY PARTY

To celebrate the holiday season and the end of the fall semester, three hundred Suffolk students joined together for the annual Holiday Party. The event was held on December 5, 1997 at the Harborside Hyatt & Conference Center in East Boston.

FAMILY NIGHT

Family Night 1998 was held on Saturday, February 28th at the Boston Park Plaza Hotel. Students and family members enjoyed an evening of entertainment that featured a suspenseful and exciting murder mystery performance along with dancing.

FASHION SHOW

The Caribbean American Student Alliance (CASA) held its annual Fashion Show on Friday, March 6th in the C. Walsh Theatre. Designers from the urban Boston area provided the outfits which were worn by members of the Haitian Student Association, the Black Student Union, CASA, as well as by models from other Boston colleges.

The Fashion Show also included a talent component. The talent was provided completely by Suffolk students, with the exception of a professional African dancing performance. In addition to the professional act, the evening comprised of poetry readings, singing, and dancing to Hip-Hop and Reggae.

CULTURAL DIVERSITY

The vast cultural diversity present at Suffolk is just one of the many aspects that the University is proud of. The multicultural community of students, as well as staff members, provides an atmosphere where students can learn and understand the many cultures in order to survive in such a diverse society. Traditionally held during the third week of March, Suffolk celebrates its achievement in providing and maintaining a multicultural university where all are welcome.

JAZZ CONCERT

One of the many musical events which took place this year was the Shug' Daddy Jazz Concert; the first of a series of Shug' Daddy concerts sponsored by the Arts and Humanities Club. The concert, held in the Residence Hall, was one of the most successful night life events happening on campus. Composed mostly of Suffolk musicians this group played jazz, hip hop, R&B, funk, and soul music. The second concert of this series was even more successful than the first attracting 200 students to the event.

CLOTHING EXHIBIT

"The world history of clothing" was a colorful and exotic exhibit of fabrics from 40 different countries around the globe. Photographs of costumes from every historic period accompanied with brief explanations, informed visitors on the clothing traditions of the past. Twelve students from Suffolk were also draped in attractive clothing of delicate silks and gold woven Indian saris.

The event was held on April 2nd in the Fenton lounge. Delicious foods from all over the world were displayed, including China, Japan, Italy and France.

The Canvas

SUFFOLK CD PRODUCTION

For the first time in the history of Suffolk University, students had an opportunity to showcase their musical talents. "The Canvas" is a compilation of various styles of music such as jazz, r&b, alternative, rock, classical and latin.

The Arts & Humanities Club members were proud to sponsor and create this memorable CD. The entire production involved over 40 students and took less than 3 weeks to complete. Artistic talents were combined with managerial, business, and marketing skills. In spite of long hours and a limited budget, the final production of the CD proved to be a success.

SPRING BALL

On May 1, 1998, Program Council hosted its annual Spring Ball at the Harborside Hyatt, Logan Airport. Suffolk students danced the night away at this gala event while enjoying a breathtaking view of the Boston skyline. The Spring Ball was a memorable occasion for all who attended.

SUFFOLK STUDENT THEATRE PRODUCTION:

The Suffolk Student Theatre and Suffolk's Organization for Uplifting Lives through Service (S.O.U.L.S) established the "Good Person of Suffolk Award" in honor of the student production of *The Good Person of Szechuan*, directed by Professor Marilyn Plotkins, which was performed on April 1-4 at the C. Walsh Theatre. The two student groups were seeking, through written nominations an "unsung hero," who gives selflessly to their family, school and community and does not receive compensation for his/her community service. A panel of professors and students selected this year's good person - Jasmine Tullier - for her outstanding contributions within Suffolk as well as to the Boston community. Ms. Tullier was honored on stage before the opening night of *The Good Person of Szechuan*.

The Good Person

LEADERSHIP BANQUET

The Annual Leadership Banquet for the 1997-98 year was held on Thursday, April 23 at Suffolk Downs. Sponsored by the Student Government Association, the event recognized the contributions of students, faculty, staff and administrators to campus life at Suffolk. Not only were the awards enough to remember the evening by, attendees certainly will never forget the horrendous weather they encountered the night of this event.

SUFFOLK UNIVERSITY RESIDENCE HALL

The Residence Hall started its second year in providing room and board, with a record of 426 students on August 31, 1997.

Many successful events were held during the course of the year, including collaborative programs with faculty members on relaxation, photography and motivation; programs with other departments on campus, including health services, athletics, career services, student activities, counseling center and university police; and with the help of campus organizations, Residence Life presented two concerts and a comedian.

The Residence Hall also provided students with a computer lab, as well as video games, a billiard table and a large screen T.V. for everyone to enjoy.

NEW ENGLAND SCHOOL OF ART AND DESIGN

The New England School of Art and Design merged with Suffolk University in 1996 and has proven to be so successful that NESAD at Suffolk is now the fastest growing, most exciting place to study art and design in all of New England! The students benefit from the academic and extracurricular resources of the University, while retaining the exceptional professional faculty of artists and designers for which NESADSU has always been famous.

Humans are profoundly social, and their interaction depends on effective communication. There is a corresponding need for competent professionals who are qualified through education and experience, rather than intuition, to create our visual, aesthetic, and spatial realm on an international scale. That is the mission of The New England School of Art and Design at Suffolk University.

Women's Softball

The 1998 Suffolk Softball Team was composed of mostly underclassmen, as they struggled to a 12-21 record; missing a chance at the GNAC championship despite a strong showing in the league.

The Rams looked promising as they began their first game of the season in Fort Myers, FL with a win. Unfortunately, the team's youth and inexperience would come into play for the remainder of the week as Suffolk returned to Boston with a record of 1-9.

Suffolk did fare better in New England, finishing one game below .500 in games after Florida, and they almost made it to the conference post-season tournament as they tied for first in their division with a record of 7 wins, 3 losses. Yet Suffolk lost the tie-breaker game despite a good effort.

The season did end on a very positive note as Suffolk defeated a tough Curry team by a score of 2-1.

With the entire starting nine returning next year, it should be an exciting season!

Men's Baseball

The 1997-98 Baseball season was a successful one for the Rams, who posted a new school regular season record of 25 wins while only losing 11. The team earned the number one seed in the ECAC tournament, only to drop its first game 4-1 to rival Salem State. During the course of the year the team ranked as high as sixth in New England and chased an NCAA Tournament bid until its loss to Salem.

Big wins included triumphs over Division II Stonehill College, Amherst College, Bridgewater State College, Babson College and Salem State College.

Although graduation sees three pitchers leaving, who combined for 12 wins and 140 innings, the outlook for the 1999 season is promising with 17 of 23 players returning. All they need for next season is to recruit a number of pitchers who can step in and compete right away.

Men's Soccer

The Varsity Soccer Program compiled an overall record of 5 victories and 10 defeats. The team's seasonal accomplishments included a third place finish in the Curry Cup Invitational, along with a 4-to-3 victory against Framingham State, a 2-to-1 win over Wentworth College, as well as a season ending victory of 5-to-3 over Anna Maria College.

Practice facilities for the Varsity Soccer program revealed a greater stability this past season with the utilization of Murray Playground in the Brighton-Allston section of Boston, thanks to a cooperative arrangement with the Irish Football Association who held the permit to the field. With the donation of soccer goalposts, it assures the Suffolk Soccer Program of a longterm commitment for the use of the field.

At the end of the fall 1997 season, Coach George Silva announced he had accepted a soccer goalkeeper coaching position at Northeastern University. Although he will be missed, we are pleased that Mr. Andre Kayzakian has accepted the offer as Varsity Soccer Coach for the 1998 season.

The Women's Varsity Volleyball Team and its second year of competition ended quite successfully. The team of ten young athletes compiled a record of 18 wins, 3 losses and a second place Great Northeast Athletic Conference finish in the regular season.

Suffolk qualified as the second seed in the Conference Championship on October 24, 1997 at St. Joseph's College in Hartford, Connecticut. The team played Johnson & Wales University, the third seed, and lost an exciting match to a score of 1-3.

Throughout the season Suffolk surprised some established programs with close victories, such as Regis College, Mount Holyoke College, both by scores of 3-2, and a 3-1 victory over Rhode Island College.

Men & Women's Cross Country

The Intercollegiate Cross Country Program was a source of pride throughout the fall season, as both the Men's and Women's Teams expanded the number of competitors and witnessed both individual and team accomplishments. In particular, a second place team finish in the Regis College Invitational for the men and a third place finish in the same tournament for the women.

Most valuable Performer accolades were distributed for the women to Jackie Hackett, and for the men, to Stephen Infascelli. Coach's Awards were presented to Dan Burke, Karen McKetchnie and Shari Longstaff.

At the conclusion of the season, Head Coach Dan Picard informed the department that he was retiring from coaching in order to concentrate on his highly successful officiating bureau and at the same time, the rewards and challenges of his newly married life which took place in April of this year.

Men's Tennis

Men's Varsity Tennis concluded another successful season under Head Coach Levenson, with a final record of 4 victories and 4 defeats. The squad started the season in a most positive fashion with wins in their first three matches, but having to wait until their final season's match to have a 4-3 victory over Curry College in order to bring their season ending record to the 500 mark.

The inclement weather of this past April played havoc with their scheduling as four matches were lost to the elements. Once again The Charles River Park Indoor Tennis Facility served as home practice and game site for both the men's and women's tennis teams, providing a venue the envy of all the competitors.

Recognition was provided at the Awards Banquet to Co-Most Valuable Performers, Jackson Hall and Frank Nguyen, as well as a trophie to Rookie of the Year, Samir Banerjee and a Coach's Award to Tony Mirogiannis.

Women's Tennis

The Women's Varsity Tennis team struggled this past season under the burden of injury, illness, class conflicts and inexperience. Nonetheless, kudos are extended to Most Valuable Player, Liz Ringler, Rookie of the Year, Andrea Leishman and Most Improved Player, Tammy Sprague for their contributions throughout the season.

A return to the successes that this team accomplished as the Great Northeast Athletic Conference Champion two years ago is anticipated through conversations with Head Coach Richard Levenson. His confidence is bolstered through communication to the program for the forthcoming year.

Men's Basketball

Men's Varsity Basketball Team under the direction of third-year head Coach Dennis McHugh, compiled an overall record of 6 victories and 19 defeats. This victory total was less than expectations of all concerned and places greater emphasis on a more successful 1998-1999 seasonal record.

The previous year's second leading scorer, David Lynch, had his season end due to an ankle injury that happened after only five games, as well as a mobility limiting ankle injury for the rest of the year to play-making guard, James Buono. Both injuries proved unfortunate and disrupted the team's success this past year.

The season was highlighted by the outstanding play of its Co-Captain, Shona Mutambirwa. Mutambirwa became Suffolk's 18th player to score 1000 career points. Also receiving recognition for their outstanding contributions to the team were Jay Schnabel, an outstanding two sport athlete (baseball & basketball), who received the Coach's Award. Rookie of the Year awards went to Carmen Lorenzano and Jabez Miller, while Most Improved Award went to Kaleb Nicholas.

The team lost in the semi-finals to the later league champion, St. Joseph's College of Hartford, CT; a team they had defeated 88-72 two weeks previous.

Men's Ice Hockey

The Varsity Ice Hockey Team, under second-year Head Coach Mark McHale, completed a seasonal record of 5 victories, 19 defeats and 1 tie. Inconsistent goalkeeping and disciplinary suspensions were major factors in this team not fulfilling pre-season goals and objectives.

The program was fortunate to again have the opportunity to both practice and play home contests at the Walter Brown Arena on the Boston University Campus.

Recognition trophies provided at the Annual Awards Banquet went to Brett DePetrillo for the Coach's Award, Brian Magararu as Most Improved Player, Garvin McHale with a Heart and Desire Award, and a Most Valuable Player plaque was presented to Evan Crockford.

Annual Athletic Banquet

This year's Athletic Banquet was held at the Sawyer Cafeteria on Thursday, April 30, 1998. Team and individual members of the varsity sports teams were recognized for their performances throughout the season by the presentation of trophies and plaques.

The men and women of each sport were presented with awards such as "Most Valuable Player," "Most Improved Player," "Rookie of the Year," the "Coach's Award," "Leadership Award," "Player of the Year," and "Unsung Heroine."
