Dear [REDACTED]

Thank you for expressing your deep concern over recent police activity in South Boston.

On my last visit to Boston, I communicated sentiments similar to your own to Police Commissioner DiGrazia.

During our meeting together outside South Boston High School, I stated very strongly my beliefs about the effects the police were having in our community.

Commissioner DiGrazia thanked me and assured me that our views would be taken under consideration during future command deliberation over the role and volume of police activity in South Boston. He also apologized for any untoward police activity that occurred in this high stress situation.

Thanks again for sharing your thoughts with me on this vital matter.

Sincerely,

JOHN JOSEPH MOAKLEY
Member of Congress
