

United States Department of State

Washington, D.C. 20520

APR 13 1990

Dear Mr. Chairman:

I am responding to your March 19, 1990, letter to Under Secretary Kimmitt in which you specified the kinds of documents on El Salvador you wish to be made available to you. As Mr. Kimmitt noted in his March 16 letter to you, we wish to be as responsive as possible to your request, consistent with the constitutional responsibilities of the Executive Branch.

Please find attached a number of unclassified cables that we hope will be of use to you and the Task Force. We will be pleased to make available to you and other Members additional cables that contain classified information. We will make these documents available for your review, at a time and place of your convenience.

Some of these classified cables contain information originating with or concerning other U.S. government agencies; the State Department is requesting the necessary authorization to share them with you. These documents will be made available as soon as third-agency clearance has been received.

I hope this information proves useful to you.

Sincerely

Janet G. Mullins
Assistant Secretary
