Re: Salvadorean Coalition For Freedom
& Independence, Inc.

Dear Mr. Daglio:

It has recently come to our attention that the Salvadorean Coalition For Freedom & Independence, Inc. (the "Coalition"), may be engaged in activities which may require its registration pursuant to the Foreign Agents Registration Act of 1938, as amended, 22 U.S.C. 611 et seq.

Therefore, to assist us in our effort to determine whether the Coalition has incurred an obligation to register under the Act, it is requested that you respond to the following questions:

1. Is the Coalition directed, controlled, financed and/or subsidized in whole or in part by a foreign government, foreign political party or other foreign principal as defined in the Act?
2. If the Coalition is not financed and/or subsidized in whole or in part by a foreign government, foreign political party or other foreign principal, then how is the Coalition financed?

We are enclosing a copy of the pamphlet containing the Act and the rules and regulations promulgated thereunder for your use in responding to the above questions.
