

Dear Ms. Berry:

Thank you for ~~xxxx~~ notifying me of your concerns in regard to Chile, Ecuador, Argentina and the Phillipines. I am sorry for my delay in responding---however, my office has been literally swamped with mail this past month.

Ms. Berry, as I am sure you know, the Reagan Administration-- it would appear-- has scrapped the modest Human Rights policy that the Carter Administration had implemented. This is evident from the present Administration's ~~w~~ eagerness to sell arms to countries like Argentina, ~~a~~ <sup>Chile</sup> country which was unable to receive U.S. arms due to its severe Human Rights violations. A similar case can be made with all of the other countries that you mention.

~~XXXXXXXXXXXXXXXXXXXX~~

Please be assured that I will do what I can to stop the sale of arms to countries that oppress their peoples. ~~After all,~~ ~~xxxx~~ ~~countries that have no respect for Human rights are xxx~~ ~~about as foreign to American ideals as one can see.~~

and other countries that were formerly  
banned from receiving U.S. arms due to their  
horrendous human rights records. Certainly,  
all of the countries you mention, Ms. Berry,  
do not show acceptable human rights records.
