## 2019 Report Dedication

### Mary Barron

**It is an honor to dedicate this year's Town Report to Mary (Schulte) Barron.** Mary is a lifelong resident of Farmington who has served the community in numerous capacities throughout the years. After graduating Farmington High School in 1971, Mary went on to earn her Associate's Degree at Plymouth State University in 1973, the same year she married Butch Barron. She worked several years for Bayside Carbide until she began her present career of office manager at Barron Brothers Development Inc. She went back to complete her degree for Professional Studies at College for Lifelong Learning through the University of New Hampshire and graduated Summa Cum Laude.

Since the early 1990's Mary has volunteered and been elected to a variety of Town Official Offices: Town Moderator, School Moderator, School Board Member, School Treasurer and currently Ballot Clerk. She also has been on the Goodwin Library Board of Trustees, the 151<sup>st</sup> Memorial Day Parade Committee and the Dollars for Scholars Program.

For 30 plus years going back to the early 1980's, Mary was deeply involved with what is now the Farmington Town Players. Aside from helping with numerous aspects of the group, she was a performer and even wrote one of the scripts they performed.

In 2016, The Friends of Farmington was born thanks to many dedicated volunteers including Mary. To this day she continues her membership on the Board of Directors. When the Town was about to lose the downtown Christmas Lights and the Farmington Preservation Guild was formed to save the tradition, Mary volunteered her time and efforts and continues to do so.

In 1996 she received the Puddledock Press Person of the Year Award and in 2016 The Farmington Women's Club awarded their first Woman of the Year Award to Mary. Most recently, Mary has been putting her journalism degree to work by writing and publishing The Farmington Community News.

All of this is just the tip of the iceberg when it comes to talking about the loyalty and passion Mary has for this Town. What it comes down to is that Mary Barron represents that all-too-rare combination of thinker, doer, and achiever. She puts so much of her energy and love into this community that the two words 'Thank You' cannot even touch the gratitude we feel. We want Mary to know that behind those two words there are a million words of praise and appreciation for all she does and who she is.

Sincerely and Respectfully,

The Farmington Board of Selectmen

## 2019-2020 Town Elected and Appointed Officials

### **Board of Selectmen**

Paula Proulx, Chairman 2022  
Neil Johnson, Vice Chairman, 2022  
Ann Titus, 2020  
David Connolly, 2021  
TJ Place, 2021

### **Budget Committee**

Jodi Connolly, Chair, 2022  
Stephen Henry, Vice Chair 2020  
Sylvia Arcouette, Secretary, 2022  
Elizabeth Johnson, 2021  
Neil Johnson, BOS Rep  
Paula Proulx, Alt. BOS Rep  
Heidi Mitchell, 2020  
Jason Lauze, 2021  
Samantha Place, 2021

Elmer Barron, III, Chairman, 2021  
John Aylard, 2021  
Joseph Pitre, 2020  
Warren Morgan, 2020  
William Fisher, 2021  
John Scruton, Alternate, 2021

## 2019 Chairman's Report

Paula Proulx, Ann Titus, Dave Connolly, Neil Johnson, TJ Place

**Busy. Busy. Busy is how I would describe this past year.** The job of Selectman has not been easy this year. Money gets tighter and projects never cease to surface. Having said that, I would like to express my sincere gratitude to all department heads, employees and the Town Administrator for carefully expending last year's budget and creating the budget for this year.

**Revaluation.** One of the things that affected many people this year was the town wide revaluation. Selectmen must reappraise all real estate in the town so that assessments are at "full and true value" at least every 5 years by state statute. The listing and appraising of property is for tax purposes. The reason it is important is because each year the Town votes on the budget, the valuation of the Town is used to set the tax rate which in turn pays for the School, the Town and contributes to the state budget.

**Projects.** The water meter switch out went great! I would like to thank everyone involved for helping us get this done in a timely manner. New England Backflow Company did a good job working with our townspeople affected by the project. It was no small feat! We started with 1200 plus meters that needed to be installed and have less than 100 still needing to be addressed.

The update of the master plan for the Town is coming to a close. The Arnett Development Group worked closely with the UNH Cooperative Extension and our own group of citizens that made up the Downtown Revitalization Committee. To initiate more community involvement as a way to collect data, a public community forum was held and a community-wide survey was conducted. Both were well received! Data was collected and sorted. It will strengthen the resolve of our master plan as it is the tool we use to aid us in the application for grants. For this, I would like to thank the UNH Cooperative Extension, the Downtown Revitalization Committee and all our townspeople who participated in the community outreach.

## 2019 Chairman's Report

The search is on... the Board of Selectmen have been working with the Emery and Garret Company in the search for viable areas for a replacement well for well #4. The company conducts groundwater investigations, test drillings, and piloting to determine the best location for placement. We are researching and pursuing possibilities to ensure quality and quantity of water for the Town for years to come.

The solar array projects experienced more hiccups this year. A new company, Blue Planet, has taken over ownership of the solar project. There seemed to be some communication problems concerning the percent of completeness during the transfer of ownership that slowed down progress. Blue Planet has filed all the necessary paperwork and worked with the Department of Environmental Services to make substantial headway. It is believed that the Town should see construction begin as soon as possible.

Roads continue to be a concern of the Board. We have continued to add money in the budget for the maintenance and upkeep of our roads. We have taken a proactive approach by not only posting our outer roads when needed, but also, posting weight limits on our inner town roads. This was done after a lot of thought to help reduce the stress and wear from trucks that these roads were not designed to carry. Hopefully, it will allow more time for planning purposes.

**Ongoing and future projects.** The Board of Selectmen and the Town Administrator have been working diligently to get more properties back on the tax rolls. This year we were able to sell 5 more properties. Not only will it add \$119,100.00 back into usable revenue, it also adds the properties back into the mix to help pay for the budget. Another project the Board will be taking on will be a review of the transfer station and how we do business. A large increase in the budget this year came from heightened tipping and hauling fees. This is coupled with the problem of recyclable disposal worldwide. We will be considering our options and developing plans to continue to make our transfer station an affordable option for the Town.

**A quick thank you.** Thank you to our emergency teams, Fire and Police, for the great job they do for all of us. They operate in a difficult climate and always make us proud. A continuing thank you to the Farmington Preservation and Improvement Organization for their efforts with the banners, flags and Christmas lights. They remind us that our little town is special. Thank you to all of our volunteers who serve on boards, committees and nonprofit groups. Without your time commitments, the Town would be at a severe disadvantage. Thank you to the Town Administrator and the rest of my board. We have worked very hard to put forth a responsible and manageable budget this year. I hope our efforts have met your expectations. Lastly, I would like to thank all the residents of Farmington for allowing us to serve you. Hope your year is healthy and prosperous.

Respectfully submitted, Paula Proulx

**2019 Town Administrator's Report**

It has been a very busy 2019. Many things have happened. The Town completed a state-mandated revaluation. Through the hard work of the staff, for the first time the Town is now part of PRIMEX Prime. By working through this process, we are able to save over \$7,000 on the Town's total insurance cost. All of the lights in the Recreation Center have been upgraded to LED lighting which has greatly improved the lighting in the building and will also result in overall savings for the Town.

I want to thank all the staff for their hard work. It is through their hard work that again we have been able to limit tax impacts to the residents.

I look forward to an exciting 2020. Please feel free to stop in any time. My door is always open.

Respectfully submitted,

Arthur Capello, Town Administrator

**Article 01 Election of Officers**

To choose one Selectmen for three years, three Budget Committee Members for three years, one Treasurer for one year, one Trustee of the Trust Funds for three years, one Town Moderator for two years, and one Supervisor of the Checklist for six years. (Official Ballot)

---

**Article 02 Zoning Amendments**

To see if the Town will vote to adopt Amendment #1 as proposed by the Planning Board for the Farmington Zoning Ordinance as follows: (Official Ballot)

Amendment 1

To amend Zoning Ordinance Section 1.14 Definitions to add the following definitions: Abutter; Agritourism; Amusement Arcade; Amusement Park; Barn; Farm; Farmers Market; Garage, private; Gazebo/Pavilion; Gross Floor Area; Habitable Floor Area; Mixed-Use; Outdoor Recreation (low impact); Outdoor Recreation (high impact); Storage Shed; Vacant Lot; and Youth Recreation Camp; and to amend the following definitions: Accessory Dwelling Unit; Agriculture; Forestry; Principal Structure; and Principal Use. Copies of the proposed amendment are posted at the Town offices and on the Town website. A copy of the full text of proposed Amendment 1 will be posted at the polling place.

---

**Article 03 Zoning Amendments**

To see if the Town will vote to adopt Amendment #2 as proposed by the Planning Board for the Farmington Zoning Ordinance as follows: (Official Ballot)

Amendment 2

To amend Zoning Ordinance Table 2.00 (C) Table of Permitted Uses to add to, and to revise, the uses allowed in the zoning districts, and to add the following language to Section 2.00 (E)(1) Special Exception General Standards: "g) The proposed use is consistent in character with other Permitted uses allowed within the District where the use is proposed to be located and is consistent with the purpose of said District." Copies of the proposed amendment are posted at the Town offices and on the Town website. A copy of the full text of proposed Amendment 2

will be posted at the polling place.

---

**Article 04    Zoning Amendments**

To see if the Town will vote to adopt Amendment #3 as proposed by the Planning Board for the Farmington Zoning Ordinance as follows: (Official Ballot)

Amendment 3  
To amend Zoning Ordinance Section 2.05 Village Center District to add additional purpose statements, to revise space and bulk standards, including maximum net residential density, minimum lot size, to add a minimum unit size, and to add language governing uses that are prohibited on the first floor of new construction and redevelopment buildings within the Village Center District. Copies of the proposed amendment are posted at the Town offices and on the Town website. A copy of the full text of proposed Amendment 3 will be posted at the polling place.

---

**Article 05    Zoning Amendments**

To see if the Town will vote to adopt Amendment #4 as proposed by the Planning Board for the Farmington Zoning Ordinance as follows: (Official Ballot)

Amendment 4  
To amend Zoning Ordinance Section 3.16 Recreational Vehicles Parks or Campgrounds Section (B) to address storage of a single recreational vehicle on a lot, and to address temporary use of a recreational vehicle on a vacant lot, outside of recreational vehicle parks and campgrounds; and to strike and rewrite the definition of "Recreational Vehicle". Copies of the proposed amendment are posted at the Town offices and on the Town website. A copy of the full text of proposed Amendment 4 will be posted at the polling place.

---

**Article 06    Zoning Amendment**

To see if the Town will vote to adopt Amendment #5 as proposed by the Planning Board for the Farmington Zoning Ordinance as

follows: (Official Ballot)

Amendment 5  
To amend Zoning Ordinance Section 6.00 Accessory Dwelling Units to revise multiple parts of the Accessory Dwelling Units section to ensure compliance with state statute (RSA 674:71-73), to clarify the administrative process and the ADU requirements, and to allow detached ADUs upon satisfaction of certain conditions. Copies of the proposed amendment are posted at the Town offices and on the Town website. A copy of the full text of proposed Amendment 5 will be posted at the polling place

**Article 07    Zoning Amendment**

To see if the Town will vote to adopt Amendment #6 as proposed by the Planning Board for the Farmington Zoning Ordinance as follows: (Official Ballot)

Amendment 6  
To amend Zoning Ordinance Section 3.00 to include a new Section 3.04 to allow subdivision of a rear lot from a front lot, as defined in Section 3.04, upon satisfaction of certain conditions, in certain zoning districts. Copies of the proposed amendment are posted at the Town offices and on the Town website. A copy of the full text of proposed Amendment 6 will be posted at the polling place.

**Article 08    Plow Truck**

To see if the Town will vote to authorize the Board of Selectmen, as the governing body, to enter into a Seven (7) year lease/purchase agreement in the amount of \$137,867 for the lease/purchase of a new plow truck and to raise and appropriate the sum of \$21,788 for the first year's payment for that purpose. This lease/purchase agreement contains an escape clause. (Majority vote required).

NOTE: The Board of Selectmen will negotiate the interest rate on the lease/purchase as shall be in the best interest of the Town.

Selectmen Recommend: Yes (5-0) Budget

Committee Recommend: Yes (7-0)  
Estimated Tax Impact: .04

**Article 09 Pumper/Tanker Fire Truck and necessary fire equipm**

To see if the Town will vote to authorize the Board of Selectmen, as the governing body, to enter into a ten (10) year lease/purchase agreement in the amount of \$515,604 for the lease/purchase of a new pumper/tanker fire truck and to raise and appropriate the sum of \$57,258.69 for the first year's payment for that purpose. This lease/purchase agreement contains an escape clause. (Majority vote required).

NOTE: The Board of Selectmen will negotiate the interest rate on the lease/purchase as shall be in the best interest of the Town.

Selectmen Recommend: Yes (5-0) Budget  
Committee Recommend: Yes (7-1)

Estimated Tax Impact: .11

**Article 10 Operating Budget**

To see if the Town will vote to raise and appropriate the Budget Committee recommended sum of \$7,167,884 for General Municipal Operations. This article does not include appropriations contained in special or individual articles addressed separately.

Selectmen Recommend: Yes (5-0) Budget  
Committee Recommend: Yes (8-0)

Estimated Tax Impact .12

**Article 11 Department of Public Works Contract**

To see if the town will vote to approve the cost items included in the collective bargaining agreement reached between the Town of Farmington and the Teamsters local #633 which calls for the following increases in salaries and benefits at the current staffing level:

Fiscal Year	Estimated Increase
Fiscal Year	Estimated Increase

Fiscal Year	Estimated Increase
2020-2021	\$14,857
2021-2022	\$15,208
2022-2023	\$12,633

and further to raise and appropriate \$14,857 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. (Majority vote required)

Board of Selectmen Recommendations: Yes (5-0)  
 Budget Committee  
 Recommendations: Yes (8-0)

Tax Impact 2020-2021: .03  
 Tax Impact 2021-2022: .03  
 Tax Impact 2022-2023: .03

**Article 12 Reconsideration of DPW Contract**

Shall the Town of Farmington, if Article #11 is defeated, authorize the governing body to call one special meeting, at its option, to address Article #11 cost items only?

**Article 13 Police Contract**

To see if the town will vote to approve the cost items included in the collective bargaining agreement reached between the Town of Farmington and the NEPBA, Local #212 which calls for the following increases in salaries and benefits at the current staffing level:

Fiscal Year	Estimated Increase
Fiscal Year	Estimated Increase
Fiscal Year	Estimated Increase
2020 - 2021	\$16,689

To see if the Town will vote to authorize the selectmen to enter into a five-year lease agreement for \$15,330 (total 5-year cost for the purpose of leasing a Canon copier for the Municipal Office and Police Department, there is no payment due in 2020. This lease agreement contains an escape clause. (Majority vote required).

Selectmen Recommend: Yes (5-0) Budget  
Committee Recommend: Yes (8-0)

Estimated Tax Impact for 2020: .00

---

**Article 31 Sarah Greenfield Park Reserve Fund**

To see if the town will vote to establish a Sarah Greenfield Park Reserve Fund under the provisions of RSA 35:1-c for the purpose of maintenance, repair and upgrades of the Park to foster and encourage development of the lots within the Park and to raise and appropriate the sum of \$166,001 to be placed in this fund, said amount to come from "Fund 5 – Sarah Greenfield" and no amount to come from taxation. Further, to name the Board of Selectmen as agents to expend from said fund. (Majority Vote Required)

Selectmen Recommend: Budget Committee  
Recommend: No (4-4)

Estimated Tax Impact: .00

---

**Article 32 All other business**

To allow the Town to conduct any other business that may come before this body.

## 2019 Assessing Department Report

**The Assessing Office** is responsible for ensuring equitable assessments, which distribute the Town's tax burden in accordance with New Hampshire statutes. Assessments are based on the fair market value of property, and are applied in a fair, equitable, and consistent manner. The Town of Farmington contracts Avitar Associates of Chichester, NH to provide assessing services, and administrative duties are performed by the Assessing Clerk who is a Town employee.

**In 2019**, a Town-Wide Statistical Update was completed, and all property values in the Town of Farmington were updated to current market values. All property owners were sent a preliminary notice of their new value in July and had the opportunity to make an appointment with the Assessor to discuss their assessment, either in person or by phone. These informal hearings were held for 6 days from 7/31/19 to 8/7/19. If you would like more detailed information regarding the 2019 Revaluation, you can find it on the Assessing Department Page on the Town's Website, under "2019 Revaluation".

**Abatements:** If you disagree with your property's assessed value, you may file an Abatement Application after the final notice of tax (2<sup>nd</sup> bill in December) and prior to March 1<sup>st</sup>.

**Credits and Exemptions** are processed in the Assessing Department. The deadlines and basic criteria are as follows:

**Veteran's Credit:** Must meet applicable dates of service, have been honorably discharged & a NH resident for one year prior to application. Requires DD214. Application deadline: **April 15<sup>th</sup>**.

**Elderly Exemption:** Must be 65 years of age prior to April 1<sup>st</sup> & a NH resident for at least three years. Must meet income and asset limits. Single applicants cannot have more than \$30,000 in gross income; married applicants cannot have more than \$50,000 in gross income. Applicants may not have more than \$75,000 in assets. Application deadline: **April 15<sup>th</sup>**

**Other Exemptions:** The Town of Farmington also has an exemption for the Blind, as well as an exemption for Solar and Wood-heating systems. Contact the office for more information. New in 2019, the Town of Farmington voted at Town Meeting to increase the exemption for Solar Energy Systems to 100% of their assessed value. This exemption is not automatic – you must make an application to the Town prior to April 15<sup>th</sup> to receive this exemption.

**Current Use Program.** The NH Current Use Program went into effect in 1973. The Town of Farmington has over 250 properties enrolled in this program. Under Current Use, the land is assessed at its present use rather than its highest potential use, enabling landowners to keep their open space lands undeveloped. When land comes out of Current Use, a penalty is imposed. At this time, 100% of the Current Use penalties collected go to the Conservation Commission. If you have any questions about the Current Use program, please contact this office. Application deadline: **April 15<sup>th</sup>**.

## 2019 Assessing Department Report

**Online Assessing Data.** One of the benefits of our assessing software is the ability to view assessing data online. The website can be accessed through the Town's website on the Assessing Department's page. Log in as an Anonymous User, click on the Town of Farmington, and you will be able to search property values in town.

**Property record cards** can be viewed and printed from the public computer provided in the Assessing Department. I would also be happy to email a card to you or drop one in the mail if that is your preference. I would encourage every taxpayer to request a copy of their property record card to help us ensure that our information is accurate as it pertains to your property.

**Tax maps** are available here in the office, or can be viewed and printed from the Town's web site. We also have GIS online maps which can be accessed through our website on the Assessing Department's page.

**Contact Info for the Assessing Department.** I am in the office Monday – Friday from 8:00 am to 5:00 pm. Assessor is available by appointment. Phone: (603) 755-2789.

**2019 Tax Rate: \$22.24**

**2019 Equalization Ratio: 100.1**

**INDEPENDENT AUDITOR’S REPORT**

To the Board of Selectmen  
Town of Farmington, New Hampshire

**Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Farmington, New Hampshire, (the Town), as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the Town’s basic financial statements as listed in the table of contents.

**Management’s Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor’s Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

**Summary of Opinions**

<u>Opinion Unit</u>	<u>Type of Opinion</u>
Governmental Activities	Qualified
Business-Type Activities	Qualified
General Fund (major fund)	Unmodified

**Basis for Qualified Opinion on Governmental and Business-Type Activities**

The Town calculated the implicit rate subsidy for its OPEB liability related to healthcare costs on its health insurance in accordance with Governmental Accounting Standards Board, Statement 45 instead of Statement 75. The impact of the change in accounting pronouncement is not known.

**Qualified Opinion**

In our opinion, except for the possible effects of the matter discussed in the “Basis for Qualified Opinion on Governmental and Business-Type Activities” paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of the Governmental and Business-Type Activities of the Town of Farmington, New Hampshire, as of December 31, 2018, and the changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Unmodified Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the general fund and the aggregate remaining fund information of the Town of Farmington, New Hampshire, as of and for the year ended December 31, 2018 and the respective changes in financial position and, where applicable, cash flows thereof, and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matters**

*Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management’s discussion and analysis on pages 4-9, the Schedule of Funding Progress on page 49, the Schedule of Proportionate Share of the Net Pension Liability on page 50, and the Schedule of Contributions on page 51, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

*Other Information*

Our audit was conducted for the purpose of forming opinions of the financial statements that collectively comprise the Town’s basic financial statements. The combining schedule of nonmajor funds is presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining schedule of nonmajor funds is the responsibility of management and is derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, schedule of nonmajor funds is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

**Other Reporting Required by *Governmental Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated October 10, 2019 on our consideration of the Town's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town's internal control over financial reporting and compliance.

*Angel & company LLC*

Ashland, New Hampshire  
October 10, 2019

## 2019 Code Enforcement Report

In 2019 the Code Enforcement Department issued a total of 329 permits, which include building, electrical, plumbing, gas and mechanical. The total valuation of the permits was \$3,038,371.69 with the added square footage of 24,325 to the tax rolls. The fees generated for the permits amounted to \$64,035.50

The following table illustrates permit activity in 2019:

Permits Issued 2019	# Issued	Sq. Feet	Fees	Valuation
Residential New Homes	6	15,549	\$16,213.28	\$1,424,846.40
Manufactured (Mobile) New Homes	5	8,512	\$7,074.82	\$610,003.00
Residential Additions	2	436	\$661.40	\$23,000.00
Residential Remodel	20		\$8,276.48	\$424,126.00
Res. Garages & Sheds	23		\$14,356.00	
Res. Decks, Porches, Ramps	22		\$2,770.87	\$138,608.34
Above Ground Pools	3		\$75.00	
In Ground Pools	1		\$370.10	\$32,680.00
Commercial New Construction	1		\$5,848.00	\$296,500.00
Commercial Additions & Remodels	1		\$864.55	\$88,607.95
Certificates of Occupancy	29	23,889		
Demolition Permits	7		\$150.00	
Electrical Permits	91		\$3,100.00	
Gas Permits	63		\$2,700.00	
Mechanical Permits	20		\$800.00	
Plumbing Permits	30		\$650.00	
Sign Permits	5		\$125.00	
<b>TOTALS</b>	<b>329</b>		<b>\$64,035.50</b>	<b>\$3,038,371.69</b>

The Department also enforces housing and health violations, reviews all new Business Use applications for zoning compliance, and inspects all daycare and foster care licensees for compliance.

The Department would like to recognize Sarah Morse, the new Land Use Assistant, whom has taken on the enormous task of compiling all the Department's separate files into one file per Map & Lot, familiarizing herself with all of the Building Codes and Zoning Ordinances, as well as assisting the Town's new interim Planner, Mr. Kyle Pimental.

Sincerely,

Dennis P Roseberry  
 Bldg. Inspector/Code Enforcement Officer/Health Officer  
 Farmington, NH

*Dennis Roseberry and Sarah Morse*

## 2019 Conservation Commission Report

**Lawrence Fitzgerald, Richard Ballou, Michelle Elbert, Tom Sorensen, Laura Bogardus, Ann Titus, Randy Orvis**

The purpose of the Farmington Conservation Commission is to protect and promote the Town's natural resources and to protect the watershed resources of the Town, while fulfilling the mandates of RSA 36-A.

The Conservation Commission held our annual Spring and Fall Cleanups this year. Between the two cleanups we collected 2080 lbs of trash, on Bay Road, River Road, Cocheco Road and Spring Street.

Our student camper at the Barry 4-H Camp in Berlin this year was a 13-year-old student from Henry Wilson Memorial School. He came before the Commission's January meeting and presented his application essay. He wrote that he loves the outdoors because it is better than playing video/board games, that the sun is good for people, and camping is an adventure waiting around the corner. He said he has never been camping and that he thinks it would be a good experience for him. We agreed.

Thank you so much to Henry Wilson School Guidance Counselor Sarah Gould for her assistance in choosing a great candidate for camp! We love that we are able to provide this experience and we are always impressed with the students the school chooses.

The Commission has struggled this year with finding volunteers to help maintain the hiking trails established on our conservation properties (current trails exist on the French Property on Hornetown Road, the Town Forest on Bay Road and the McCarthy Trail on Main Street), but we are in the process of creating a trail maintenance group, which should help with keeping the brambles under control. That being said, we have seen a lot of activity on all of our conservation properties and are really very pleased they are being used! There also seems to be less trash disposal at the properties as well, which is very encouraging.

## 2019 Conservation Commission Report

We hosted a few forums this year, including discussions about beekeeping, timber harvesting, and moose. We are hoping to continue to provide informational forums and discussions on a variety of topics this year.

We are looking forward to 2020 and hope to add student members from Farmington High School to our team (we have openings for two students!).

The Conservation Commission meets in the Town Hall at 6:00 pm on the second Wednesday of each month, with the exception of March. New members (including students!), or alternates, are always welcome.

Respectfully submitted,  
Laura Bogardus  
Chair

**Hello Viewers of “FCTv 26” and Residents of Farmington**

It already is 2020 and it has been seven years since the last major update and with technology being the fast-changing industry that it is, major parts of the system have become obsolete and functionality into the future is limited. New equipment should have better functionality, The image will be HD it is now SD, more programming capability, updated graphics and more but it is still in the preliminary stage.

The number of hits on the online video on demand site “Viebit” has stabilized at 39,000 hits the same as last year. The most viewed meeting was the 2019 annual Town Meeting (965 hits) coming in at number two was a certain Board of Selectmen meeting (749 hits).

Bulletin board applications are available on the town website [www.farmington.nh.us](http://www.farmington.nh.us)  
You can either print out a copy fill it out and drop it of at the municipal office or e-mail it.

**Meeting Broadcast Schedule:**

Meetings are broadcast live and then re-played the next day at 1:00pm, 6:00pm (unless there is another meeting Live), and 11:00pm, and then the following day at 2:30am and 9:00am.

DVDs of the meetings are still available for viewing at the Goodwin Library

Request for DVD Recording of Public Meeting (still available for now)

The Town of Farmington Community Television can make a DVD copy of a Public Meeting which has been broadcast on Channel 26. There is a charge of \$10.00 per meeting. Please allow up to two weeks for each request. You will receive a call or email (please indicate which you prefer) when your DVD is available for you to pick up at the Municipal Office at 356 Main Street

## **FARMINGTON FIRE RESCUE DEPARTMENT**

160 Main Street  
Farmington, New Hampshire 03835  
603-755-2131  
Fax: 603-755-4238

**EMERGENCIES CALL 911**

**James D. Reinert**  
Chief of Department  
jreinert@farmingtonfd.net

The members of the Farmington Fire & Rescue Department continue to be dedicated professionals that serve the residents and visitors of Farmington. With their dedication, we responded to 1196 calls for service in 2019, of those calls 908 were EMS related and the remaining 288 were fire related. The income from our ambulance billing netted the town \$209,856.46 in total revenue.

Over the past year, the department has conducted life safety inspections in 107 different buildings; this includes 322 individual residential units, 11 oil burner inspections and 2 residential foster care inspections. We continue to invite the students from Valley View Elementary School to the public safety building during Fire Prevention Week. We were able to interact with over 320 students and provide them with valuable lifesaving information that they are able to take home to their families. We issued 717 seasonal campfire and brush permits throughout the calendar year. We continue to hold CPR classes free of charge to the taxpayers and have 62 new residents certified in valuable life saving techniques.

The dedication from all of the Fire Department members resulted in 25,890 hours worked and 3,056.10 training hours. I worked with the Town Administrator and the Board of Selectmen in developing a fiscally responsible plan to replace an out of service fire engine. If approved at Town Meeting, this new pumper/tanker will service the community for many years to come and help address our water supply issue in the rural parts of town. We have also been working on a new recruitment and retention campaign; I am excited to see the outcome from all of the hard work and dedication that the current staff has provided the department in this project.

Where we have so many dedicated and deserving people within our department, Lieutenant Eric Howarth was awarded the Chiefs Award for Excellence for 2019. Lt. Howarth continues to provide excellence in everything he does for our department and the Town of Farmington.

I would like to personally thank all of the residents for their continued support during the previous year, it does not go unnoticed. We at the Farmington Fire & Rescue Department strive to produce a professional and dignified resource to all of those that require our services.

Respectfully Submitted,

James D. Reinert  
Chief of Department

## 2019 Farmington Parks & Recreation Report

### **Special Events:**

**February 15, 2019-** The Annual Daddy Daughter Dance was a sell out; girls age 4-12 and their chaperones enjoyed a night out of dancing and games. Participants enjoyed a pasta bar and desserts prepared by the Recreation Department and received flowers from The Village Bouquet. Tickets to the Daddy Daughter Dance were \$25/couple and \$10/additional child.

**February 22, 2019-** The Mom/Son Activity Night was a great evening of individual and team competitions including dodge ball and tug of war (moms vs. sons). This year the gym was decorated with various black lights and participants were encouraged to wear bright clothes. The participants ate pizza from Farmington House of Pizza and had cake, cookies and ice cream for dessert. Tickets to the Mom/Son Activity Night were \$25/couple and \$10/additional child.

**April 19, 2019-** The Flashlight Easter Egg Hunt is a *free event* held at Fernald Park (rain or shine). This year we spread 4,000 candy filled eggs throughout the park and 300+ participants ran through with their flashlights and baskets collecting eggs.

**June 1, 2019-** Proceeds from the *Flock a Friend* benefited the Recreation Department's Hay Day Fireworks. During the month of June participants paid to have pink flamingos put on their friend's lawn for either one or two days at a time.

**June 22, 2019-** The Town Wide Yard Sale provides an opportunity for people to get publicity for their yard sale at a low cost. Each participant pays \$5 and the Recreation Department constructs a map with all their addresses on it. The maps are distributed throughout Farmington so thrifty shoppers can plan their yard sale hunt.

**July 27, 2019-** Family Day @ Fernald Park was held on a Saturday. The *free event* featured a performance by BJ Hickman, a "Touch a Truck" presented by Farmington's Fire, Police & Public Works Departments and family games. The Recreation Department sold concessions during the event; items sold included hotdogs, candy, popsicles, water and soda. The proceeds from our concession sales benefited the Hay Day Fireworks Fund.

**August 17, 2019-** The Recreation Department hosted its 38<sup>th</sup> Annual "Holiday" themed Hay Day. Hay Day is a celebration that includes adult and children's activities & entertainment. Saturday's schedule included games, vendors and of course the annual Bed Race. A new addition to this year's entertainment was the Midnight American's Band; the band played in the TD Bank Parking Lot and was very well received by the people in attendance. The Recreation Department's team won the Bed Race this year and gladly donated the cash prize to the second-place finisher; Sunday the Recreation Department hosted 55+ Senior Bingo.

The annual fireworks display had to be postponed until the following Saturday (8/24/19) due to a scheduling conflict. The band C-4 played leading up to the fireworks while the Recreation Department sold hamburgers, hot dogs, chips and soda to the people in attendance.

**September 25 & October 23, 2019-** The Recreation Department hosted a Flu Clinic sponsored by Cornerstone VNA. 25 people attended the events that most health insurances covered; if a participant did not have health insurance their flu shot cost \$40.

## 2019 Farmington Parks & Recreation Report

**October 26, 2019-** The Recreation Department celebrated its 6<sup>th</sup> annual Pumpkin Festival. 50 people attended the event, that featured pumpkin carving, crafts provided by the Goodwin Library, Friends of Farmington, the Farmington Woman's Club, Grace Community Church and concessions sold by the Recreation Department. The Farmington Fire Department provided a "Touch a Truck" in addition to a Sages Entertainment who performed tricks with balloons.

**October 31, 2019-** The Recreation Department hosted its annual Trick or Treat Parade. 250 people attended the *free event* that allowed children to dress in costumes and trick or treat with their parents at participating downtown businesses & organizations. The dip in attendance was attributed to the rainy weather conditions.

*Pictured left are Farmington Recreation employees preparing for the 2019 Trick or Treat Parade: Mackenzie Kimball, Travis Smith, Allison Bisson, Assistant Director of Recreation Alisha Randall, Megan Roche, Colby Conway & Director of Recreation Rick Conway.*

*Pictured right are Farmington Recreation employees preparing for the 2019 Trick or Treat Parade: Colby Conway & Gracey Chasse.*

**November 15, 2019-** The Recreation Department hosted its 8<sup>th</sup> Annual "Fowl" Shot Contest for Town of Farmington employees. The male and female participants that made the most free throws in one-minute won turkeys to share with their families for the holidays. This year's winners were John Langley from the Police Department (19 baskets made) and Antoinette Webster from the Police Department (13 baskets made). The Recreation Department provided raffle prizes that were available for participants that didn't win the grand prize.

*Pictured left are John Langley and Antoinette Webster from the Police Department.*

*Pictured right are members of the Farmington Fire Department preparing for the event!*

## 2019 Farmington Parks & Recreation Report

**December 6, 2019-** During the annual tree lighting ceremony, the Recreation Department and the Farmington Preservation & Improvement Organization (FPIO) served hot chocolate and deserts to over 300 participants. Participants enjoyed songs sung by Mrs. Schoonmaker's & Mrs. Huff's 1st grade classes and Ms. Russell's 6<sup>th</sup>-10<sup>th</sup> Grade Chorus. After the tree and downtown lights came on Santa Claus was delivered by the Fire Department; he walked through the crowd greeting families and handing out candy canes. This *free event* requires a complete community effort; the FPIO donated the tree in the center of town in addition to hanging the lights, the Public Works Department installs the tree, the Fire Department helps the Recreation Department decorate the tree and transports Santa Clause to the event while the Police Department provides traffic control.

*Pictured left are Recreation Staff after the Tree Lighting with Santa: Recreation Program Supervisor Elysa Braman, Colby Conway, Director of Recreation Rick Conway, Assistant Director of Recreation Alisha Randall & Gracey Chasse.*

### **Youth Programs:**

#### *School Year Programs:*

The After School Program for children in grades K-6 continues to be popular with parents and students. This program runs the entire school year; participants are picked up at the school by Recreation Staff and brought to the Recreation Department to participate in a variety of games, sports, crafts and special activities.

*Pictured right are the After School Program Staff: Mackenzie Kimball, Allison Bisson, Travis Smith, Megan Roche, Recreation Program Supervisor Elysa Braman & Gracey Chasse.*

In addition to the After School Program the Recreation Department runs February and April Vacation Camps. These camps attend a trip each day and lunch is included in the cost of the week. Some of the trips include: bowling, swimming, Blitz and Hilltop Fun Center.

#### *Summer Programs:*

The Recreation Department offers a Grades 1-6 Summer Camp. Campers attended 2-3 trips each week to state parks, pools and other attractions. During the "in house" days children spent time playing games and doing crafts organized by Recreation Staff. Camp ended its summer with a trip to the Funtown/ Splashtown in Saco, ME where they spent the day going on rides.

*Pictured above are Summer Camp Participants at the Fisher Cats Game Manchester, NH.*

## 2019 Farmington Parks & Recreation Report

The Recreation Department continued its Counselor in Training (CIT) program this year. Children age 13+ were eligible to apply for three open positions in which they worked with Recreation Staff planning and implementing summer programs on a volunteer basis. Each CIT had to complete an application, go through an interview process and once hired become certified in American Red Cross, First Aid and CPR. The goal of this program is to teach teenagers responsibility and to train future Recreation Employees. Children interested in applying to be a CIT the summer of 2020 should contact the Recreation Department in May.

*Pictured right are 2019 CIT's Gracey Chasse, Mateus Shockley & Kayden Adams with Rick & Colby Conway after winning the Bed Race on Hay Day!*

### **Adult/Senior Programs:**

In 2019 our Adult/Senior Programs consisted of 33 trips and activities in addition to 55+ Bingo on Wednesdays. Some of the trips that were offered were to: the Fryeburg Fair, Foxwoods, plays at the Winnepesaukee Playhouse, shopping trips and Lunch Bunches. The Recreation Department hosted three holiday meals (April, November & December) following 55+ Bingo. The meals consisted of sandwiches, soup ham, turkey, and all the fixings you would anticipate from a holiday meal; including desserts!!

The Recreation Department also introduced "Open Senior Hours" where the Recreation Department's conference room is open Monday's 10:30am-1:00pm (subject to availability) for adults 55+ to play games, do crafts, or just socialize and have coffee with their peers. Admission is free, donations will be accepted.

### **Acknowledgments:**

The Recreation Department is very grateful for the efforts of all their staff and volunteers for their work to fund the Hay Day Fireworks through fundraisers and donations. In addition to fundraising for the fireworks, volunteers assisted us in planning and implementing our other community events.

Another group that again went above and beyond this year for our community was Grace Community Church (GCC). On Wednesday evening's during the winter months' members of GCC serve free meals to the community in the Recreation Department's Gym.

I would also like to give a special thank you to all the businesses and organizations that continuously support our department through sponsorships and donations. Without your support, we would not be able to provide the quality programs and events that we do.

Respectfully Submitted,

*Rick Conway*

Rick Conway  
Director of Parks and Recreation

## 2019 Department of Planning and Community Development Report

The Town of Farmington Planning Board is made up of seven (7) regular members, appointed by the Select Board and includes one (1) Selectmen, to act as ex-officio member, with no power to vote. Typically, the Planning Board's role is to provide for the orderly growth and development of the municipality using their authority to review site plan applications for non-residential and multi-family housing, and the subdivision of land. Farmington's site plan regulations govern stormwater drainage, landscaping, parking, traffic circulation, fire safety, and other similar issues. While the Planning Board is also responsible for preparing and holding public hearings on proposals to adopt or revise the zoning ordinance, their only mandated duty is to prepare and, from time to time, amend the Town's Master Plan.

The Planning and Community Development Department welcomed two new employees this year. Kyle Pimental, a Principal Regional Planner with the Strafford Regional Planning Commission, was hired as the interim director of Planning and Community Development. His duties include maintaining regular office hours, technical reviews and applicant coordination, planning board and zoning board administration, and assistance with master plan development. Sarah Morse was hired as Land Use Assistant in April.

*Kyle Pimental and Sarah Morse*

Her position involves assisting the Planning and Zoning Boards and processing applications.

Over the past year, the Planning and Community Development Department, with guidance from the Planning Board, has accomplished several proactive planning efforts including:

- Working with the Town's consultant, ADG, to update the master plan. As part of this process a public engagement campaign was developed, which included a land use survey and a visual preference activity, that received over 700 total responses. This information will be used to inform specific recommendations within the master plan. The update process is expected to be finalized and adopted by the Planning Board in 2020.
- Preparing six proposed amendments to the Town's Zoning Ordinance. Proposed amendments included adding definitions, revising the table of permitted uses, changing bulk standards within the Village District, addressing challenges with recreational vehicles, clarifying the administrative process for accessory dwelling units, and allowing for rear lot subdivisions. Proposed amendments will be voted on by the public at Town Meeting in March, 2020.

Charlie King, Bill Fisher, Kyle Pimental, Neil Johnson, Bruce Bridges and Rick Pelkey

During 2019, the Planning Board reviewed a total of 24 applications, as follows:

Type of Application	# of Applications
Site Plan Review	15
Subdivisions	3
Boundary Line Adjustment	1
Voluntary Line Merger	5

Respectfully submitted,

Kyle Pimental

Interim Director of Planning and Community Development

The Town would like to note the passing of John Law. John was active in the community and served on the Planning Board and Public Safety Building Committee. His presence and service to this community will be profoundly missed.

# Farmington Police Department

**John P. Drury, Chief of Police**

160 Main St, Farmington, NH 03835

Office: (603) 755-2731

Dispatch: (603) 755-2231

Fax: (603) 755-9712

As we roll into 2020, 2019 had a lot of activity for the department. Officer Danielle Morin graduated the Police Academy in December of 2019. Officers continue to be trained for progression and diversity in the agency in hopes of positive officer morale and retention. We also hosted active shooter training in conjunction with SAU 61 at the Valley View School. This is something that we hope we never have to use, but is necessary to be prepared in this day and age. Officer Antoinette Webster has been assigned as the SRO and is working well with the schools.

We continue to promote many forums on recovery from addiction and continuing to work on Law Enforcement Assisted Diversion (LEAD) to divert adults who suffer from addiction to get them immediate help. All parties involved in the case must agree that this is the best course of action including the victim. Education of families and assisting people that are suffering from drug addiction continue to be a paramount goal. Getting people to be positive members of society cuts down on crime and promotes their good self-worth.

Our older cars in the fleet still are the 2007, 2012 and 2014 Dodge Chargers. We will be researching a new cruiser this spring in 2020, to replace one of the older cars with more than 120,000 miles on the odometer. This is paid for with the detail fund at no costs to the taxpayer.

We still have a drug take back box in the lobby of the Public Safety Building. It is available 24 hours a day for disposal of unwanted prescription medications. Stop by the lobby for more information.

As we continue doing our own prosecution work I am very pleased with the results. Providing a good service that is constantly in touch with the victims of misdemeanor and violation level crimes to get them restitution and making sure a fair and reasonable disposition is reached for all. This also provides progression for the officers and a way for them to see their cases through from start to finish. It makes our officers better investigators and teaches them a great deal more on how to reach a successful conclusion to a case.

The Public Safety Building is now nearly 3 years old and doing very well. We continue to give tours of the building and other towns are trying to copy it. We continue to host many trainings and meetings in the emergency operations center bringing a savings to the Town by not having to send officers out of Town.

Statistically this year: Total reported offenses were about the same as 2018. Subcategories: Crimes against persons was down by 4%. Crimes against property were down by 6%. Crimes against society were up by 3%. Motor Vehicle Stops were up over 35% from 2018. Arrests were down by about 17% from 2018 with 315. Traffic Accidents were down by about 13% with 124. Driving under the influence was down this year with just 9 arrests. The officers had a very busy year with about 10,272 calls for service in 2019. We were still able to accomplish many goals, such as increasing traffic enforcement and community policing all while being shorthanded as much as 3 officers for some of the year. We only had one officer leave the agency to return to the private sector this year for a family owned business. Two officers utilized FMLA for the birth of children and we congratulate the additions to their families.

It is a privilege for us to serve the Town of Farmington, but please remember YOU the Citizens of Farmington are our eyes and ears. Report anything you feel is unusual or suspicious to the agency at (603)-755-2231 or in an emergency just dial 911. Several residents this year did so, resulting in the arrest of some wanted people that were casing homes to burglarize them. Fortunately people called and we got some nasty people arrested and off our streets.

Sincerely,  
John (Jay) P. Drury  
Chief of Police  
Farmington New Hampshire

## 2019 Public Works Highway Department Report

**Ernie Morgan, Bob Gay, Gary Rogers, Will Cardinal, Eric Elliott, John Radcliffe and Aly Giovanelli**

Gary Rogers (Public Works Director) and Will Cardinal (Public Works Crew Leader) have worked industriously to preserve the infrastructure of this beautiful town and lead the team of hardworking individuals at the Public Works Department. In January 2019, an Assistant to the Director was added to the staff, Alicia Giovannelli allowing for more project delegation, community communication, and efficient tracking over many aspects of the department. Working in unison, they have dutifully continued their efforts to deliver extraordinary public service and preservation of our municipality. The crew in its entirety has been hard at work through all seasons and weather to guarantee safety and proper revitalization under their wide array of umbrella tasks. Through the planned as well as emergency situations they were faced with, they further proving to be a reliable and vital resource for the town's infrastructure.

In 2019, the Highway Department consistently worked to maintain and enhance our roadways, drainage infrastructure, as well as bringing our Cocheco Levee into acceptance by the Army Corps of Engineers. There was a lot of work done to achieve this goal and the team worked tirelessly to ensure that deliverables were met.

For 2020, we are looking to place attention to repaving the roadways on Ten Rod Rd as well as part of Meaderboro Road. We will still look to maintain the proper grading process as needed to maintain the 18 miles of dirt roads in our town. We are still using a liquid magnesium chloride which has proved since its implementation to be both cost and durably effective.

Sidewalks in this town are in need of attention and the department has budgeted to start to tackle this initiative. It will be an ongoing, but valuable project to start reviving the walkability as well as safe travels for our community. We want to be part of the regeneration in the downtown area, bringing both the beauty and safety to a higher standard. We have a quaint little town, which is in need of repairs and upgrades and we are devoted to seeing this happen, little by little as our resources allow for.

Ten Rod Road experienced our focuses same as last year in regards to the shim process on this roadway. This practice was put into place to provide a more level surface for travelers on this heavily engaged thoroughfare. This method helps to act as a filler to gaps that are subject to wear.

## 2019 Public Works Highway Department Report

This is very cost effective for this location, as it will help prolong the life of the road, while keeping the costs associated with maintenance at a minimum.

Some of our guardrails are in need of updating and/or replacement. This is another initiative that the department will be scheduling for the spring season. We have some areas in focus that are on the docket to be proactive in, focusing on upholding continuity and preventing accidents/dangers before they arrive. Meetinghouse Hill Rd, for example will have an update as that curve where the existing not compliant guardrail, is not up to code to ensure safety of our travelers and will be upgraded to avoid unforeseen circumstances. Again, this will be an ongoing initiative, to ensure that the department takes all steps to protect all who travel into our town lines.

This past summer, of 2019, we installed proper drainage with a culvert installation on School St, which has proved to be valuable to the area. We have noticed the area to be less impacted through the seasons with the build up of water in the roadways -creating a safer area for both the foot and vehicle traffic. We have worked to maintain the drainage systems in town, reducing the damage to the roads and hazards to traffic. This effort will continue in 2020, with replacement of some catch basins and culverts.

For the Winter season, The Public Works Department spent a noteworthy portion of our manpower during this time working nearly nonstop at times, to guarantee safe passage for our travelers. Our largest expenses came from a series of storms in January that followed into February which ended up being our most expensive month for as salt (351 yds), sand (730 yds), and mix (254 yds). It was necessary to consistently be treating and clearing the surfaces during this storm period to ensure public safety. We do not strive to maintain bare roads, as in temperature fluctuations with varying precipitation, this is actually unsafe. We leave a coating of snow on the roadways when rain is coming with temperatures set to drop, this confirms that the roadway will not become a sheet of ice, allowing for our treatments to stick and allow for gripping.

The Town Highway Garage has been drastically impacted with our ability to maintain our aging public works fleet, with the change of our small vehicle maintenance outsourcing. We have been successful in tackling larger maintenance tasks with new available resources at hand. We are looking to update our mature fleet in the near future as it has proven through the maintenance program that was implemented in 2019 that some of the vehicles have been consistently in for repairs and accumulating excessive expenses. Replacing the failing vehicles in the fleet will further the department's efficiency and capability to properly service the town's needs.

We once again look forward to further growth and in-depth methodology in the coming year, working to expand our expertise on processes in place as well as undertaking any that come our way, and surpassing the previous expectations of the responsibilities under the Highway Department's expansive responsibilities.

Respectfully Submitted,

Gary Rogers,

Public works Director

## 2019 Public Works Transfer Station Report

Thank you to everyone who came by and utilized the Transfer Station in 2019. We had a great year for refuse and recycling and have added one part time position to the staff to accommodate the growth in frequency. Our Transfer Station manager, Pete Spencer has done a brilliant job making sure to keep our costs as low as possible, but utilizing the cans to their fullest extent. Along with his team, he has kept the space clean, organized, and efficient which has definitely made a large positive impact.

Our community transfer station, runs as what you would call a pay-as-you-throw program (also known as unit pricing or variable-rate pricing), which means residents are charged for the collection of municipal solid waste—ordinary household trash—based on the amount they throw away. With our using of the PAYT program, the residents are charged a fee for each bag or pound of waste they generate, depending on what is being disposed of. Either way, these programs are simple and fair. The less individuals throw away, the less they pay.

*Steve Rutherford, Pete Spencer, Allan Makowski*

Regular household trash bags are currently \$1.50 per clear 33-gallon bag, anything larger than that size requires two stickers. Bulk, construction or demolition items, need to be weighed on our calibrated scale and cost \$0.08 per pound (example: 12.5 lbs. = \$1.00). You drive to the scale, meet with the attendant, weight gets recorded, you empty the vehicle and once again return to the weigh scale for final weigh and payment processing. Cash and checks are currently accepted payments, the facility does not have credit card processing capabilities at this current time.

Please note that cat litter is not accepted mixed with regular household trash. It needs to be in a separate bag or bucket so that the waste can be properly disposed of. Sharp items, for example hypodermic needles will only be accepted for refuse if it is accepted by an attendant, in a sealed container and labeled with cautionary regarding its contents.

The Transfer Station, has created a space to the right of entry, past where debris is collected, there is a composting pile. This is mixed and cared for with pride, for the free gathering of our residents use in their home gardens. This is a mixture of dry leaves, table scraps, wood chips, and other materials that are cleanly compiled to make a great garden feeder. Please help yourself, if you so wish.

The sale of scrap metal helps offset the cost of transfer station maintenance. Please make sure that you are throwing only metal items in the scrap metal dumpster. No electronics are allowed, and many appliances are mostly plastic and should not be placed in the scrap metal dumpster.

If you're unsure of any items you are looking to dispose of please ask a transfer station attendant – they are a wealth of knowledge and are delighted to help with any of your questions or needs.

Respectfully submitted,

Gary Rogers, Public Works Director

## Town Clerk-Tax Collector 2019 Report

Kathy Seaver, Patricia Sirrell, Jennifer Wolforth, Rebecca Dickie and Dozer the Office Mascot

**The Office of Town Clerk-Tax Collector** took in \$19,282,950.35 in revenues in 2019.

**Boat Registrations.** Anyone including all New Hampshire residents AND out-of-state residents who wish to register their boats locally can do so.

**Just a reminder that we have the capability to do debit and credit card transactions** over the counter for property tax, utility billing, dog licensing and motor vehicle registrations. We can also process credit or debit card transactions over the phone as well. There is a 2.75% transaction fee for credit cards. The debit card convenience fee is \$2.50.

**Election of town and school officers is Tuesday, March 10th** from 8:00AM – 7:00PM in the Town Hall Gymnasium. Town Meeting is Wednesday, March 11th at 7:00PM in the Town Hall Gymnasium. Remember, the town voted to adopt SB2 for the form of voting on the School District budget. The School District Meeting deliberative session was February 1st at 9:00AM at Farmington High School. The results of the deliberative session will be on the ballot on March 10th. Be there and make your vote count.

**Dog licenses are available.** Remember your dog's current licenses expire on April 30, 2020. On June 1st a penalty of \$1.00/month is added to unlicensed dogs. After June civil forfeitures of \$25.00 will be issued through the Farmington Police Department.

**EB2GOV.** We are now able to transact motor vehicle renewals, dog license renewals and vital records requests on-line at [www.eb2gov.com](http://www.eb2gov.com). If you need to know how much your renewal OR new vehicle purchase will cost to register, you may also go to EB2GOV and use the "estimator". You can also access this feature by going to the Town of Farmington Web Site and clicking on The Citizen Action Center. We hope to add other services in the near future.

**Remember we are open on Thursdays from 8:30AM to 7:00PM, BUT** close on Fridays at 12:30PM. This has worked well to provide customers with after work hours to come in and conduct their business.

Respectfully submitted,

Kathy L. Seaver, Town Clerk/Tax Collector

**Deputy Town Clerk/Tax Collector Becky Dickie**

**Ballot Clerks Lynn Fuller & Dottie Bean**

**Ballot Clerks Lynn Fuller & Kathy King  
(missing from photo is Michelle Forest)**

**Ballot Clerks Jane Longchamps & Joel Chagnon**

**Supervisors of the Checklist Stephanie Roux, Rick Pelkey  
& Esther Parshley**

**Ballot Clerks Debra Kennedy & Mary Barron**

**Selectmen Neil Johnson, Dave Connolly & T.J. Place  
(Missing from photo are Paula Proulx & Ann Titus)**

**Deputy Town Clerk/Tax Collector Becky  
Dickie & Town Moderator Michael Morin**

**Supervisor of the Checklist Stephanie Roux &  
Town Clerk /Tax Collector Kathy Seaver**

## 2019 Water and Wastewater Reports

**Jason Forbes, Steve Belanger, Chuck Tiffany, Paul Cameron, Steve Deinstadt**

**Water Department:** In 2019, the Water Department completed several upgrades all while causing very little disruption to residents' water usage. On Hickory Court we replaced over 300 feet of the old 2-inch galvanized water main with new stock up to residents' curb gates. We also installed a new yard hydrant at the end of the Street. Four other outdated fire hydrants were replaced with new hydrants in various locations in Town. These new hydrants will better serve the Fire Department and the Town residents.

Other projects in 2019 included the installation of a new Telemetry System for wells 4, 5 & 6. This upgrade transformed the system from a telephone line to a cable line. Several leaking water mains, hydrants and services line were repaired. We also replaced eight emergency curb gate services and five main gate boxes that were in disrepair. We are very close to completing the new water meter exchange.

The Water Department was awarded a grant From New Hampshire Department of Environmental Services for a complete Water Leak Detection Survey on 100% of the Town's water mains and hydrants at zero cost to the taxpayers.

Over the course of the year the Town used 95,346,000 gallons of clean, safe, drinking water from our 2 primary water wells. We continue to work with groundwater consultants Emery & Garrett Groundwater Investigations, LLC, towards the replacement of Well #4.

**Wastewater Department** In the past year, the Wastewater Treatment Facility (WWTF) treated over 88 million gallons of wastewater collected by the Town sewer system. 175,208 lbs. of suspended solids (97.8%), 185,379 lbs. of biological oxygen demand (97.5%), 30,022 lbs. of nitrogen (98%), and 4,105 lbs. of phosphorus (78.9%) were removed from the wastewater before

## 2019 Water and Wastewater Reports

the treated water was then discharged back into the ground as groundwater recharge. 618,980 lbs. of wastewater solids (sludge) was disposed of at a cost of \$46,046.69. Additionally, 1,034,100 gallons of septage from Farmington and surrounding communities were received and treated at the WWTF.

The Farmington Wastewater plant is still partnered with New Hampshire Environmental Services (NHDES) on a pilot program to try and reduce the cost of phosphorus removal at Wastewater Treatment Facilities (WWTFs). Phosphorus in water leaving WWTFs can cause out of control algae blooms and other harmful effects on rivers and streams across the state. Traditionally, chemicals have been added to wastewater in order to remove the phosphorus before it gets to the rivers and streams. Through the partnership with NHDES, we are hoping to learn how to operate our WWTF in such a way that the microorganisms (bacteria, etc.) that remove the other stuff in wastewater will also start removing the phosphorus. If we can get the microorganisms to do the work for us, that could potentially save WWTFs across the state many thousands of dollars each year in chemical costs. So far, results have been promising and we look forward to continuing to work with NHDES in 2020. Also, in 2019 the Wastewater Department replaced all seven of the old worn out sewer manholes going down the whole length of NH Route 75 (Elm Street.) prior to paving by the State of New Hampshire Department of Transportation.

We look forward to continue serving the residents of Farmington in 2020 by maintaining your water treatment and distribution system and wastewater treatment plant.

Respectfully submitted,

Charles Tiffany

Water Wastewater Superintendent

## 2019 Welfare Department Report

The Welfare Department has continued to strengthen its partnership with other local agencies to provide care and on-going services for clients. The Town has seen some sharp increases in rents, which has put people in some tight positions. The Welfare Department has worked with clients and landlords to keep families in their homes or to find affordable housing when needed. We have found permanent housing for 3 families that had been staying in local shelters and provided assistance to more than 40 Farmington families/households.

The Welfare Department strives to find alternatives and provide assistance that is unique to each situation.

**The following statistics show expenditures for 2019:**

Electric	\$1,170.65
Burial/Cremation	\$1,000.00
Motel	\$2,799.00
Gas	\$300.00
Oil	\$249.00
Homeless Shelter	\$2,260.00
Rent	\$14,376.00
Other	\$400.00
Total Expenditures	\$22,611.55

Respectfully submitted,  
Erica Rogers, Welfare Director

## 2019 Zoning Board of Adjustment Report

**William Fisher, Elmer (Butch) Barron, Warren Morgan  
(missing from the photo are John Aylard, Joseph Pitre, John Scruton)**

The Town of Farmington Zoning Board of Adjustment (ZBA) is made up of five (5) regular members, which does not include one (1) alternate, appointed by the Select Board. The ZBA has the authority to act in four separate and distinct categories including: appeal from administrative decision, approval of special exception, grant of variance, and grants of equitable waivers of dimensional requirement. It should be noted that the ZBA does not have authority over decisions of the Board of Selectmen or enforcement official on whether or not to enforce the ordinance. The Board does have the authority to hear administrative appeals if it is alleged that there was an error in any order, requirement, decision or determination made by the official. The ZBA also has the authority to hear administrative appeals of decisions made by the Planning Board, which are based on their interpretation of the zoning ordinance.

During 2019, the Zoning Board of Adjustment heard nine (9) cases brought forth and reviewed as follows:

Type of Application	# of Applications
Special Exception	4
Variance Request	5

Respectively submitted,

Kyle Pimental –

Interim Director of Planning and Community Development

## 2019 Comparative Statement

	Budget Category	Appropriation	Receipts &	Total Available	Expended & Encumbered	Unexpended Balance
			Reimbursements			
4130	<b>Executive</b>	\$ 280,579.00		\$ 280,579.00	\$ 293,808.35	\$ (13,229.35)

## Tax Commitment Verification

### 2019 Tax Commitment Verification - RSA 76:10 II

Description	Amount
Total Property Tax Commitment	\$12,140,279
1/2% Amount	\$60,701
Acceptable High	\$12,200,980
Acceptable Low	\$12,079,578

If the amount of your total warrant varies by more than 1/2%, the MS-1 form used to calculate the tax rate might not be correct. The tax rate will need to be recalculated. Contact your assessors immediately and call us at 603.230.5090 before you issue the bills. See RSA 76:10, II

<b>Commitment Amount</b>	
Less amount for any applicable Tax Increment Financing Districts (TIF)	
<b>Net amount after TIF adjustment</b>	

**Under penalties of perjury, I verify the amount above was the 2019 commitment amount on the property tax warrant.**

## Requirements for Semi-Annual Billing

### Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

Farmington	Total Tax Rate	Semi-Annual Tax Rate
Total 2019 Tax Rate	\$22.24	\$11.12

## Fund Balance Retention

<b>Enterprise Funds and Current Year Bonds</b>	<b>\$973,384</b>
<b>General Fund Operating Expenses</b>	<b>\$15,372,580</b>
<b>Final Overlay</b>	<b>\$10,499</b>

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

## ***Greetings from your GOODwin Library!***

The Goodwin Library had another great year with focus on our patrons, programs and services as well as much needed improvements to our collections and building.

Many of the changes in the last few years were taken with the deliberate intention of improving our services while tightening our belts without sacrificing quality of our many programs, outreach and initiatives.

This year many physical improvements were made to the building, most importantly an ADA accessibility lift, located across from the Adult Circulation desk, to the Community room directly above. We can now hold programs for all in this beautiful space that has been underutilized for years!

Other improvements include Installation of a mini-split in the Community Room, and cleanup of the library grounds including starting a pollinator garden dubbed "Butterfly's Garden".

We also started assessing our storage needs and have plans in place to maximize what little space we have. More on this next year!

The **STATISTICS** below reflect the patron usage and demand of Goodwin Library for the year 2019:

- Cards Created (includes renewals) – **799**
- Circulation of materials – **29,664**
- Money patrons "saved" by checking out items at the library - **\$ 342,011.02** \* *Cost of materials if purchased*
- Reference Questions – **4,551**
- Computer Use (sessions) – **3,443** (633 Children's lab and 2810 Adult's lab)
- Number of Programs -**34 programs/187 sessions** (115 Children's/Teen **sessions**, and 72 Adult **sessions**)
- Program Attendance – **6,240** (4,670 Children's/Teen, and 533 Adult)

In addition to maintaining patron services, the library staff worked diligently to enhance our programming and outreach to our patrons and the community. **All of our programs are free and open to the public.**

### **Programming HIGHLIGHTS:**

- **One-on-One Computer and Device Classes:** Due to the diversity of technology needs in the community, the library continues to provide one-on-one computer or device training to patrons. **Appointments are required.**
- **Community Cinema:** Each month the library invites the community to view (mostly) newly released movies. We provide the popcorn; you provide the camaraderie and laughter!
- **Homesteaders:** This monthly program focuses on teaching skills that range from gardening to ice cream making, or a make and take craft. Many local donations of materials, as well as time, keep our costs low.
- **Polar Express Event:** A much anticipated and beloved community event. We celebrate the magic of Christmastime through stories, caroling, hot cocoa and yummy baked goods, as well as a craft to take home
- **Story-time Sessions:** Reading aloud to children enhances their vocabulary and improves their ability to read. The group setting can also help children develop social skills. Our librarians engage the children with age appropriate read-aloud stories, songs, crafts and activities.
- **1000 Books before Kindergarten:** A nationwide early literacy initiative to encourage parents and caregivers to read aloud to children. We offer incentives for levels of completion up to and including achieving 1000 books read!
- **Summer Reading Program:** The library hosts a free Summer Reading Program (SRP) for youth and families to encourage reading year-round. It is our biggest event of the year! We received two grants: The Kids, Books and Arts (KBA) grant that helped us to bring children's musician, Mr. Aaron, to perform at our SRP kickoff and the Children's Literacy Foundation (CLiF) Summer Reader's Grant, which allowed us to host storyteller Simon Brooks and award **2 brand new books** to each child who attended. We are extremely grateful to area businesses who donated prizes that were awarded to participants who met their reading goals.
- **"Little Free Libraries"** project has expanded to 12 locations around town. Be on the lookout! Donated books are labeled, and sent off to the various locations. Over 2,000 found new homes this year!
- **Other popular programs** included Messy Art Night, Book Groups and the newly relaunched Knitting/Crocheting Group.

### **Other HIGHLIGHTS:**

- We participated in Henry Wilson Middle School STEM night, HWMS Health and Wellness Fair, Valley View Open House, Rec. Department Pumpkin Festival, Family Day, and Trick or Treat Parade, and hosted 3<sup>rd</sup> grade visits (where the children get to tour the Museum as well) to encourage children to use our library.
- We received a telescope from the NH Astronomical Society (lendable)
- We completed our picture book project creating "neighborhoods" that group picture books by topic.
- Staff training highlights: Youth Mental Health, Mother Goose and Yoga Story Times, STEAM workshop, Early Literacy/Early Learning, and Using Social Media for Libraries.
- Hosted 2 TRRE interns (Teacher Residency for Rural Education) throughout the summer!
- Families with children going into kindergarten were presented with an opportunity to attend our "Kindergarten Meet and Greet" and all homeschoolers were invited to attend our "Home-school Meet and Greet".

**The Friends of the Goodwin Library** fundraisers benefit the Library and thus, our patrons! The Friends purchase items or provide services our budget does not cover. In 2019 our Friends group funded **several passes that offer free or reduced rate entry for our patrons**; They also funded Poet's Tea prizes, Heritage Quest genealogy database, and our Movie License! Our Friends group also generously provided delicious baked goods for several of our events. **The Friends seek new members! For more information call the library at 755-2944, option 2 or stop in!**

We are able to provide these and many more programs and services only with the support and participation of the people and the community of Farmington, as well as area businesses, town departments and nonprofits including: Farmington Police and Fire, Farmington School District, Farmington Historical Society, New Hampshire State Library, Rochester Area Librarians, UNH Cooperative Extension Service, VITA Tax Prep, ServiceLink, Goodwin Community Health, Community Action Partnership, FCC Food Pantry, Barnes and Noble, Crowley's Variety, Studley's, Butternut Farms, Piscataqua Landscaping, and many more!

First Row: Pam Groat, Donna Swett, Kayla Morin-Riordan.  
Back Row: Logan Barrett, Tami LaRock, Patience Taylor, Joyce White  
and Moriah Saddler. Missing: Linda Seaward, Lindsay Bolton.

The Goodwin Library is presided over by a Board of Trustees with a constitution and bylaws dating to the 1890's. Although the Trustees govern, manage, and have custody of the library, it is primarily supported financially by the Town of Farmington. Therefore, the Goodwin Library strives to provide quality services and resources to the community, while cautiously spending and using the funds available in a responsible manner. The library is able to do this because of staff teamwork, volunteer hours, support of the Friends group, donations by local businesses and updated processes and procedures; all of which contribute to increased efficiency. The library proves to be a valued institution in the Town of Farmington, so the Goodwin Library appreciates the support for past years and the years to come by the Selectmen, Budget Committee, and the community.

In closing, the Goodwin Library would like to extend an invitation to all people who live, work, or own property in Farmington to visit us and sign-up for your free library card. For more information, please stop in or contact us at 603.755.2944 or [circulation@goodwinlibrary.org](mailto:circulation@goodwinlibrary.org). We are open M/F 10am to 5pm, T/R 2pm to 8pm, and Sat 10am to 2pm.

On behalf of staff and myself, we look forward to welcoming all new and returning patrons into the library family, and invite the public to come "Check us out!"

Looking Forward,

Tami A. LaRock, Library Director.

Established by state legislation in 1969 the regional planning commissions serve in an advisory role to local governments and community organizations. Strafford Regional Planning Commission's (SRPC) mission is to assure that the region is responsive to the needs of its residents through cooperative actions with municipalities and federal and state agencies, through the implementation of regional plans, and through local planning assistance. The Commission's professional staff provide transportation, land use, economic development, hazard mitigation, water, public health, and natural resource planning services; geographic information services (GIS); data collection and analysis; facilitation; and project management.

### **2019 Accomplishments:**

(Value of each service provided at no additional cost to the town is included in parenthesis)

- Conducted 4 traffic counts to support local and state planning efforts. (\$600)
- Provided the town with contract planning services including the following:
  - Reviewed roughly 15 site plan and three subdivision applications for consistency with Town regulations, and prepared recommendations to the Planning Board. Coordinated review and comment by other Town departments and permitting agencies.
  - Supported the Zoning Board of Adjustment regarding several variance and special exception requests.
  - Provided general customer service and pre-application meeting support to potential applicants.
  - Prepared potential zoning amendments with the Planning Board that included adding definitions, revising the table of permitted uses, changing bulk standards within the Village District, addressing challenges with recreational vehicles, clarifying the administrative process for accessory dwelling units, and allowing for rear lot subdivisions.
- Completed a downtown parking study for the town in conjunction with the UNH Planning Department. (\$10,000)
- Provided support and technical assistance as the co-chair of the board of directors for Explore Moose Mountains, an initiative to promote Brookfield, Farmington, Middleton, Milton, New Durham, Wakefield, and Wolfeboro. (\$4,050 for all six communities).
- Completed an update to the town's tax maps.
- Created a series of engaging outreach posters and maps in preparation of Arnett Development Group's efforts to update the Town's Master Plan.
- Ordered *New Hampshire Planning and Land Use Regulation* books for local land use boards. (\$137)

### **2019 Regional Accomplishments:**

- Received program funding for Strafford Economic Development District from the Economic Development Administration (EDA).

- Earned the 2019 Source Water Sustainability Award at the New Hampshire Department of Environmental Services Drinking Water Conference.
- Received funding from the Environmental Protection Agency (EPA) to continue the Strafford Economic Development District's Brownfield program.
- Earned the 'Excellence in MPO coordination and partnership' award from the Association of Metropolitan Planning Organizations (AMPO).
- Completed regional co-occurrence maps which helps identify the presence of multiple key natural resources-based criteria important for conservation.
- Drafted a recreation inventory map for each regional community for the Pathways to Play project.

**Goals for 2020:**

- Assist with the final adoption of the master plan.
- Review request for proposal document for downtown redevelopment of the fire department lot.
- Investigate potential funding sources to assist with implementation of economic development committee goals.
- In 2020 SRPC will update the regional Long-Range Transportation Plan, Comprehensive Economic Development Strategy, and Housing Needs Assessment, providing valuable information and data for local planning efforts.

**Commissioners:**

- Randy Orvis, William Fisher

We deeply appreciate the Town of Farmington’s ongoing support of Cornerstone VNA, your local independent nonprofit visiting nurse association serving Strafford, Belknap, Carroll and Rockingham Counties in NH and York County in ME. Being mission driven, we are committed to bringing services *to people of all ages regardless of their ability to pay*, so that families can stay together at home, even when facing the challenges of aging, surgical recovery, chronic or life-threatening illnesses or end of life care. We provide advanced care at home through five programs: **Home Care, Hospice Care, Palliative Care, Life Care-Private Duty, and Community Care.**

With an increasing number of people receiving care at home, no matter the degree of their illness, the level of skill needed to care for patients is very important. As a result, Cornerstone VNA continues to invest in certifying our clinicians and providing advanced technology, such as Telehealth, to meet the needs of our patients. Although our industry is faced with ongoing challenges due to changing payment models, the aging population and the shortage of health professionals, funding from local towns helps Cornerstone VNA continue serving residents while working to meet those challenges. We are pleased to highlight several accomplishments and achievements over the past year:

- Most notable has been the growth of **Palliative Care**, a program that provides specialized medical care for people with a serious illness, with a focus on providing symptom management and patient education. Although Palliative Care is underfunded, Cornerstone VNA believes in this program because it provides improved quality of life and decreases the need for emergency room visits or re-hospitalizations. A third Nurse Practitioner was added in 2019 to meet the growing demand for this important program.
- Our Hospice and Palliative Care Director, Kelly Doherty, RN-C, MSN, ARNP-BC, ACHPN, successfully achieved **Certification in Hospice and Palliative Care for the Advanced Practice Registered Nurse**. Ms. Doherty is one of only twenty certified palliative care nurse practitioners in the State of New Hampshire.
- To further support family caregivers, we added a third monthly **Caregiver Café** in Alton, which is in addition to our Caregiver Café groups that meet at the local libraries in Farmington and Newington.
- In 2019, over 60 **volunteers** gave 6,000+ hours of their time as balance coach, companion, pet companion, senior companion, caregiver café facilitator, outreach, event, board, office, pet peace of mind, and hospice volunteers.
- 2019 Awards and Recognition
  - Business NH Magazine 2019 Health Care Business of the Year
  - Greater Barrington Chamber of Commerce 2019 Business Leader of the Year
  - Best of the Seacoast Award Winner, 2019 Best Home Health Care
  - 2019 Telehealth Honors awarded to Anne Carle, RN by Health Recovery Solutions
  - 2019 HomeCare Elite Top Agency

It is our privilege provide trusted, compassionate and expert health care to members of your community and we are pleased to share the number of visits by program in **2019**.

Service	Town of Farmington	Strafford County	Total Agency
Home Care/Perinatal	5071	44,637	57,517
Hospice Care	483	14,629	17,983
Life Care/Support Services	948	7052	7806
Palliative Care	19	495	639

The impact of your support is significant. Your continued investment in our organization enables us to provide care to your residents, regardless of their ability to pay for services and to purchase special equipment for patients in need. Along with access to care, your support funds free community clinics, patient education and allows us to launch innovative program and services. We encourage the residents of Farmington to call Cornerstone VNA at 800-691-1133 if they have any questions. We are here to help you or your loved ones receive expert care at home. Thank you once again for your generous support.

Respectfully,

*Julie Reynolds*, RN, MS, Chief Executive Officer

## **BOARD & COMMITTEE MEETING SCHEDULE**

**Board of Selectmen  
Mondays at 6:00 PM**

**Budget Committee  
4<sup>th</sup> Wednesday of the month at 7:00 PM**

**Capital Improvement Committee  
1<sup>st</sup> Thursday of the month at 6:00PM**

**Conservation Commission  
2<sup>nd</sup> Wednesday of the month at 6:00PM**

**Economic Development Committee  
2<sup>nd</sup> Tuesday of the month at 6:00PM**

**Planning Board  
1<sup>st</sup> and 3<sup>rd</sup> Tuesday of the month at 6:00PM**

**Trustees of the Trust Funds  
3<sup>rd</sup> Thursday of the month at 6:00PM**

**Zoning Board of Adjustment  
1<sup>st</sup> Thursday of the month at 7:00PM**

*Please note that meeting dates and times are subject to change and additional meetings may be scheduled as needed. All meetings are held in the Selectmen's Chambers at 356 Main Street unless otherwise posted.*

*You can view a list of upcoming meetings and agendas on the Farmington website at [www.farmington.nh.us](http://www.farmington.nh.us)*

*Selectmen's Secretary Megan Taylor-Fetter*

2019 FARMINGTON NH TOWN MEETING MINUTES  
March 13, 2019

Moderator, Mike Morin opened the meeting at 7:03pm with Boy Scout Troop #188 posting colors and leading us in the Pledge of Allegiance. Mr. Morin announced for all registered voters to be sure to check in and get a card to vote. He made exit announcements, and stated for all newly elected officials who ran unopposed to stay after to get sworn in. Kathy King and Ann Titus, members of the Farmington Women's Club, presented a plaque for "Woman of the Year". This year's award was presented to Angela Hardin. Mr. Morin also wished a Happy Birthday to Town Clerk/Tax Collector Kathy Seaver.

The moderator also explained that Article 5 needs 2/3 Ballot vote and voting would be open for an hour, so we will start with that article and go on to others that would not need a ballot vote while waiting out the one-hour requirement.

Article 01. Election of Officers. To choose two Selectmen for three years, one Town Clerk-Tax Collector for three years, three Budget Committee Members for three years, one Budget Committee for one year, one Treasurer for one year, one Trustee of the Trust Funds for three years, one Trustee of the Trust Funds for one year. (Official Ballot) Election was held 3/12/19.

Mr. Morin read the results of yesterday's election and Article 2, Article 3 and Article 4.

Article 02. Zoning Amendments. To see if the Town will vote to adopt Amendment #1 as proposed by the Planning Board for the Farmington Zoning Ordinance as follows: (Official Ballot)

Amendment 1. To amend Zoning Ordinance Section 1.14 Definitions. Amendment to definition of "Accessory" includes modification of the language to change the word "primary" to the word "principal". Definition to read: "Accessory. A structure or use subordinate and customarily incidental to a principal structure or use on the same lot."

Yes 359 no 164

Article 03. To see if the Town will vote to adopt Amendment #2 as proposed by the Planning Board for the Farmington Zoning Ordinance as follows: (Official Ballot)

Amendment 2. To amend Zoning Ordinance Section 1.14 Definitions. Amendment to modify the definition of Street Frontage to match the Zoning Ordinance definition of street frontage with the definition of street frontage in the Subdivision Regulations. Definition to read: "Street Frontage": The horizontal distance between side lot lines measured along the street line. When a lot is bounded by more than one street, only one shall be deemed the frontage street and that street frontage must provide sufficient frontage as required by the Zoning Ordinance."

Yes 398 no 125

Article 04. To see if the Town will vote to adopt Amendment #3 as proposed by the Planning Board for the Farmington Zoning Ordinance as follows: (Official Ballot)

Amendment 3. To amend Zoning Ordinance Section 2.00 Base Zoning Districts to add new Section F "Principal Uses". Section F to read: "Principal Uses. All lots are allowed only one principal use except as expressly provided otherwise in this Ordinance. Each lot requires a principal use in order to have an accessory use."

Yes 330 no 190

Article 05. New Pumper/Tanker Fire Truck (By Petition). To see if the Town will vote to authorize the Selectmen to enter into a long-term lease-purchase agreement for 5 years, for an amount not to exceed the sum of \$620,000 (Six Hundred and Twenty Thousand Dollars) for the purpose of lease-purchasing a Pumper/Tanker Fire Truck and necessary fire equipment. Funding is to come from general taxation. (By Petition) (2/3 Ballot Vote Required)

Selectmen Recommend: No (0-5) Budget Committee Recommend: No (2-7-1)

Estimated Tax Impact: Unknown

Mr. Morin read Article 5, a motion to approve as read was made by Jodi Connolly and seconded by Penny Morin. Bruce Manchester made a motion to amend the article to "To see if the town will authorize the select board to enter in to a five-year lease agreement for an amount not to exceed \$520,000 for the purpose of leasing a Pumper/Tanker Fire Truck and all necessary equipment for the Fire Department and to raise appropriate the sum of \$108,680 for the first year's payment for this lease. This lease agreement contains an escape clause. Town attorney, Kerri Roman stated that the forgotten "Raise and Appropriate" in this amendment, invalidates the entire article, if added, because it was forgotten in the original warrant and to add it changes the purpose of the warrant. She also stated that if this passes without the raise and appropriate, it would authorize the board to enter in to the agreement and the raise and appropriate would be handled the next year. She explained that with large amounts like this, the lease agreement's first payment is not due until the following year. With this recommendation, Moderator Mike Morin, asked Bruce Manchester if he would like to amend his motion, Mr. Manchester agreed. The moderator reread the motion that now only dropped the amount by \$100000 and the escape clause and then asked if there were a second on the floor. The motion was seconded by Kayla Morin.

The Town Attorney believed that the amendment of an escape clause would cause the 2/3 vote not to be necessary. She asked for a short recess to discuss this. After the recess and a discussion with the attorney, Bruce Manchester offered a friendly amendment to remove the escape clause sentence, leaving just the reduced money requested to \$520,000. Kayla Morin agreed to accept the change. Discussion ensued and when all questions were answered about why the select board originally were against this and now are for it and what benefit the new truck will give the town for water availability, Tim Brown made a motion to call the question, Jodi Connolly seconded the motion. The motion passed by a show of cards vote to call the question. The motion to accept the amendment passed by a show of cards vote.

Some discussion ensued on what the tax impact will be as well as questions on why a petition warrant article was done and why it was not discussed during the Budget Process. With all questions answered, the moderator opened voting at 7:55pm. Voting closed at 8:57.

The result of the ballot vote on Article 5, as amended, was Yes 85, No 48.

The motion failed by 4 votes to get 2/3rds necessary.

A motion to restrict reconsideration on Article 5 was made by Neil Johnson and seconded by Elizabeth Johnson. The supervisors counted cards: 56 Yes, 63 No. The motion failed.

Town Attorney, Kerri Roman explained that if we vote to reconsider Article 5, it must be reconsidered at least 7 days from now in a special meeting, no new vote can be taken tonight.

Tim Brown made a motion to reconsider Article 5, seconded by Penny Morin. Discussion ensued, Paula Proulx wanted to remind voters that this article would be advisory only. Manny Krasner asked Paula Proulx if she is saying that the truck will be bought next year anyway. Paula Proulx stated yes. Tim Brown asked if the select board may still decide to enter into a lease agreement as long as the first payment is not until next year and a warrant article is passed to raise and appropriate the funding next year. The answer was yes. David Kestner stated that you have already been given the will of the voters because the article failed 2/3rds vote. He states this is wrong. Tim Brown posed a question to town council, Kerri Roman asking if because the 2/3rds vote failed, does this fall under the no means no rule. Kerri Roman said no, because there is no raise and appropriate. A motion to call the question was made by Kayla Morin, seconded Jodi Connolly. Motion passed by a show of cards vote.

Tim Brown withdrew his motion to reconsider Article 5 based on the previous discussion, Penny Morin agreed to withdraw her second of the motion. No vote was taken to reconsider.

Article 06. SCBA lease. To see if the Town will vote to authorize the Selectmen to enter into a 5-year lease purchase agreement in the amount of \$239,466.00 for the purpose of leasing thirty-four Scott Air-Packs, which are self-contained breathing apparatus with accessories, and to raise and appropriate the sum of \$53,736.33 for the first year's payment for that purpose. This lease agreement contains an escape clause. An escape clause allows the Town to return the equipment if the funding is not available. (Majority vote required).

Moderator Mike Morin read Article 6. There was a motion to accept the article as read by Steve Henry and seconded by Elizabeth Johnson. Discussion opened with Charlie King asking how many packs there are. Town Administrator, Arthur Capello, answered with 34. Penny Morin asked if there is there a plan to replace packs on a rotating schedule going forward. Arthur Capello stated that there is a CRF for it, they do not want to replace on a rotating schedule because it would waste years of use of the current packs. Steve Henry explained that all are expiring at the same time because all were bought with grant money at the same time. Samantha Place stated that the CRF is to save money so the town can buy again at bulk rate when they are expiring. Martin LaFerte asked if this is approved tonight, is this all said and done tonight or will this come forward again for the next 4 years. Arthur Capello explained tonight is the only vote, it will be part of the operating budget. If there is no money, then an escape clause allows them to send them back. Linda McElhinney stated that last year \$15000 was put in the CRF fund. What was that used for and how much is in the fund? Arthur Capello stated that there was \$40000 in the fund, but it cannot be used for the first year's payment, it can only be used for the last year's payment. Diane Ficco asked where the will money come from. Arthur Capello said there is no money due this year. The first payment is not due until next year. With no further discussion, a vote was taken and the motion passed by a show of cards vote.

A motion to restrict reconsideration of Article 6 was made by Neil Johnson, seconded by Ann Titus and passed by a show of cards vote.

Article 07. Operating Budget. To see if the Town will vote to raise and appropriate the Budget Committee recommended sum of \$6,943,076 for General Municipal Operations. This article does not include appropriations contained in special or individual articles addressed separately.

Selectmen Recommend: Yes (5-0) Budget Committee Recommend: Yes (9-0)

Estimated Tax Impact .30

Mike Morin read Article 7. A motion was made to accept Article 7 as read by Jodi Connolly and seconded by Elizabeth Johnson. With no discussion, a vote was taken and the article passed by a show of cards vote.

A Motion to restrict reconsideration of Article 7 was made by Neil Johnson and seconded by Elizabeth Johnson. The motion passed by a show of cards vote.

Article 08. KENO (By Petition). Shall the Town allow the operation of Keno games within the Town? (By Petition)

Selectmen Recommend: Yes (5-0)

Article 8 was read by the moderator. A motion to accept the article as read was made by Jodi Connolly and seconded by Elizabeth Johnson. Discussion began with Blanche Tanner asking if Keno is the only funding for Kindergarten. Superintendent Ruth Ellen Vaughn responded that Farmington has received Keno-Garten funding for 2 years and now there is actually a movement to remove Kindergarten from Keno. Budget Committee member, Samantha Place, stated that Keno is a good source of income for businesses in Farmington and that she goes out of town to play, so Keno would bring new business to town. Samantha also stated that the town would receive money from rooms and meals tax from Keno. Steve Henry stated that at the beginning of this meeting we pledged to a flag to allow people to have their own choices, why not approve it. Angie Cardinal asked why this has to be a ballot vote, Kerri Roman quoted RSA 284:51 subparagraph 1. Voting was done by ballot. Yes 92, No 18. Article 8 passed.

Article 09. Solar Exemptions (By Petition). To see if the Town will vote to amend the exemptions adopted pursuant to RSA 72:62 via Article 4 at the March 9, 1983 Town Meeting to read "The Town votes to adopt the provisions of NH RSA 72:62 which provides for an exemption from the assessed value, for property tax purposes, for persons owning real property which is equipped with solar energy system as defined in RSA 72:61. Such property tax exemption shall be in the amount equal to 100% of the assessed value of qualifying solar energy system equipment under the statute." (By Petition)

A Motion was made by Erin Zayak to accept the article as read and seconded Jody Connolly. Discussion began with Jeffrey Grazulis speaking to the article stating that by giving 100% solar exemption it allows people the freedom to break away from electric companies. Budget Committee member Charlie King asked how will this affect commercial solar farms? Town Attorney, Kerri Roman referred to RSA 72: a town can allow exemptions for residential, solar arrays must use a PILOT. Since Farmington already does this, there is no affect. The more revenue that is generated from the Solar Array, the higher the PILOT. Several residents spoke to buying solar panels within the past few years and are upset to think it will now change, one resident wanted to know why she never received an exemption, Town Clerk/Tax Collector, Kathy Seaver, explained that many years ago when the exemption was introduced, the amount was \$5000 and at the time that was about the same value that would be added to the assessment, so it was a wash. They agreed to not assess the value of the panels unless someone applied for the exemption. With discussion ending, a show of cards vote was taken and Article 9 passed.

Article 10. Optional Fiscal Year in Farmington (By Petition). Shall the Town of Farmington adopt a fiscal year that begins July 1st and ends June 30th and furthermore authorizes the Selectmen and the Budget Committee to produce an 18-month budget for that purpose under the provisions of NH RSA 31:94-a.

During the time differences, the Town of Farmington operates without an approved operating budget during the months of January, February, and part of March. If the voters of Farmington adopt the provisions of RSA 31:94-a this March, the 2019 fiscal year will remain unchanged. For the years 2020-

2021 the Town may budget receipts and expenditures, raise and appropriate revenues, and assess taxes on the basis of a single 18-month accounting period starting January 1, 2020, and ending June 30, 2021. Thereafter, the Town shall operate all fiscal affairs on the basis of a 12-month accounting period starting July 1, 2021. (By Petition)

Selectmen Recommend: No (0-5)

Moderator Mike Morin read Article 10 and then stated that he will recuse himself from moderating this article. Manny Krasner was already sworn in as assistant Moderator and was asked to moderate this article. A secret ballot request was handed to Mr. Krasner by Penny Morin. He called the names on the list and all were present. The names were: Penny Morin, Mike Morin, Stan Freeda, Kyle Leach and Joyce White. Penny Morin motioned to accept the article as read, it was seconded by Kayla Morin. Mrs. Morin stated that it came to her attention that the town was having a cash flow problem starting in August of 2018. She also stated that the town's MS-535 is due to DRA in April but if they change to the optional fiscal year, the MS-535 would not be due until Sept. Neil Johnson addressed the voters to explain that according to DRA, if this article passes, 18 months of budget would have to be paid for in a 12 month period. The town tax rate would increase by approximately \$4 per thousand. There are contracts coming up that would also affect the tax rate. Mr. Johnson also stated that only 2 times have taxes been due in January in 44 years, those years are 2008 & 2018. Steve Henry shared that in his 13 years on the budget committee he has seen the challenges putting together a budget so far in advance puts on the school, why would we put this on the town when it is not necessary? It is not a good solution to the revenue issue. Mike Morin stated that the town could move the Election to April or May instead of snowy cold March. He also mentioned that the MS-535 is due April 1<sup>st</sup>, this year it was turned in Oct 31<sup>st</sup>. Paula Proulx reiterated that the town does not have a cash flow problem and that the only time there has been is if the rate is not set on time so tax bills are not mailed out timely. Ms. Proulx also explained that the town does not spend much money between Jan – March. Until the budget is approved, they only pay payroll and necessary expenditures. The Town Clerk explained that the town cannot have an April election like Mike Morin said, unless they become SB2, but they could have it in May. She also said that the School could have theirs in April and have a separate election but it is not a profitable solution. Charlie King spoke and is opposed to changing to the optional fiscal year. He has been on town committees for years and stated that the board does not have any issue managing money. Angie Cardinal read from RSA 24:15 stating that the town of Farmington cannot expend money Jan – Mar that has not been appropriated (however if you read the RSA, it reads very differently than was read by Angie Cardinal and pertains only to Counties). Town Council, Kerri Roman, quickly cited RSA 32:13 II that states In towns with a March annual meeting and a January through December fiscal year, the Municipality is allowed to spend between January 1 and the date a budget is adopted on items that are reasonable in light of prior year's appropriations and expenditures for the same purposes during the same time periods. Steve Henry asked if this passes if there will there be separate elections for school, town and then separate meetings? Penny Morin said, no, it's a chance for the two to work together. Angie Cardinal then asked for a breakdown of the unexpended fund balance that is receivables. Arthur Capello stated that it changes daily but consists of uncollected taxes, uncollected water/sewer, Code Enforcement liens, interest on any outstanding balances, etc. Jodi Connolly motioned to call the question, it was dully seconded. Penny Morin removed her name from the list of secret ballot requesters. Neil Johnson presented a new list for secret ballot, signed by Neil Johnson, Paula Proulx, TJ

Place, Jodi Connolly and Elizabeth Johnson. All were present, so ballot voting was opened. With a vote of Yes 12, No 71. Article 10 failed.

Article 11. Acceptance of private road (By Petition). To see if the Town will vote to accept Richards Way as a class V Town road (By Petition).

Selectmen Recommended: No (0-5)

Mr. Morin read Article 11 and then asked the governing body if they would allow a non-resident land owner who is the author of the petition warrant article permission to speak? A motion was made by Bill Cameron and seconded by Elizabeth Johnson. With no discussion, the motion passed by a show of cards vote. A motion to accept the article as read was made by Elizabeth Johnson and seconded by Steve Henry. Candid Arcidy asked if the selectmen will change their vote based on new information received from her? The Select board spoke to say they would all recommend to accept the road. After much discussion on the process and quality of the road and how the acceptance of the cistern next year would affect the acceptance of the road, the final question was to be sure that Candid Arcidy as the property owner will sign off so that there will be no payment of "damages" for property lost for the town taking over the road. It was stressed that the new process and standards were followed by this property owner to get this road accepted by the town. With no further discussion, Article 11 passed by a show of cards vote.

Article 12. Sidewalk Plow. To see if the Town will vote to raise and appropriate the sum of \$70,000 for the purpose of purchasing a new sidewalk plow. This sum to come from the unassigned fund balance. No amount to be raised from taxation.

Selectmen Recommend: Yes (5-0) Budget Committee Recommend: Yes (9-0)

Estimated Tax Impact: .00

The moderator read article 12. A motion to accept the article as read was made by Stan Freeda and seconded by Jodi Connolly. With no discussion, a vote was taken and the article passed by a show of cards vote.

Article 13. Bridges and Road Design CRF. To see if the Town will vote to raise and appropriate the sum of \$5,000 to be added to the Bridges and Road Design Capital Reserve Fund, previously established. This is to pay the 20% of the required funding from NH State Bridge Aid. This sum to come from unassigned fund balance. No amount to be raised from taxation.

Selectmen Recommend: Yes (5-0) Budget Committee Recommend: Yes (9-0)

Estimated Tax Impact: .00

Total in the fund as of December 2018: \$102,300

The moderator read article 13. A motion to accept the article as read was made by Steve Henry and seconded by Sylvia Arcouette. With no discussion, a vote was taken and the article passed by a show of cards vote.

Article 14. Building Inspector Position SRF. To see if the Town will vote to raise and appropriate the sum of \$70,000 for the purpose of paying for the Building Inspector and to authorize the withdrawal of said sum from the Building Inspector Position Special Revenue Fund previously established for this purpose. No amount to be raised by taxation.

Selectmen Recommend: Yes (5-0) Budget Committee Recommend: Yes (9-0)

Estimated Tax Impact: .00

Total in the fund as of February 2019: \$12,316

The moderator read article 14. A motion to accept the article as read was made by Steve Henry, and seconded by Samantha Place. With no discussion, a vote was taken and the article passed by a show of cards vote.

Article 15. Recreation Equipment CRF. To see if the Town will vote to raise and appropriate the sum of \$1,000 to be added to the Recreation Equipment Capital Reserve Fund, previously established for the replacement of equipment. This sum to come from unassigned fund balance. No amount to be raised from taxation.

Selectmen Recommend: Yes (5-0) Budget Committee Recommend: Yes (9-0)

Estimated Tax Impact: .00

Total in fund as of December 2018: \$18,216

The moderator read Article 15. A motion to accept the article as read was made by Deb Reed and seconded by Dave Connolly. With no discussion, a vote was taken and the article passed by a show of cards vote.

Article 16. Town Employee Financial Obligation CRF. To see if the Town will vote to raise and appropriate the sum of \$3,000 to be added to the Town Employee Financial Obligation Capital Reserve

Fund previously established. This sum to come from unassigned fund balance. No amount to be raised from taxation.

Selectman Recommends: Yes (5-0)      Budget Committee Recommends: Yes (8-1)

Estimated Tax Impact: .00

Total in the fund as of December 2018: \$18,500

Article 16 was read by Mr. morin. A motion was made to accept the article as read by Neil Johnson and seconded by Jodi Connolly. With no discussion, the article passed by a show of cards vote.

Article 17.      Add to Highway Dept Motorized Equipment CRF. To see if the Town will vote to raise and appropriate the sum of \$5,000 to be added to the Highway Dept Motorized Equipment Capital Reserve Fund, previously established. This is to assist the Town with the replacement of Highway Equipment. This sum to come from unassigned fund balance. No amount to be raised from taxation.

Selectmen Recommend: Yes (5-0)      Budget Committee Recommend: Yes (9-0)

Estimated Tax Impact: .00

Total in the fund as of December 2018: \$115,646

The moderator read Article 17. A motion to accept the article as read was made by Neil Johnson and seconded by Elizabeth Johnson. With no discussion, a vote was taken and the article passed by a show of cards vote.

Article 18.      Reevaluation CRF. To see if the Town will vote to raise and appropriate the sum of \$25,000 to be added to the Town Reevaluation Capital Reserve Fund previously established. This sum to come from unassigned fund balance. No amount to be raised from taxation.

Selectmen Recommend: Yes (5-0)      Budget Committee Recommends: Yes (9-0)

Estimated Tax Impact: .00

Total in the fund as of December 2018: \$50,430

Mr. Morin read Article 18. A motion was made to accept the article as read by Deb Reed, seconded by Ann Titus. With no discussion, the article passed by a show of cards vote.

Article 19. Master Plan CRF. To see if the Town will vote to raise and appropriate the sum of \$20,000 to be deposited in the Town Master Plan Capital Reserve Fund previously established. This sum to come from the unassigned fund balance. No amount to be raised from taxation.

Selectmen Recommend: Yes (5-0) Budget Committee Recommend: Yes (9-0)

Estimated Tax Impact: .00

Total in the fund as of December 2018: \$16,005

Article 19 was read by Mike Morin. A motion was made to accept the article as read by Penny Morin and seconded by Jodi Connolly. Discussion opened with Diane Ficco asking in general what it means for money to come from the unassigned fund balance and what is this money? Arthur Capello explained that it is money from incoming revenue to either buy down the rate or use for future needs. Charlie King asked if there is money to cover these? Arthur Capello stated that there is money to cover. Samantha Place stated that if there isn't enough money to fund them all then the articles will be funded in order they are on the warrant, Arthur Capello confirmed this statement. Angie Cardinal asked if it's the order they are being voted on or the order on the warrant. The answer from Arthur Capello was that it is the order on the warrant.

With no further discussion, a vote was taken and the article passed by a show of cards vote.

Article 20. Landfill Closure Fund CRF. To see if the Town will vote to raise and appropriate the sum of \$31,429 for the purpose of testing groundwater at the closed landfill and to authorize the withdrawal of said sum from the Landfill Closure Fund Capital Reserve Fund previously established. No amount to be raised by taxation.

Selectmen Recommend: Yes (5-0) Budget Committee Recommend: Yes (10-0)

Estimated Tax Impact: .00

Total in the fund as of December 2018: \$142,763

The moderator read Article 20. A motion was made by Steve Henry to accept the article as read and seconded by Dave Connolly. With there being no discussion, a vote was taken and the article passed by a show of cards vote.

Article 21. Fire Vehicles and Equipment CRF. To see if the Town will vote to raise and appropriate the sum of \$40,000 to be deposited into the Fire Vehicles and Equipment Capital Reserve Fund and to fund this appropriation with said sum to be raised through ambulance billing and no amount to be raised from taxation.

Selectmen recommend: Yes (5-0) Budget Committee recommend: Yes (9-0)

Estimated Tax Impact: .00

Total in the fund as of December 2018: \$926

Article 21 was read by Mr. Morin. A motion was made to accept the article as read by Kathy King and seconded by Jodi Connolly. Discussion began with Linda McElhinney stating that she heard in a budget meeting that this money is to be used for future vehicles and asked is this true or has it been earmarked for other items? Neil Johnson said it is not earmarked for anything specific yet, it could be used for future vehicles or other Fire Department needs. Linda McElhinney then asked if Fire Chief Reinert would respond. Chief James Reinert said the money is needed for the second payment on cardiac monitors on ambulances and portable radios. Martin Leferte stated that it says to appropriate \$40000 with money to come from ambulance billing, but what happens if there is not \$40000 in ambulance billing? Arthur Capello stated that an average of \$300,000 - \$350,000 is taken in each year from ambulance billing, and this will allow us to move \$40,000 of that money to this account". Arthur Capello also stated that there has already been \$100,000 come in from ambulance billing since January. The attorney explained more about how the Capital Reserve Fund works. Steve Henry explained that \$100,000 has come in since January first so the money is there. Angie Cardinal asked what ambulance money is spent on? Arthur Capello stated that it goes in the general fund, it is part of anticipated revenue. Another resident asked if we have increased the billing this year. Kerri Roman explained why we have to "raise and appropriate", it doesn't mean the billing has to be increased. With no more discussion, a vote was taken and article 21 passed by a show of cards vote.

A motion to restrict reconsideration of articles 12-21 was made by Neil Johnson, seconded by Jodi Connolly and approved by a show of cards vote.

Article 22. Discontinue Police Outside Detail SRF. To see if the Town will rescind the provisions of RSA 31:95-c to restrict 100% of revenues from Police Department Special Details to expenditures for the purpose of paying all expenses associated with payroll and equipment of police officers performing outside details. These funds will be placed in the town's general fund in accordance with RSA 31:95-d and then deposited into a newly created Police Outside Details revolving fund under Article 24. If this Article fails, Article 24 is null and void. If this Article passes and Article 24 fails, this Article will be null and void and the Police Outside Detail Special Revenue Fund will continue to operate as originally established (Majority Vote required). (Ballot Vote Required).

Selectman Recommend: Yes (5-0)

Estimated Tax Impact: .00

The moderator read Article 22. Neil Johnson made a motion to accept the article as read, seconded by Sylvia Arcouette. Charlie King asked why these articles have to be taken together? Attorney Kerri Roman explained that the town must rescind the SRF with Article 22. That money by law has to go to the

general fund unless we create a revolving fund. Article 24 creates the revolving fund to move the money in to. Article 23 is not necessary if 22 and 24 both pass because now the money is in a fund that the Select board along with the Chief may make expenditures as needed. If both fail, then Article 23 moves money into the original Special Revenue Fund to operate the same as before. Ballot vote. Yes 53 No 1

Kathy Seaver motioned to restrict reconsideration of Article 10, seconded by Neil Johnson. The motion carried by a show of cards vote.

Article 23. Police Outside Detail Special Revenue Fund. To see if the Town will vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000) for Police Outside Detail payroll, related expenses and cruiser purchase, and to authorize withdrawal of One Hundred Thousand Dollars (\$100,000) from the Police Outside Detail Special Revenue Fund created for this purpose, such amount to be raised from police outside detail revenue, with no amount to be raised by taxation. This is a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the special detail work expenses are paid and/or cruiser purchase is completed or until December 31, 2020, whichever comes first. This Article is null and void if Articles 22 and 24 pass.

Selectmen Recommend: Yes (5-0) Budget Committee Recommend: Yes (9-0)

Estimated Tax Impact: .00

After the moderator read Article 23. A motion to approve Article 23 as read was made by Stan Freeda and seconded by Linda McElhinney. After an explanation from the attorney, a motion was made to table this article by Steve Henry and seconded by Jodi Connolly. The motion to table passed by a show of cards vote. After Article 24 passed, a motion to take this article off the table was made by Manny Krasner and seconded by Nancy Schuft. Attorney Kerri Roman explained that this article is unnecessary, but has to be voted on. This article failed by a show of cards vote.

Article 24. Establish Revolving Fund per RSA 31:95-h. To see if the Town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of Police Special Details and to raise and appropriate from the Town's fund balance the amount of \$1,944 for deposit into said revolving fund. All revenues received for police special details will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the Town's general fund balance. The Town Treasurer shall have custody of all money in the fund, and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created. If Article 22 passes and this Article fails, Article 22 will be null and void and the Police Outside Detail Special Revenue Fund will continue to operate as originally established. (Majority Vote required).

Selectmen Recommend: Yes (5-0) Budget Committee Recommend: Yes (9-0)

Estimated Tax Impact: .00

Mike Morin read Article 24. Neil Johnson then made a motion to accept Article 24 as read, seconded by Jodi Connolly and approved by a show of cards vote.

Article 25. Fund Future Technology Improvements CRF by TDS Fee. To see if the Town will vote to raise and appropriate the sum of \$7,000 to be added to the Future Technology Improvements Capital Reserve Fund previously established. Said funds to come from TDS Franchise Fees and no amount to be raised from taxation.

Selectman Recommend: Yes (5-0) Budget Committee Recommend: Yes (9-0)

Estimated Tax Impact: .00

Total in the fund as of December 2018: \$24,067

The moderator read Article 25. A motion was made to accept the article as read by Steve Henry and seconded by Elizabeth Johnson. With no discussion, the article passed by a show of cards vote.

Article 26. Farmington Cable TV SRF. To see if the Town will vote to raise and appropriate the sum of \$60,000 for the purpose of staff payroll, cable TV programming, equipment, and/or repairs associated with Farmington Cable TV, with said funds to come from the Community Television Special Revenue Fund created for this purpose. No amount to be raised from taxation.

Selectmen Recommend: Yes (5-0) Budget Committee Recommend: Yes (9-0)

Estimated Tax Impact: .00

Total in the fund as of December 2018: \$142,495

Article 26 was read by Mike Morin. A motion was made to accept the article as read by Neil Johnson and seconded by Elizabeth Johnson. With no discussion, Article 26 passed by a show of cards vote.

Article 27. Purchase of Thermal Imaging Camera. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of purchasing Fire Department a Thermal Imaging Camera. Said sum to come from the unassigned fund balance. No amount to be raised from taxation.

Selectmen Recommend: Yes (5-0) Budget Committee Recommend: Yes (9-0)

Estimated Tax Impact: .00

Mike Morin read Article 27. A motion was made to accept the article as read by Dave Connolly and seconded by Ann Titus. With no discussion, a vote was taken and Article 27 passed by a show of cards vote.

Article 28. Depreciation of Waste Water Treatment Plant. To see if the Town will vote to raise and appropriate the sum of \$50,000 to be added to the Waste Water Treatment Plant Capital Reserve Fund previously established to help offset the depreciation of the plant, with \$25,000 to come from the Waste Water Enterprise Fund surplus and the remainder to come from the unassigned fund balance. The town will match what is deposited from the Waste Water Enterprise Fund surplus. No amount to be raised from taxation.

Selectmen Recommend: Yes (5-0)

Budget Committee Recommend: Yes (8-1)

Estimated Tax Impact: .00

Total in the fund as of December 2018: \$256,360

Article 28 was read by Mike Morin. A motion was made to accept the article as read by Neil Johnson and seconded by TJ Place. With no discussion, Article 28 passed by a show of cards vote.

A Motion was made to restrict reconsideration of Article 28 by Neil Johnson, seconded by Ann Titus and the motion passed by a show of cards vote.

Article 29. All other business. To allow the Town to conduct any other business that may come before this body.

A Motion to adjourn at 11:34 was made by Manny Krasner, seconded by Penny Morin and approved by a show of cards vote.

Respectfully submitted,

Kathy L. Seaver

Town Clerk-Tax Collector

**Incorporated:** 1798

**Origin:** This town started as West Parish, a portion of Rochester that included several large farms. Those farms were separated from Rochester in 1798 as Farmington, a reference to the area's fertile farmland. It was also known as Farmington Dock because its location on the Cochecho River was an ideal spot for sawmills. Those sawmills expanded into shoe-making factories, one of the first places to use automated shoe-making machines instead of handwork. One Farmington resident known in the shoe trade was Jeremiah J. Colbath, who, after changing his name to Henry Wilson, was elected Vice-President under Ulysses S. Grant.

**Villages and Place Names:** unknown

**Population, Year of the First Census Taken:** 1,029 residents in 1800

**Population Trends:** Population change for Farmington totaled 3,538 over 55 years, from 3,287 in 1960 to 6,825 in 2015. The largest decennial percent change was a 29 percent increase between 1970 and 1980, followed by a 23 percent increase over the next decade. The 2015 Census estimate for Farmington was 6,825 residents, which tied with Plymouth, ranking 46th among New Hampshire's incorporated cities and towns.

**Population Density and Land Area, 2015 (US Census Bureau):** 186.9 persons per square mile of land area. Farmington contains 37.0 square miles of land area and 0.4 square miles of inland water area.
