Classmates, be of good cheer,  
Although the time is near  
When we must part;  
For happy schooldays bright  
Will never fade from sight,  
But still by Memory's light  
Shine in each heart.

As we asunder move,  
Part we in peace and love,  
In friendship true.  
New paths before us lie  
Where we shall bravely try  
To gain the victory  
To honor due.

Teachers and schoolmates kind,  
Strong are the ties that bind  
Our hearts to you.  
In recollection set  
Scenes we can ne'er forget  
And join in spirit yet  
With '92.
