PASTORAL

Every family has photographs of itself - formal portraits and informal candid shots taken at weddings and baptisms, sporting events, and birthday parties. Whether the pictures are laid out nicely in an album with captions, dates and places, or if they are thrown into a shoe box that lives on a top shelf in a forgotten closet, these images remind us of where we were, who we are, and what we dream of becoming.

Well, church is family too. We are brothers and sisters to Jesus Christ, children of the God who created us and sustains us, now and always. As a family, we sometimes argue and squabble, but we forgive and move on. We party together and celebrate milestones of life, and we grieve together as one family when a loved one passes from our physical midst. We, too, have pictures -

all kinds of pictures that remind us of where we have been and keep us on the track of where we are going.

This directory is a snapshot of our life at the First Congregational Church in the Spring of 2002. It is a mixture of formal family portraits and those silly candid shots no one knew were being taken at the time. Each picture represents a precious member of this family - a name, a voice, a dream, a life. Use this album to get to know one another on a first name basis. Use it to get to know the congregation and see how we work to bring about God's kingdom in this little corner of New Hampshire.

May God bless all who worked so hard to bring this booklet into reality, and may God bless all who hold it in their hands.

Blessings!
