CLASS ODE.

AIR: - "Hark! The Herald Angels Sing."

We, a band of loving classmates,
Bound by friendship's golden chain;
Thus ourselves we leagued together,
For to study learning's fame.
"By perseverance" we have tried
Much thought in our minds to store,
And a blessing may it prove
To the Class of '94.

Though our fair schooldays are o'er,
Yet no hour we've spent in vain;
Though now we so soon must part,
May our friendship never wane;
Many loved ones we are leaving,
If on earth we meet no more,
'Mong the jewels that are ransomed
May we find our '94.
