## SELECTMEN'S REPORT

We, the selectmen of the town of Farmington, herewith submit for your consideration the annual report.

### HIGHWAY DEPARTMENT

This past year has been a very difficult one in this department. Upon attempting to repair the Tappan street bridge we found that not only the surface was in bad condition but also the main timbers needed to be replaced. After considering various ways of repairing or rebuilding the bridge we decided to replace with a new steel and concrete structure. The cost was approximately double the cost of a wooden bridge, but we secured emergency bridge aid from the state to pay one-half of the cost. We now have a bridge that should last a good many years with very little cost for maintenance.

Also one bridge on the so-called "New Road" to Hornetown had to be replaced (broken by an overloaded truck) and this was replaced by a more permanent bridge. Insurance was collected on this.

Our T. R. A. money was expended on the Meeting-house hill road and during this construction we found one bridge in an unsafe condition. We replaced this with two culverts. These are four feet in diameter, made of reinforced concrete and should last many years with no maintenance expense.

Warren street, Prospect street and part of Orange street were graded and tarred. Also Water street. Other streets and roads were also tarred.

In 1952 the Watson Crossroad bridge will need major repair. Possibly it should be replaced with new construction. If so we may be able to secure state bridge aid for this purpose.

The state has increased the compact area of the town by about one-half mile and this will have to be maintained by the town. Much work will have to be done on our country roads this coming year as they need grading, ditches and more culverts.

POLICE DEPARTMENT

During December we were forced to appoint a new police force owing to the resignation of the three regular officers and four of the specials. They were dissatisfied with the pay they were receiving and did not see fit to continue to serve the final ten weeks to the March town meeting. We replaced them with new officers who, we believe, are capable and also conscientious.

WELFARE DEPARTMENT

This department continues to be very important and, with the help of our bookkeeper, we have tried to aid all deserving cases. The Visiting Nurse, Barbara Drew, and the county and state officials have been very co-operative. Also we wish to thank the various local organizations and private citizens who have helped in many ways to aid our Town Poor and in Soldiers' Aid.

MISCELLANEOUS

Owing to the closing of the Meaderboro and Ten Road Road schools we found it necessary to place the third grade in the town hall. Owing to a previous vote of the town this meant using the main auditorium. At a special town meeting held on a later date it was voted to permit the use of the lower part of the town hall for school purposes until the new school is completed. This use by the schools has meant greatly reduced revenue from rent of the town hall and at the same time increased the expense.

Your selectmen hope you will seriously consider the following: The appointment of the police officers by the selectmen; the appointment of the road agent by the selectmen; an increase in the pay of the town of-

ficials; the extension of School street to Memorial Drive; the Watson Crossroad bridge.

We hope you will all feel free to come to us (or write) with constructive suggestions on town affairs. Especially we urge all voters to attend all meetings of the town and its departments and vote intelligently.

From time to time during this coming year we will have news items in the Farmington News on what is being done by your various town departments.

In closing we promise to work for the best interests of the town to the best of our abilities.

Respectfully submitted,

LEO L. NEWBURY,

MELVIN F. EARLE,

CHARLES W. WEBSTER,

Selectmen.

## BUDGET

Estimates of Revenue and Expenditures for the Ensuing Year, January 1, 1952 to December 31, 1952, compared with Estimated and Actual Revenue, Appropriations and Expenditures of the Previous Year, January 1, 1951 to December 31, 1951.

## WARRANT

---

### THE STATE OF NEW HAMPSHIRE

To the inhabitants of the town of Farmington, qualified to vote in town affairs:

You are hereby notified to meet at the town hall in said Farmington on Tuesday, the eleventh day of March next, at nine o'clock in the forenoon, to act on the following subjects:

Article 1. To choose one selectman for three years, a town clerk, a town treasurer, road agent, two police officers, two auditors, a trustee of the trust funds for three years and all other necessary officers and agents for the ensuing year.

**YOU ARE ALSO NOTIFIED TO MEET AT THE SAID TOWN HALL AT SEVEN O'CLOCK IN THE AFTERNOON ON THE SAME DATE, TO ACT ON THE FOLLOWING SUBJECTS:**

Article 2. To see what sum of money the town will vote to raise and appropriate to defray the expenses of general government as defined in the budget.

Article 3. To see what sum of money the town will vote to raise and appropriate for the police department.

Article 4. To see what sum of money the town will vote to raise and appropriate for forest fire protection.

Article 5. To see if the town will vote to raise and appropriate the sum of \$400.00 for white pine blister rust control. The same to be expended in cooperation with the State Forestry and Recreation Department.

Article 6. To see what sum of money the town will vote to raise and appropriate for the health department.

- Article 7. To see if the town will vote to raise and appropriate the sum of \$2,000.00 to be applied to the payment for services of a district nurse in said town, said funds to be disbursed through the Farmington Visiting Nurse Association, Inc.
- Article 8. To see what sum of money the town will vote to raise and appropriate for vital statistics.
- Article 9. To see what sum of money the town will vote to raise and appropriate for summer and winter maintenance of highways and bridges and for the general expense of the highway department.
- Article 10. To see if the town will vote to raise and appropriate the sum of \$780.01 in order to secure state aid in the amount of \$5,200.04 for the improvement of Class V highways.
- Article 11. To see if the town will vote to raise and appropriate the sum of \$2,000.00 for the Farmington Public Library Association.
- Article 12. To see what sum of money the town will vote to raise and appropriate for old age assistance, town poor and soldiers' aid.
- Article 13. To see what sum the town will vote to raise and appropriate to Clarence L. Perkins Post No. 60, to be used for Memorial day observance.
- Article 14. To see what sum the town will vote to raise and appropriate for the care of parks and playgrounds.
- Article 15. To see if the town will vote to authorize the selectmen to hire such sums of money as may be necessary in anticipation of taxes.
- Article 16. To see if the town will authorize the selectmen to renew the \$8,000.00 forest fire note in anticipation of collecting from the railroad.
- Article 17. (By request) To see if the town will vote to raise and appropriate the sum of \$280.00 which is 1/100 of 1% of the assessed valuation of the town, to

the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the town, in cooperation with other towns in the Lakes Region.

Article 18. To see if the town will vote to adopt a plan for extending to employees of the town the benefits of title II of the Federal Social Security Act (Old-Age and Survivor's Insurance) as authorized by Chapter 234 of the Laws of 1951, and to raise and appropriate the sum of \$275.00 to defray the town's share of the cost thereof.

Article 19. If the foregoing article is adopted, to see if the town will authorize the selectmen to execute on behalf of the town the necessary agreement with the State of New Hampshire to carry into effect the plan.

Article 20. To see if the town will vote to authorize the selectmen to hire on serial notes the sum of \$10,200.00 for a reinforced concrete bridge over the Cocheco river on the Watson's cross-road with the state of New Hampshire to contribute the sum of approximately \$6,800.00 for said purpose.

Article 21. To see if the town will vote to authorize the selectmen to sell standing timber on any property owned by the town; said sales to be made in accordance with competitive sealed bids.

Article 22. (By petition) To see if the town will vote to tar the surface of Green street and Summer street, and to raise and appropriate the necessary funds to defray the expense of the same.

Article 23. (By petition) To see if the town will vote to improve that portion of the sidewalk in said town extending from the junction of Union and Spring streets to the cement bridge on Spring street, and put the same in condition suitable for use by pedestrians and raise and appropriate the necessary funds to defray the expense of said improvement.

Article 24. (By petition) To see if the town will vote to raise and appropriate sufficient money to construct a street beginning at the end of School street and extending westerly to Memorial drive.

Article 25. (By request) To see if the town will vote to authorize the selectmen to deed to the Farmington school district that portion of land northerly of, and enclosed within, the proposed semi-circular drive, more fully described on a certain plan entitled "Site Plan for High School and Recreational Building for Farmington, N. H., by Arnold Perretton Associates, dated February, 1948", and on file at the Farmington high school, and specifically including the land occupied by the new elementary school; reserving the right to run and maintain water mains as proposed from Memorial drive to School street.

Article 26. (By request) To see if the town will vote to authorize the appointment of a committee of from seven to nine citizens and voters to consider the feasibility and merits of the town manager system of town government, as applied to the management of the town affairs of Farmington; said committee to be appointed by the moderator, to serve without pay, and to report its findings to the town at the next annual town meeting held in said Farmington.

Article 27. (By request) To see if the town will vote to adopt the system established in several towns of New Hampshire, to have the annual report of the town of Farmington a specifically itemized account, that no lumping of expenses, incomes, assessment or abatement items shall be accepted by the auditors.

Article 28. (By request) To see if the voters of the town wish to take any action relative to changing the method of selecting a road agent, chief of police, and assistant chief of police from election by the voters to appointment by the selectmen.

Article 29. (By request) To see if the town will vote to discontinue and remove parking meters on Mechanic street, Pleasant street and on North Main street, north of the junction of Grove street.

Article 30. (By request) To see if the town wishes to take any action relative to changing the hour for voting on the town warrant.

Article 31. (By request) To see what purpose or purposes the town will vote to appropriate the income, over and above the purchase and maintenance expenses derived from parking meters, in accordance with the provisions of Laws of 1947, Chapter 74, Section 2.

Given under our hand and seal, this twenty-first day of February, 1952.

LEO L. NEWBURY,

MELVIN F. EARLE,

CHARLES W. WEBSTER,

Selectmen of Farmington.

### ONLY YOU CAN PREVENT FOREST FIRES

New Hampshire faces a real forest fire problem and challenge! To meet it successfully, New Hampshire and your community needs your thoughtful and cooperative effort.

Continuously heavy lumbering operations following the hurricane has produced more than four billion board feet of lumber. This lumber helped win World War II, meet post war needs and now the current requirements for the Korean military action. But it has added nearly 900,000 acres of slash to our already sizable slash problem.

When you fail to use needed precautions while burning in or near woodlands—

When you fail to secure the required permit from your local forest fire warden before burning—

When you are careless in smoking near woodlands—

When you throw lighted cigars, cigarettes and matches from vehicles moving along the highway—

You are violating fundamental common sense and may easily contribute to a substantial and costly fire. Such conflagrations are possible because of the hundreds of thousands of slash acres throughout the state!

Remember—the fire you prevent might be one which could conceivably burn your property and harm your community!

Only you and you and you can prevent forest fires!! Will you help?

ROBERT W. SMITH,  
District Fire Chief.

1951 fire record:

Number of fires	2
Acreage burned	3
Number fire permits issued	66

MARSHALL F. GIBBS,  
Forest Fire Warden.

## HEALTH OFFICER'S REPORT

Foreword: Fundamentally, the health of a nation or a community is the most potential line of defense and weapon against all enemies. Not until a comparatively few years have major efforts been made and monies appropriated to build up organizations charged to guard public health and to channel its importance for better understanding to the individual. It no longer is necessary that a disease or condition become prevalent to arouse public concern, for a better realization of individual responsibility and organization detects, alerts and puts into operation the most effective methods for control. A backward glance at statistics, and to the average adult his own observation, proves that the ravages of the most contagious, infectious and viscous diseases are being cut down.

Organization! Is the answer. This comprehends research, training and more universal dissemination of knowledge pertaining to public health, in order that every individual may assume his patriotic part in defense at all times. That Farmington is a unit in such organization, state and local, should be a matter of pride to every citizen, as he definitely is a member of such organization. So, as we face the future of another year, let us all carry responsibility for such membership. Officials are only members who work for, and with, their constituents.

Aside from an acknowledged epidemic of influenza, which Farmington shared, as the malady swept the country several months ago, but claimed no local fatalities, this community has been providently immune. We were charged with one case of poliomyelitis last year. However, this case developed while the patient was attending summer camp out of town; was treated at a Manchester hospital and there was no local contact.

Of this dreadful disease, the "Communicable Disease Bulletin", published monthly in interests of the work of health officers, physicians, hospitals and nurses, in part has this to say: "Experience with polio in New Hampshire has revealed a tendency for the incidence of this disease to increase in cycles of approximately three

years. If this trend persists, the state may expect an increase during the summer of 1952". This possibility suggests early vaccination of children before warm weather, as this immunization is suspected of correlation in cases of polio paralysis. Therefore, it is wise to attend to vaccinations at once.

The general program of the New Hampshire Health Officer's Manual will be pursued as usual, for the ensuing year, with such exceptions as the state may have occasion to direct.

Your health officer takes this opportunity to thank and acknowledge the sincere cooperation of physicians, school and visiting nurse, superintendent of schools, school board and teachers, as well as all departments of the town associated with the work of this office, including the press and general public.

Following are the statistics for the year ending December 31, 1951:

Miscellaneous complaints investigated, 203; hearings, 0; prosecutions, 0; quarantines, 3; mumps, 17; measles, 39; chickenpox, 11; occupational diseases, 5; Vincent's angina, 4; cancer, 3; tuberculosis, 2; pneumonia, 14; dog bite, 3; orders issued on sustained complaints, 17; sanitation violations (reported), 9; investigation and permits for foster homes, 14; permits for convalescent homes, 2; disposal of dead animals, 23; water pollution, 2; improper food handling, 3; complaints on plumbing installations, 1; inspections for welfare sanitation, 3; inspection of premises left unsanitary by receding high water, 2; collection of water, milk and food samples (open and packaged), 51; assists in state-supervised dairy inspections, 9; attended 3 state-supervised sessions for special instruction. Epidemics: Influenza, 462 (reported). Quarantines: Scarlet fever (homes), 3; dogs, 3; polio, 1 (no local contact).

Eleven of the above communicable disease reports, referred to health officer's attention, came from out of town physicians who attended Farmington patients.

Respectfully submitted,

CARL B. CANNEY,

Health Officer.

JAMES E. THAYER,

Trustees.

AUDITORS' CERTIFICATE

We hereby certify that we have examined the accounts of the selectmen, tax collector, town clerk, town treasurer and trustees of the trust funds, have compared their several accounts, vouchers and bank statement of funds on deposit and find these accounts in agreement and believe these reports to be a true account of the town business for the year ending December 31, 1951.

ARTHUR G. WEBSTER,

RONALD PARROCK,

Auditors of the town of Farmington.

February 19, 1952.
