

There, now the broken
up Corlies that
remains one of
the furthest found
is in shape again.
The animal is
recovered & seems
soft now. Mr
Muller is making
plans for the well.
Gustave has a
surprise to send
you.

I do not believe
you are reading
much French, are you?

Tuesday 6th Dec.
Nov 21. 09.

Dear Edward,

I hope to have
a letter from you
soon, in spite
of not having written.
I did not seem to
find time for any-
thing except some
business & householding.
Recent news & the
Rufus are causing
trouble & harassing
to be less possible
until the middle
of April.

I wish you and
Gale could come
down together while
they are here.

Have you heard
further from your
Lief? I hope you
will have a good
science besides it
being understood.

Pa is thinking
of going down to
Japan with Mr
Julian & Duncan
possibly before
long.

Mr. and Mrs. Lewis
writing, what a receipt
Chick, it would really
take a couple of days
if you were Lewis as
having me the bank.

The winter can't stop
your engine make it
down track the whole way,
they were the same week
a receipt for a horse
along a track of Boston
to the city some engine
