

1307 SEVENTH STREET

Dear Edward,

I am joining  
you at Beulain  
Harbor with open  
arms so  
very soon & you  
will not get  
off as I had  
expected. But I  
will seek for  
the sofa on the  
farm & get that  
off if good enough.

Have you found  
a way to  
take care of  
your readers?

Papa I hope  
will be in  
to see you  
before long,  
he will stay  
at the University  
Club.

What is your  
telephone number,

Will call you up  
when I get back - Be  
careful to be looking  
something when you  
use your kettle, it  
may set fire to your  
table otherwise!

11/30/9.

With much love  
Mother
