

AUNT JENNY
SHOWS BRIDE
SECRET OF
**CAKE
SUCCESS**

AUNT JENNY,
JACK'S BOSS IS
COMING TO DINNER.
GEE, I WISH
I COULD MAKE
CAKES LIKE
YOU DO!

DON'T FRET!
YOU CAN MAKE
A BEAUTY THE NEW
SPRY WAY AND IT'S
SO EASY, TOO!

**SPRY WITH CAKE-IMPROVER
AND THE ONE-BOWL METHOD**

Put measured dry ingredients (flour, sugar, baking powder, and salt) into flour sifter and sift together once into the mixing bowl.

Now just drop in the Spry—it's soft and blendable right from the can. No long creaming step with the easy One-Bowl method.

Add about $\frac{3}{4}$ of the milk, then vanilla. With slotted wooden mixing spoon, beat 200 vigorous round-the-bowl strokes (2 minutes).
