MARY LOUISE REILLY

53 MALVERN ROAD

BROCKTON, MASSACHUSETTS

Dear Mrs. T. J. Reilly: Your appeal in the  
"Masterly" stands up a most responsive  
reply as one of the purposes of my life  
is to require courses in American history,  
government and problems as a require-  
ment for a diploma ~~and~~ degree from an  
American secondary school or college.  
As a former teacher of these subjects and as  
an active worker in the League of Women Voters,  
I tremble for my country at the ignorance,  
apathy and irresponsibility of the majority  
of our so-called educated citizens. Mary Louise Reilly.
