for exchange but have picked
out 3 I feel sure will please
you. The Sac & Fox is very interesting
in its use at the coming of Spring.
Am told very few museums have
this bundle complete as is the one I
send you. The Atter Lodge &
Snake Lodge bundle of course
are medicinal bundles.
Will send you full history of
each one as these bundles

from as I have time.

Please let me have date of
shield - name of Indian owner &
Tribe. I like the spoon & shield -
though? the cover on the shield is
not evidently very old & is sewed
with thread. Am returning Santa Clara
shield - a fine piece - but I have no
Santa Clara stuff so return it.
