FOREWORD.

This catalogue represents only a small portion of our large stock of antique firearms. We are always glad to search for and report to clients free of charge any items not catalogued, but which might be in stock or could be obtained.

TERMS: Cash With Order.

Goods will be sent as directed, and if not satisfactory the amount paid will be refunded in full upon return of the goods.

REMITTANCES should be made by bank draft, post office or express money order. Do not send personal checks as they are apt to add to the expense and delay in filling your order.

IN ORDERING be sure to write clearly. Always use our stock number where it is given in the catalogue.

PACKING—All goods are securely packed and in good order when they leave our store. To protect yourself you should examine shipment as soon as it arrives and if damaged, have the railroad or express agent make memorandum of the damages on their receipt to you. In this way claim can be made and amount of damages collected from the Transportation Company.

PROMPT SERVICE—We aim to carry on hand at all times, sufficient stock to fill orders as soon as received. Every lot in this catalogue in stock at time of going to press, in many cases we have no duplicates and would urge collectors to send in orders at an early date.

CONDITION—All the fire-arms in fine working order unless otherwise stated.

Anyone having no further use for this catalogue would greatly oblige us by passing same on to some friend likely to be interested therein.
