

Patton Mill April 25 1859

Mr Henry G. George
Dear Sir

i have a new course I have of
Willow Saddle Bags made
like this. it is 16 inches across the Top
of each one

tapering
from
20 inches

tapering from 20 inches
The Curve
fastened to each Basket is 20 inches & 4 in
Wide. Now this one has been newly
made By the Indians. i Will sell
it for \$8⁰⁰ eight dollars i Will
send it. if you want to see it
So let me hear from you as
soon as possible

Yours Respt
H D Patton
