Mr. Harry L. George

St. Joseph, Mo.

Dear Sir:

Referring to your letter of Feb. 5. 1916. asking for information concerning the name, La Fleche, particularly the first part, La, I will inform you that the name is of French origin and means, La, the, Fleche, Arrow, The Arrow.

I am very glad that you have given me the name of the Minnetago from whom your "dibe stick" was purchased. If I happen to see him either here or at his home in Nebraska I will try to get him to explain the meaning of the markings on the stick. I hope your correspondence with Mr. Olin La Mure will result in the finding of some information concerning both the "War Bundle" and the "dibe stick".

Very truly yours,

Francis La Fleche
