

Mrs. W. H. McNeal,

1022 North 19th St.

City.

3/16/1912.

My Dear Mrs. McNeal.

I notice in one or more of the letters which you enclose in your note of yesterday that something is said about photographs. If you have any photographs of your collection you can spare I would be mighty glad to have same.

Yours very truly,

Property of St. Joseph Museums
