

Gallup, N.M

April 1st, 1920

Mr. Harry L. George,
St. Joseph, Mo.

Dear Mr. George,-

Received your letter of recent date, also one a couple of weeks ago. We have been having very disagreeable weather here this winter, that is, the roads have been impassable at times. I have not run my car since the first of the year, as there was no money in it. Have been dabbling in the real estate game, and doing pretty well. However, let me know when you want to come out, and I will try to go with you. If it can not be arranged, I can get a car for you. The Inscription Rock and Zuni trip can be made at one and the same time, and can be made in one day. We will have to take a chance on the weather at any time, but our rains generally begin in the latter part of July and August. But of course no one can tell positively about the weather in this country.

I am sending you some photographs, or rather, snaps, that were taken at the snake dance. You will recognize the places, no doubt. They aren't as good as they might be, but you may enjoy them.

Hope business is good with you, and that you will be able to come out.

Sincerely,

W W Turner Jr
