Yours rec In regard to the owner
history of the osage Bundle - it was
inherited by Gurney Miller - then Bundle man
taken up by - Francis F. Fisher for the Smithsonian
Washington but not yet published - am quite
interested in the publication & anxious to see it -
The Wumbag Bundle came from Frank Shuman
and inherited by him - The Wumbag
Bundles were written up by Paul Randers
for Smithsonian I think - they were published
in pamphlet form - its long story
Joe Fauman was who made - I had a copy
but have lost it - think you can get it
from Smithsonian, its very complete - he wrote
also the other medicine bag - any thing
further let me hear from you -
