Mr Harry G George

Dear Sir

Your Friend Mr Quinn of your City  
was in to see me and was looking at  
a Buffalo Rabe. I have & I did perhaps you  
would like it. So I am writing to you if  
you want me to send it in for your  
inspection let me know by return mail it  
is 7 feet 3 in long & 4 in wide & the fur & skin  
is good on it or if you succeeded in getting  
the Daddle Baggys yet I have men looking for  
them. and the parties that did they were  
going to have them made failed to get  
them. So let me hear. Do you  
also have an Old Spanish Bell? I would  
like for you to see & will send if you  
let me know if you would be interested  
in it

Yours
