Yours of 1/2 at hand. Think I would be willing to trade for the Buffalo stone, but would have to see it first. Could let you have a tin snapper on the exchange. You have a knowledge now of what I have. If you should prefer some other material let me know.

Your stake of having several

Buffalo hide shields. would you
care to trade one for a sacred
Bundle of the Socx Fox? It is a turtle
Clan bundle & is used at the first ^{turtle}
sawed up thunders in the spring. I obtained
it directly from the *ovageya* nests and
Indian who gave
full history.
