Dear Sir:-

Please accept my thanks for the information inclosed  
in your letter of the 9th.

This Fall I will probably be able to furnish you some  
specimens of Seri work of Lower California. Upon my return from  
my Arizona trip I will see what I can find in the line of Baskets  
with handles. In the meantime you may come across the picture of  
the Basket. Perhaps it was one of the Hopi meal Baskets, many  
of which have a loose handle.

I am leaving in a few days for my summer's trip but I  
will keep you posted and my mail will be forwarded.

Very truly yours,

*Grace Nicholson*
