Judge Arthur Garrity  
U.S. District Court  
Boston, Mass.

1525 P.O. Bldg.

December 9, 1975

Dear Judge Garrity,

I saw the news on Channel 5 tonight about what you did regarding So. Boston High and of course have been following what you've been doing all along.

Don't give up. There will be more and more terrible pressures against you, but you must persist. You are a marvelous, dedicated man and our only hope for Boston (of which I am ashamed!). The only way blacks and whites will learn to be nicer to each other is if they get to know each other better, and they can't do this if they are physically apart.
