Judge Arthur Garrity  
U.S. District Court, Federal Building  
Boston, Mass.

Dear Judge Garrity:

I am one of a white minority in Hyde Park & that strongly supports your decision on integration of the Boston Public Schools--it was a long overdue action--~~and~~ misguided political leaders have done their best for years to thwart our state racial imbalance law and other federal laws and regulations.

We are now in the midst of turmoil and some violence, but I am pleased that you are ~~standing~~ standing firm against the abuse of the anti-busing people.--Little do they realize that the schools of Boston were "going downhill" for years and years--even before the advent of the increased black population.

I hope that before too long we can move from the bigoted opposition to busing to the more important matter of quality, integrated education for all Boston children.

Thank you.

Yours truly
