

AP European History Summer Assignment

2016-2017

Students will write two book reviews of their choice from an approved list for this course. One of the two books will be on the topic of World War II and/or the Holocaust. In the essay the student is expected to critically analyze the author's main thesis, evaluate the evidence used by the author, and discern the historiographical significance of the work.

Each essay is to be no less than two and no greater than three pages in length. In terms of format the paper should be word-processed using an appropriate font (Times-New Roman), be twelve point type, double-spaced, and using one inch margins around the paper. No title page or bibliography is needed, as the citation/reference will be at the top of the first page of the report. A sample review can be located on the course website.

Book reviews are due on August 3, 2016 (please note this is BEFORE we return to school in the fall). Reviews must be submitted via email to Lady Jones at michele.jones@frco.k12.va.us. Reviews are due by August 3, 2016 at 11:59 p.m. but you are welcome to email them earlier and as you complete them. **YOU MAY NOT USE GOOGLE DRIVE TO COMPLETE OR SUBMIT THIS ASSIGNMENT.** Google drives for students will be "wiped clean" at some point this summer and we do not want to lose this work.
