Inclusive Dates: 1910-1969

Provenance

Songs of Sigma Sigma Sigma were written by collegiate and alumni members, and published periodically by the national organization.

Content and Scope

The first official song books was published in 1910, and was periodically revised. In the early 20th century, chapters were charged with writing and submitting original songs to add to the collection. In the later 20th century, songs submitted to the national organization were included in the song book as supplements A few issues contain inserts from chapters of non-official Sigma songs.
