

HARVARD BRIDGE. SHOWING MASSACHUSETTS INSTITUTE OF TECHNOLOGY IN BACKGROUND, BOSTON, MASS.

HARVARD BRIDGE

One of the main connecting links between Cambridge and Boston. In the background may be seen the buildings of Massachusetts Institute of Technology, one of the finest schools of engineering and science in the country. Technology occupies about fifty acres of land fronting on Massachusetts Avenue and Memorial Drive.

POST CARD

Dear Doctor & Mrs. Stoughton.

This is my new alma mater

So far we haven't done any studying but spend our time drilling etc. This takes up the first six weeks of the course.

I met Ted Gibson five minutes after I had arrived. We see each other quite often. Regards to all
Henry
