Dear Doctor Staughton:

Salutation to yourself and to Wagner College from an Army Air Force. It is a long time since I left Wagner officially but I still feel that it is a part of "home."

One of your letters about Wagner's current financial campaign was forwarded to me from home. Were you aware of the fact that I am a member of one of our Army Air Forces you might have foreseen what my answer would be.

I realize that it is now imperative that Wagner continue its work in education both scholastic and religious. Insofar as I would like to be able to do my share of keeping my alma mater going I feel badly that I can't do so. I regret that I must inform you that at the present time Wagner can not expect any financial aid from me.

At least I can wish you the best of luck in your present endeavor. I note that many Wagnerites besides

myself are in the Army or Navy.  
After we have secured our position  
Wagner will find that her sons, and  
possibly now even her daughter, have had  
a great part in guaranteeing that  
civilization as we understand it and  
teach it shall not be destroyed.

With my kindest regards & those of  
Wagner who might know me I remain,

Very truly yours,  
(Corp.) Irving Green
