Private P. H. Elstad
Battery A. Battalion 14
1st Platoon
Fort Eustis, Virginia

Dear Howard:

I was glad to hear from you. I knew that you had gone into service a few days after the campaign closed, and did not have a chance to talk to you at all before you left. I hope that you make the officer's training school, because I think the work will be pleasanter for you in every way.

The situation on your pledge is this: \$25.00 pledged; \$1.05 paid. If you want to postpone any further payments, feel perfectly free to do so.

Bulletins will come to you whenever they are printed. I am enclosing the last two. There will be no new ones now until October.

Best of greetings to you from everybody here on the campus. Keep me posted as to how everything is going on.

Cordially yours,

C. C. Stoughton,
President.
