

December 1944

Dear Dr. and Mrs. Staughton,

I'm very glad to hear of
Jean's active service, and that she
is happy and enthusiastic. She is
serving her country well.

I am now out here in the
hill lilly hills of Arkansas, getting
my seventeen week training in the
infantry.

Mother and Dad are quite
happy and in good health.

May I wish you a very
Merry Christmas and a Blessed
New Year.

Sincerely,

Roland
