Hi Prof.  
In checking through my correspondence I find my writing a bit behind schedual. I am station in Italy, flying missions over Europe. That is all we are allowed to say in our work, however when the war is over it should prove exceedingly interesting to a History Prof. Life here is as pleasant as can be expected in the war theater. We do manage to run in to the enemy, but so far its none to my credit. By the way my wife is living with my folks on S.D.  
Best regards to you and your staff  
Fred.
