

Friday

Dear President Stoughton,

Greetings from across the many, many miles separating us. In spirit, however, I'm still very close to Staten Island and to Wagner and my friends there. And I hope to be with you again, soon, with the war all over with and a more permanent peace established than we have ever known.

Quite a few of your "boys" are in the service now, I see by the "Bulletin" and I know you are proud of that. At any rate, I hope we will give you cause to be so. Among many others I see that my good

friend Bob White is now "En-  
sign Robert White."

Would you be so kind as  
to send me a transcript of  
my college record? In the  
near future I hope to make ap-  
plication for cadet training in  
aviation, and I shall need it  
for that. This is my first re-  
quest for a transcript. If there  
is any charge I shall be happy  
to forward it to you when you  
acquaint me with the proper  
amount. My address is:

Thank you very much for  
your attention to this  
matter.
