Dear Edwin:

I was glad to hear from you, but much surprised that you were in the Army. Certainly, that is good and sufficient reason for postponing the payment on your indebtedness. Whatever you can do, will be appreciated, but we shall not press from this end.

I shall try to get hold of a Blanchard for you at the earliest possible moment and forward it to you. I am glad to this for you.

Cordial greetings from all of us.

Sincerely yours,

C. G. Stoughton,
President.
