

24 March 1945

Dear Dr. Staughton,

During all these months of silence I have not forgotten the Staughtons. I do get information about you from my weekly correspondence with the Deak.

The news of your leaving Wagner is hard to believe. What will Wagner do without President Staughton? Certainly wish you and your fine partner the best in the new work. When you are travelling in Wisconsin, how about stopping in Madison. It looks as if I'll be here for the duration plus.

The other day I sent you some of the latest USAFE memos and forms. Enclosed a few <sup>revised</sup> Form 47's Application for Credit for Educational

Achievement During Military Service"  
for Wagner's use. The registrar's  
office is no doubt already equipped  
with the Am. Council Handbook, "Guide  
to the Evaluation of Educational Experience  
in the Armed Services." This Handbook  
is the result of George P. Tuttle's fine  
work.

I also enclosed copies of a few  
mimeographed occupational and  
professional briefs. I have written  
these for USAFI distribution. As you  
probably know I am most enthusiastic  
about the USAFI program and am  
finding my work extremely interesting.  
Since the first of February, a 1st Lt.  
WAC and I have been serving as  
administrative assistants to Col. Hansen.  
Les is now "somewhere in  
the Philippines" - publication office

for a home there. The news from Leni  
has been very scarce <sup>during</sup> the last six  
months. Believe his very happy with his  
overseas duties.

Hope Jeanne is enjoying her  
life as a WAVF officer. This headquarters  
has sixty <sup>enlisted</sup> Waves and two Wave Officers.  
Most of them are quite happy with  
being in the service.

Many times I have wanted to write  
you what pleasant days those were  
for me at Wagner - but has a student  
and also a member of your administrative  
staff. I am especially grateful  
that my days were those while you  
were president.

The best to you, Mrs. Staughton,  
Jeanne and Len.

Sincerely,

Virginia Mackay T.

Enclosed is a bit toward the Wagner mortgage.
