EMERSON'S CURE FOR COLD IN THE HEAD, CATARRH, HAY FEVER AND CA- TARRHAL HEADACHES.

The best medical authorities agree that Catarrh is a local trouble resulting from a neglected "Cold in the Head," whereby the lining membranes of the nose become inflamed and the poisonous discharges therefrom, passing backward into the throat, set up inflammations, etc. To cure it requires local treatment, and EMERSON'S CURE FOR COLD IN THE HEAD is a soothing and healing Balm composed of Antiseptic, Cleansing and Healing ingredients, which soon arrests these morbid discharges, cleanses the nasal passages, purifies the offensive breath, heals the inflamed membranes and restores the senses of taste and smell.

Sold by all druggists, or sent by mail prepaid.

PRICE 10 CENTS.

Have you read the tale of "Trilby,"

Have you seen the startling play
That is causing such excitement

In the busy world to-day?

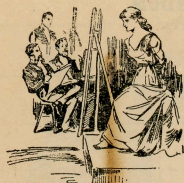

Have you studied out the story

Of the great hypnotic power

Shown by mesmerist Svengali—

The sensation of the hour?

MEMORANDUM.

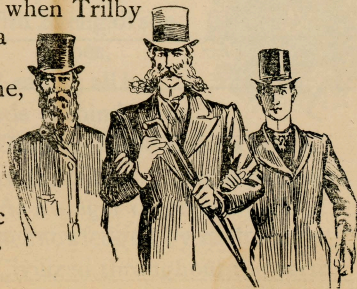

In a studio in Paris,
The three
Englishmen are seen,
Artists all are
Little Billee,
Taffy and the "Laird"
serene.

Little Billee loves the model
"Trilby," who his love returns,
Tho' each of his artist comrades
For her favors also yearns.

Loving also Little Billee,
In his favor they retire,
Learning that he is the only
One that "Trilby" can admire.
Then appears the knave Svengali,
Music master, fiend as well,
Who, when Trilby

has a
head-
ache,
Cures
her
by
his
mystic
spell.

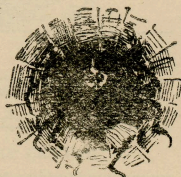

MEMORANDUM.

Finding out
his magic power,
O'er
the foolish little elf,
Then
Svengali vows
to use it,
Just to benefit him-
self,

Making Trilby world-wide famous
As a singer of renown,
And compels her to abandon
Billee, and with him leave town.

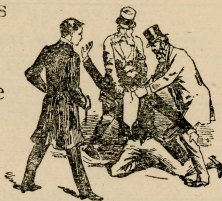

So beneath his spell
hypnotic,
With Svengali she
elopes,
Leaving all her
friends behind her,

Dashing Little Billee's hopes.
Five years pass. Her reputation
As a singer of great worth,
Is acknowledged by each nation,
Civilized throughout the earth.

MEMORANDUM.

But one luckless
night
in Paris,
When the theatre
is filled
With admirers
of
her singing

Suddenly her voice is still'd!
For that moment, in the foyer,
Has Svengali met his fate,
The three Englishmen attack him
And he dies, expressing hate!

Trilby's vocal powers leave her
As Svengali's life gives out,
Dazed and wild she stares about her,
Brain-bewildered beyond doubt!
By degrees she recognizes
Little Billee and her friends,

But the memory of
Svengali,
Kills her—
and
the story ends!

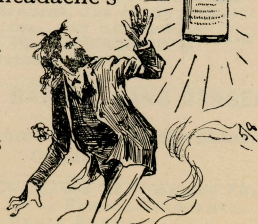

MEMORANDUM.

Yes, the world is full of Trilbys,
Just as foolish, p'r'aps, as she,
Who, when troubled with a headache
Seek some silly remedy.

Had she spurned Svengali's offer
When her headache
made her
sick,
And just taken
Bromo-Seltzer,
'Twould have
cured
her just as quick.

'Twould have made her nervous system
Strong enough to neutralize
All attempts of base Svengali,
Her young will to hypnotize.
'Twould have cleared her
brain and freed her
From dread headache's
awful pain,
Bromo-Seltzer
is
the soother
Of mankind's
severest
strain.
